April 10, 2017

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Eliminate Obsolete References in the Fees Schedule

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 3, 2017, Chicago Board Options Exchange, Incorporated (the “Exchange” or “CBOE”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to eliminate obsolete references in the Fees Schedule. The text of the proposed rule change is available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule. Specifically, the Exchange proposes to eliminate references to (i) mini-options, (ii) SPX Range Options ("SROs"), (iii) Floor Broker Workstation ("FBW") and (iv) Livevol X ("LVX") Fees.

First, the Exchange notes it no longer lists mini-options or SROs. As such, the Exchange proposes to delete from the Fees Schedule references to mini-options and SROs, as such references are no longer necessary and obsolete.

Next, the Exchange proposes to eliminate all references to FBW in the Fees Schedule. The Exchange no longer offers FBW. As such, all references to FBW will be eliminated from the Fees Schedule as it is unnecessary to maintain and is now obsolete.

Lastly, the Exchange proposes to eliminate the Livevol X (LVX) section of the Livevol Fees table. The Exchange notes that LVX has been sold to another party and as such it will no longer assesses any LVX related fees. The Exchange therefore proposes to eliminate the LVX section of the Fees Schedule (i.e., the Application fees for Standard and Enterprise Users and the LV Routing Intermediary Fee). The Exchange believes eliminating fees from the Fees Schedule that are no longer charged by the Exchange will eliminate confusion.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the

Exchange and, in particular, the requirements of Section 6(b) of the Act.³ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁴ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes eliminating references to (i) classes that are no longer listed on the Exchange, (ii) functionality that is no longer offered at the Exchange and (iii) fees that will no longer be assessed due to the sale of LVX to a third party, will help to avoid confusion, thereby removing impediments to and perfecting the mechanism of a free and open market and a national market system. Additionally, the Exchange notes that no substantive changes are being made by the proposed rule change.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on intramarket or intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change to eliminate obsolete references to delisted options and fees and functionality no longer offered will alleviate confusion and is not intended for competitive reasons and only applies to CBOE. The Exchange also notes that no rights or obligations of Permit Holders are affected by the change.

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁵ and paragraph (f) of Rule 19b-4⁶ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
