² 17 CFR 240.19b-4.

Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to relocate ISE rules into the new Rulebook shell with some amendments to the shell.³ The Exchange is relocating the ISE Rules first and plans on relocating the Rulebooks of its Affiliated Exchanges so that it may harmonize its rules, where applicable, across Nasdaq markets. The relocation and harmonization of the ISE Rules is part of the Exchange’s continued effort to promote efficiency and conformity of its processes with those of its Affiliated Exchanges. The Exchange believes that the placement of the ISE Rules into their new location in the shell will facilitate the use of the Rulebook by Members.

Universal Changes

The Exchange proposes to amend the defined term “System”⁴ and replace “trading system” or “system” with the defined term throughout the new rules. The Exchange proposes to capitalize the defined term “market maker” within proposed Options 1, Section 1(a)(21) and also capitalize the term throughout the Rulebook. The Exchange proposes to capitalize the defined term “Member”⁵ throughout the new rules where it is not already capitalized. The Exchange

³ Previously, the Exchange added a shell structure to its Rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges, Nasdaq BX, Inc.; Nasdaq PHLX LLC; The Nasdaq Stock Market LLC; Nasdaq GEMX, LLC; and Nasdaq MRX, LLC (“Affiliated Exchanges”). The shell structure currently contains eight (8) Chapters which, once complete, will apply a common set of rules to the Affiliated Exchanges. See Securities Exchange Act Release No. 82175 (November 29, 2017), 82 FR 57494 (December 5, 2017) (SR-NASDAQ-2017-125).

⁴ The term “System” is defined at Rule 100(a)(63).

⁵ The term “Member” is defined at Rule 100(a)(30).

proposes to correct references to the non-defined term “member organization” to the defined term “Member.” The Exchange proposes to capitalize the “t” in the defined term “Exchange Transactions”⁶ where the term is not properly capitalized within the Rules. The Exchange proposes to change references to “Commentary” to “Supplementary Material” to conform the term throughout the Rulebook. References to the term “Regulatory Information Circular” are being amended to the updated term “Options Regulatory Alert.”

The Exchange proposes to update all cross-references within the Rule to the new relocated rule cites. The Exchange proposes to replace internal rule references to simply state “this Rule” where the rule is citing itself without a more specific cite included in the Rule. For example, if ISE Rule 715 refers currently to “Rule 715” or “this Rule 715” the Exchange will amend the phrase to simply “this Rule.” The Exchange proposes to conform numbering and lettering in certain rules to the remainder of the Rulebook. Finally, the Exchange proposes to delete any current Rules that are reserved in the Rulebook.

Options 11

Finally, the Exchange proposes to relocate Rule 1614, titled “Imposition of Fines for Minor Rule Violations” to Options 11 titled “Minor Rule Plan Violations” at Section 1.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,¹² in general, and furthers the objectives of Section 6(b)(5) of the Act,¹³ in particular, in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest by bringing greater transparency to its rules by relocating its Rules into the new Rulebook shell together with other rules which have already been relocated. The Exchange's proposal is consistent with the Act and will protect investors and the public interest by harmonizing its rules, where applicable, across Nasdaq markets so that Members can readily locate rules which cover similar topics. The relocation and harmonization of the ISE Rules is part of the Exchange's continued effort to promote efficiency and conformity of its processes with those of its Affiliated Exchanges. The Exchange believes that the placement of the ISE Rules into their new location in the shell will facilitate the use of the Rulebook by Members. Specifically, the Exchange believes that market participants that are members of more than one Nasdaq market will benefit from the ability to compare Rulebooks.

The Exchange is not substantively amending rule text unless noted otherwise within this rule change. The renumbering, re-lettering, deleting reserved rules, amending cross-references and other minor technical changes will bring greater transparency to ISE's Rules. The Exchange intends to file other rule change to relocate Affiliated Exchange Rulebooks to relocate corresponding rules into the same location in each Rulebook for ease of reference. The Exchange believes its proposal will benefit investors and the general public by increasing the transparency of its Rulebook and promoting easy comparisons among the various Nasdaq Rulebooks.

¹³ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed amendments do not impose an undue burden on competition because the amendments to relocate the Rules are non-substantive. This rule change is intended to bring greater clarity to the Exchange's Rules. Renumbering, re-lettering, deleting reserved rules and amending cross-references will bring greater transparency to ISE's Rules.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁴ and Rule 19b-4(f)(6) thereunder.¹⁵

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹⁶ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹⁷ permits the Commission to designate a shorter time if such action is consistent with the

¹⁴ 15 U.S.C. 78s(b)(3)(A).

¹⁵ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹⁶ 17 CFR 240.19b-4(f)(6).

¹⁷ 17 CFR 240.19b-4(f)(6)(iii).

protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposed rule change may become operative upon filing. As the proposed rule change raises no novel issues and is largely organizational, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.¹⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments
