Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 16, 2016, NASDAQ PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete these Rules: 903 entitled, “Fixed Interest of Partner;” 904 entitled, “Use of a Partnership Name;” 905 entitled, “Special or Limited Partners;” and 906 entitled, “Notice of Change in Partnership.” The text of the proposed rule change is available on the Exchange’s Website at <http://www.nasdaqtrader.com/micro.aspx?id=PHLXRulefilings>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to delete certain Phlx membership rules in order to harmonize and modernize the Exchange's Rulebook. Specifically, Exchange proposes to delete Rule 903 entitled, "Fixed Interest of Partner;" Rule 904 entitled, "Use of a Partnership Name;" Rule 905 entitled, "Special or Limited Partners;" and Rule 906 entitled, "Notice of Change in Partnership." Specifically, each proposed rule change is as a result of the demutualization of the Exchange in 2004 and no longer applicable to the business today. The proposed changes related to the former need for the exchange to more acutely understand the ownership structure of the membership and are discussed in greater detail below.

These rules were applicable when Phlx offered seats, prior to demutualization. Before demutualization, Phlx seats conveyed ownership which created a greater obligation on Phlx to gather information on the members corporate structure. Specifically, Phlx was obligated to maintain a heightened vigilance on the makeup, ownership, and changes of individuals in a partnership in order to ensure the financial integrity of its ownership structure. Today, permits are issued to Exchange members and member organizations. The Exchange no longer needs to differentiate ownership because the permit structure conveys no ownership to the membership. These membership rules related to partnerships are no longer applicable today. The distinctions regarding the admission of member as a partnership, as compared to a corporation, are no longer relevant. The Exchange proposes to remove these outdated Rules.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act³ in general, and furthers the objectives of Section 6(b)(5) of the Act⁴ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes that Rules 903-906 are burdensome and unnecessary. These rules regarding partnership interests, use of names, privileges, and changes to the partnership serve no modern purpose to the Exchange. The former ownership structure required the Exchange to be vigilant of the ownership structure of its members in case of financial distress or bankruptcy as the seat structure was vital to the financial condition of the Exchange. Before demutualization, members had ownership interest in the Exchange. Today, permits convey no ownership and therefore such vigilance as to the ownership structure of members is not warranted. The rules have not been changed since demutualization, but for 904 and 906 which were edited in 2009 in order to replace the term “Membership Committee” with “Membership Department” which was done in conjunction with other changes to the standing committees and corporate governance processes in order to make the Exchange more similar to the other Nasdaq SRO’s.

The removal of Rules 903-906 will promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities

⁴ 15 U.S.C. 78(f)(b)(5).

by removing burdensome requirements so that members may properly focus on other relevant requirements which benefit the marketplace.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposed amendments seek to delete certain unnecessary rules which today burden partnerships over corporation. The deletions of Rules 903-906 will remove a current burden on competition which requires members and member organizations that are partnerships to disclose unnecessary information as compared to other corporate entities not structured as a partnership.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁵ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action,

the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved. The Exchange has provided the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change.
