March 25, 2016

Self-Regulatory Organizations; NASDAQ PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Delete Rule 756

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup>, and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on March 18, 2016, NASDAQ PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete Rule 756 from the Phlx rules.

The text of the proposed rule change is available on the Exchange’s website at <http://nasdaqomxphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to delete Rule 756, which deals with accounts of general partners. As discussed below, the Exchange has determined that these rules are anachronistic and no longer serve a purpose. Consequently, the Exchange is proposing to eliminate the rules from the rulebook to avoid any confusion that may be caused by retaining them.

Rule 756

Rule 756 concerns the accounts of general partners. The rule requires that no member organization that is a partnership shall carry an account for a general partner of another member organization that is a partnership without the prior written consent of another general partner of such other organization. It also requires that duplicate reports and monthly statements shall be sent to a general partner of the organization (other than the partner for whom the account is carried) designated in such consent.

Further, the rule requires that all clearance transactions for a general partner of another member organization that is a partnership shall be reported by the clearing firm to a general partner of such other organization who has no interest in such transactions.

The Exchange believes that the rule is no longer relevant. The rule was adopted at a time when the Exchange had a general partner membership classification. That classification is no longer in existence. Accordingly, the Exchange does not believe the rule serves a regulatory purpose and it is accordingly proposing to delete the rule.

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>3</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>4</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes the proposed changes are consistent with just and equitable principles of trade because they delete outdated and potentially confusing rules. The rule that the Exchange proposes to delete is anachronistic and does not have application to the Exchange's current function. Thus, removing it from the rules promotes clarity and eliminates potential confusion caused by allowing it to remain.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather it is designed to promote competition among exchanges by removing archaic rules in comparison to the rules of other exchanges. Last, the proposed changes promote clarity in the application of the Exchange's rules by eliminating unneeded rules.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>5</sup> and Rule 19b-4(f)(6) thereunder.<sup>6</sup>

A proposed rule change filed pursuant to Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of its filing. However, pursuant to Rule 19b-4(f)(6)(iii), the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest as it will allow the Exchange to delete unnecessary and outdated rule text and therefore reduce confusion in the application of the Exchange's rules. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.<sup>7</sup>

<sup>5</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>6</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. In the instant filing, the Commission waives this requirement.

<sup>7</sup> For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
