ORDER DIRECTING FILING OF ANSWER

On August 6, 2019, the Securities and Exchange Commission issued an order instituting administrative proceedings (“OIP”) against ASN Satellites, Inc., Caleminder Inc., Extreme Energy Solutions Inc., and Hyperfeed Technologies, Inc. (collectively, “Respondents”), pursuant to Section 12(j) of the Securities Exchange Act of 1934.¹ The OIP directed Respondents to file an answer to the allegations contained therein within ten days of service.²

On August 16, 2019, Extreme Energy Solutions Inc. (“Extreme Energy”) sent a letter to the Commission stating that it believed it had not been served with the OIP but requesting an extension of time to file an answer if it were determined that service had been made. In the event the Commission denied its request, Extreme Energy requested that its letter be accepted as an answer and that it be permitted to file an amended answer.

Cooke, which stated that, pursuant to Rule 141(a)(2)(ii) of the Commission's Rules of Practice,⁴ service of the OIP was made on Extreme Energy on August 16, 2019.

Although Extreme Energy submitted its letter to the Commission within ten days of service of the OIP, that letter does not constitute an answer because it does not comply with Rule of Practice 220.⁵ It is thus appropriate to order Extreme Energy to submit a compliant answer.

Accordingly, IT IS ORDERED that Extreme Energy file its answer to the OIP by October 11, 2019.
