The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

# A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

## 1. Purpose

The Exchange proposes to amend its Fees Schedule, effective November 28, 2014.

Specifically, the Exchange proposes to enable the Exchange to collect the Sales Value Fee<sup>3</sup> (the "Fee") directly from Trading Permit Holders ("TPHs) when the Fee is due pursuant to an onfloor position transfer between unaffiliated TPHs. In addition, the Exchange proposes to remove obsolete language related to the CBOE Stock Exchange, LLC ("CBSX"). Finally, the Exchange proposes to remove the regulatory review process related to the Position Transfer Fee.

Currently, the Sales Value Fee is collected indirectly from TPHs through their clearing firms by OCC on behalf of CBOE. The OCC does not collect the Fee when an on-floor position transfer<sup>5</sup> takes place. The Exchange is proposing to collect the Fee directly from TPHs when there is an on-floor position transfer between unaffiliated TPHs. TPHs will be considered affiliated if one of the TPHs has "control" under Rule 1.1(k) over another TPH.<sup>6</sup>

Pursuant to Section 31 of the Securities Exchange Act of 1934, CBOE pays transaction fees to the SEC based on the volume of securities that are executed on the Exchange. The Sales Value Fee is the mechanism by which CBOE assesses the transaction fees to each TPH.

Trading ended on CBSX on April 30, 2014. <u>See</u> Securities Exchange Act Release No. 34-71880 (April 4, 2014) (Notice) (SR-CBOE-2014-036).

<sup>&</sup>lt;sup>5</sup> <u>See</u> Rule 6.49A.

The term "affiliate" of or a person "affiliated with" another person means a person who, directly or indirectly, controls, is controlled by, or is under common control with, such other person. See Rule 1.1(j).

The term "control" means the power to exercise a controlling influence over the management or policies of a person, unless such power is solely the result of an official

In addition, the Fees Schedule currently indicates that the Fee is assessed by CBOE to each TPH for the sale of securities when a sale in non-option securities occurs on CBSX with respect to which CBOE is obligated to pay a fee to the SEC under Section 31 of the Exchange Act or a sell order in non-option securities that is routed for execution at a market other than on CBSX, resulting in a covered sale on that market and an obligation of the routing broker providing Routing Services for CBSX to pay the related sales fee of that market. As noted above, CBSX is no longer active; therefore, the Exchange proposes to clarify that the Fee will be assessed by CBOE to TPHs for sales of securities when a sale in option securities occurs with respect to which CBOE is obligated to pay a fee to the SEC under Section 31 of the Exchange Act or when a sell order in option securities is routed for execution at a market other than CBOE, resulting in a covered sale on that market and an obligation of the routing broker providing Routing Services for CBOE, as described in CBOE Rule 6.14B, to pay the related sales fee of that market.

Finally, the Exchange currently provides a service to TPHs seeking to make an off-floor position transfer pursuant to Rule 6.49A whereby a TPH can solicit CBOE to perform a "regulatory review" of the potential transfer to determine whether the proposed transfer meets the off-floor position transfer provisions of Rule 6.49A. The Exchange currently charges the initiating TPH a fee of \$.02 per contract for the "regulatory review" with a cap of \$25,000. The Exchange is proposing to eliminate the "regulatory review" program, as well as the associated fee.

position with such person. Any person who owns beneficially, directly or indirectly, more than 20% of the voting power in the election of directors of a corporation, or more than 25% of the voting power in the election of directors of any other corporation which directly or through one or more affiliates owns beneficially more than 25% of the voting

The Exchange is seeking an effective date of November 28, 2014 in order to sync the fee change with the CBOE billing cycle. For example, position transfers that occur on Friday, November 28, 2014 will settle on Monday, December 1, 2014. CBOE billing is applied upon settlement; therefore, on-floor position transfers that are subject to a Sales Value Fee that trade on November 28th will settle on December 1st and be assessed the Sales Value Fee during the December billing cycle.

# 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act. Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>8</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitation transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>9</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange

power in the election of directors of such corporation, shall be presumed to control such corporation. <u>See</u> Rule 1.1(k).

<sup>&</sup>lt;sup>8</sup> 15 U.S.C. 78f(b)(5).

<sup>9</sup> Id.

also believes the proposed rule change is consistent with Section 6(b)(4) of the Act, <sup>10</sup> which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

In particular, the Exchange believes that the proposed clarifications to the Fees Schedule will make the Fees Schedule easier to read and alleviate potential confusion. The alleviation of potential confusion will remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, protect investors and the public interest. The Fee allows the Exchange to recoup transaction fees that the Exchange pays to the SEC pursuant to Section 31 of the Securities Exchange Act, and the Exchange incurs the Section 31 fees because of the trading activity of TPHs. Therefore, the Exchange believes that it is reasonable and equitable to assess the Fee to TPHs. Additionally, the Exchange does not believe the proposed change is unfairly discriminatory as it applies equally to all TPHs that are performing on-floor position transfers between unaffiliated entities.

# B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. CBOE does not believe that the proposed rule change will impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because the proposed changes apply to all TPHs. The Exchange does not believe the proposed rule change will impose any burden on intermarket competition because it only applies to position transfers occurring on CBOE.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others</u>

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>11</sup> and paragraph (f) of Rule 19b-4<sup>12</sup> thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
