3. Biomagnetics Diagnostics Corp. (BMGP)
4. Deep Blue Marine, Inc. (DPBE)

The Commission temporarily suspended trading in the above securities because of questions regarding: the adequacy and accuracy of information concerning the securities of each of the issuers listed above because questions have arisen as to their operating status, if any; the recent, increased activity and volatility in trading in the securities of each of these issuers, in the absence of any publicly available news or recent information by these issuers; and certain social media accounts may have been or may be engaged in a coordinated attempt to artificially influence their share prices. The stock of each of the issuers above is quoted and traded on OTC Link whose parent company is OTC Markets Group, Inc. None of the issuers above has posted any information with OTC Markets Group, Inc. or filed any information with the Securities and Exchange Commission for at least nine months.

The Commission cautions brokers, dealers, shareholders, and prospective purchasers that they should carefully consider the foregoing information along with all other currently available information and any information subsequently issued by the company.

Brokers and dealers should be alerted to the fact that, pursuant to Rule 15c2-11 under the Exchange Act, at the termination of the trading suspensions, no quotation may be entered relating to the securities of the subject companies unless and until they have strictly complied with all of the provisions of the rule. If any broker or dealer is uncertain as to what is required by the rule, it should refrain from entering quotations relating to the securities of these companies that have been subject to trading suspensions until such time as it has familiarized itself with the rule and is certain that all of its provisions have been met. Any broker or dealer with questions regarding the rule should contact the staff in the Division of Trading and Markets, Office of Interpretation and Guidance, at (202) 551-5777. If any broker or dealer enters any quotation that is in violation of the rule, the Commission will consider the need for prompt enforcement action.
