Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to the EDGA Exchange, Inc. Fee Schedule

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 5, 2010, the EDGA Exchange, Inc. (the “Exchange” or the “EDGA”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

<http://www.directedge.com>.

it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to change the fees and rebates for adding and removing liquidity. For adding liquidity, the fee is proposed to be increased from \$0.0002 per share to \$0.00025 per share. Conforming amendments have been made to the B, V, Y, 3, and 4 Flags (“add liquidity” flags) to reflect this change. For removing liquidity, the rebate is proposed to be decreased from \$0.0002 per share to \$0.00015 per share. Conforming amendments have been made to the N, W, and 6 flag (“remove liquidity” flags) to reflect this change. In addition, Flag “I” (routed to EDGX) is proposed to be increased from \$0.0029 per share to \$0.0030 per share to reflect the anticipated increase on EDGX for October for removing liquidity (from \$0.0029 per share to \$0.0030 per share). The Exchange believes that these rate changes will enable it to maintain a competitive position with regards to other away market centers.

The Exchange also proposes to make a technical amendment to footnote 2 to clarify that the rate of \$0.0010 applies to when a Member adds greater than 1,000,000 shares hidden on a daily basis, measured monthly (emphasis added).

EDGA Exchange proposes to implement these amendments to the Exchange fee schedule on October 5, 2010.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁴ in general, and furthers the objectives of Section 6(b)(4),⁵ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The proposed rule change reflects a competitive pricing structure designed to incent market participants to direct their order flow to the Exchange. Finally, the Exchange believes that the proposed rates are equitable in that they apply uniformly to all Members. The Exchange believes the fees and credits remain competitive with those charged by other venues and therefore continue to be reasonable and equitably allocated to those members that opt to direct orders to the Exchange rather than competing venues.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
