II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to modify the Exchange's Rulebook at Chapter VI, Section 1 to correct a typographical error associated with the numbering in the Rulebook. The Exchange filed a proposed rule change which was recently approved,⁴ which caused duplicative numbering in the Rulebook. The purpose of this filing is administrative in nature; the Exchange solely desires to correct the numbering in Chapter VI, Section 1. There are no substantive changes being made in this proposed rule change.

Specifically, the Exchange proposes to renumber the second (1) in Chapter IV, Section 1(e), related to a Directed Order, and continue numbering the paragraphs thereafter. The Exchange is also proposing to remove Chapter IV, Sections 1(e)(4) and (7) which are currently reserved.

⁴ Securities Exchange Act Release No. 34-73784 (December 8, 2014), 79 FR 73930 (December 12, 2014) (SR-BX-2014-049). The filing attempted to add new subsection (e)(1) to BX Options Chapter VI, Section 1, a subsection that already contained other text.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by correcting a typographical error in the BX Rulebook. The Exchange believes that correcting the error will avoid confusion when referring to the Rulebook. The proposed amendments are non-substantive.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change corrects a typographical error in the Rulebook and is non-substantive. This proposed rule change will not impact competition in any respect.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the

Commission may designate, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange states that the proposal does not affect the protection of investors or the public interest, because it is designed solely to correct a typographical error. Similarly, the Exchange states that the change does not impact competition in any respect. The Exchange notes that a waiver of the 30-day operative delay will allow the correction to the Rulebook to take effect immediately, thereby avoiding any confusion when referring to the Rulebook. For this reason, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission designates the proposed rule change to be operative upon filing.⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

⁹ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
