Admin. Proc. File No. 3-19315

In the Matter of
ASN SATELLITES, INC., CALEMINDER INC.,
EXTREME ENERGY SOLUTIONS INC., AND
HYPERFEED TECHNOLOGIES, INC.,
Respondents.

ORDER REGARDING SERVICE

On August 6, 2019, the Securities and Exchange Commission issued an order instituting administrative proceedings (“OIP”) against ASN Satellites, Inc., Caleminder Inc., Extreme Energy Solutions Inc., and Hyperfeed Technologies, Inc. (collectively, “Respondents”), pursuant to Section 12(j) of the Securities Exchange Act of 1934.¹ The OIP directed Respondents to file an answer to the allegations contained therein within ten days of service of the OIP.² On August 16, 2019, Extreme Energy Solutions, Inc. (“Extreme Energy”), submitted a letter to the Commission stating that Extreme Energy did not believe that it had been served with the OIP. Extreme Energy also stated that if the Commission determined that it had been served on or about August 6, 2019, it requested a 15-day extension of time to file its answer.

It appears that no response has been filed to Extreme Energy’s request and that there have been no filings by the Division of Enforcement addressing whether and when the OIP was served on Respondents. Accordingly, it is ORDERED that the Division of Enforcement file a status report concerning service of the OIP on Respondents by September 9, 2019, and every 28 days thereafter until service is accomplished. Extreme Energy’s request for an extension of time to respond to the OIP will be considered following receipt of the initial report.
