

SECURITIES AND EXCHANGE COMMISSION
(Release No. 34-86153; File No. SR-NASDAQ-2019-051)

June 19, 2019

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Chapter VI, Section 5 of the Rules of The Nasdaq Options Market to Extend Through December 31, 2019 or the Date of Permanent Approval, if Earlier, the Penny Pilot Program in Options Classes in Certain Issues

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 14, 2019, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Chapter VI, Section 5 (Minimum Increments)³ of the rules of The Nasdaq Options Market (“NOM”) to extend through December 31, 2019 or the date of permanent approval, if earlier, the Penny Pilot Program in options classes in certain issues (“Penny Pilot” or “Pilot”).

The text of the proposed rule change is available on the Exchange’s Website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

³ References herein to Chapter and Series refer to rules of the NASDAQ Options Market (“NOM”), unless otherwise noted.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend Chapter VI, Section 5, to extend the Penny Pilot through December 31, 2019 or the date of permanent approval, if earlier.⁴ The Exchange believes that extending the Penny Pilot will allow for further analysis of the Penny Pilot and a determination of how the program should be structured in the future.

Under the Penny Pilot, the minimum price variation for all participating options classes, except for the Nasdaq-100 Index Tracking Stock (“QQQQ”), the SPDR S&P 500 Exchange Traded Fund (“SPY”) and the iShares Russell 2000 Index Fund (“IWM”), is \$0.01 for all quotations in options series that are quoted at less than \$3 per contract and \$0.05 for all quotations in options series that are quoted at \$3 per contract or greater. QQQQ, SPY and IWM are quoted in \$0.01 increments for all options series. The Penny Pilot is currently scheduled to

expire on June 30, 2019.⁵ The Exchange now proposes to extend the time period of the Penny Pilot through December 31, 2019 or the date of permanent approval, if earlier.

This filing does not propose any substantive changes to the Penny Pilot Program; all classes currently participating in the Penny Pilot will remain the same and all minimum increments will remain unchanged. The Exchange believes the benefits to public customers and other market participants who will be able to express their true prices to buy and sell options have been demonstrated to outweigh the potential increase in quote traffic.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

In particular, the proposed rule change, which extends the Penny Pilot for an additional six months through December 31, 2019 or the date of permanent approval, if earlier, will enable public customers and other market participants to express their true prices to buy and sell options for the benefit of all market participants. This is consistent with the Act.

⁷ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. To the contrary, this proposal is pro-competitive because it allows Penny Pilot issues to continue trading on the Exchange.

Moreover, the Exchange believes that the proposed rule change will allow for further analysis of the Pilot and a determination of how the Pilot should be structured in the future; and will serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection.

The Pilot is an industry-wide initiative supported by all other option exchanges. The Exchange believes that extending the Pilot will allow for continued competition between market participants on the Exchange trading similar products as their counterparts on other exchanges, while at the same time allowing the Exchange to continue to compete for order flow with other exchanges in option issues trading as part of the Pilot.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ Because the proposed rule change does not: (i)

In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

A proposed rule change filed under Rule 19b-4(f)(6)¹² normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹³ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow the Pilot Program to continue without interruption in a manner that is consistent with the Commission's prior approval of the extension and expansion of the Pilot Program.¹⁴ Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such
