Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 20, 2016, NASDAQ PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposal is to delay the implementation of the Exchange's mechanism to protect against erroneous Limit Orders, which are entered into PSX, at Rule 3307(f).³ The Exchange received approval to implement this mechanism on August 24, 2016.⁴ Within that rule change, the Exchanges proposed to implement LOP within ninety days of the approval of the proposal, which was November 22, 2016.⁵ The Exchange subsequently filed a modification to the original proposal and delayed the implementation an additional sixty (60) days from the original timeframe in order to implement the LOP, which was January 21, 2017.⁶

At this time the Exchange proposes to delay the implementation from January 21, 2017 until a date no later than March 31, 2017 in order to allow additional time to complete testing. The Exchange will announce the specific date in advance through an Equities Trader Alert. For more information regarding LOP see the previous LOP rule changes.⁷

⁶ See Securities Exchange Act Release No. 83917 (November 16, 2016), 81 FR 83917 (November 22, 2016) (SR-Phlx-2016-113) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Limit Order Protection).

⁷ See note 3 above.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁹ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by permitting the Exchange additional time to implement the LOP in accordance with the Exchange's processes. The Exchange's proposal does not significantly affect the protection of investors or the public interest because this proposal does not modify the manner in which LOP operates, only the implementation date is impacted. The Exchange will provide advance notice to members with respect to the new date.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal does not impose any significant burden on competition because LOP will apply to all PSX market participants in a uniform manner once implemented.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time

as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁰ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
