(Release No. 34-91526; File No. SR-NASDAQ-2021-018)

April 9, 2021

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Extend the Implementation Date of Enhancements to the End of Day Summary Message on Nasdaq Last Sale Plus to May 17, 2021

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 6, 2021, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the implementation date of its enhancements to the End of Day (“EOD”) summary message on Nasdaq Last Sale (“NLS”) Plus to May 17, 2021.

The text of the proposed rule change is available on the Exchange’s Website at <https://listingcenter.nasdaq.com/rulebook/nasdaq/rules>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is filing this proposal to extend the implementation date of its enhancements to the EOD summary message on NLS Plus to May 17, 2021.

Nasdaq proposed to enhance the EOD summary message on NLS Plus by replacing the current high, low and closing price of a security based on its trading on the Nasdaq, Nasdaq BX and Nasdaq PSX exchanges with the consolidated high, low and closing price as published by the SIPs, and adding the opening price of a security published by the SIPs to that message.

These changes were filed by Nasdaq on February 17, 2021, and published in the Federal Register on March 8, 2021.³

Nasdaq initially proposed that this change become operative on April 12, 2021. Due to a customer request to allow more weekend testing in advance of the date of launch, Nasdaq has decided to delay the implementation of this new functionality to May 17, 2021. Nasdaq announced the new implementation date on a Data Technical News Announcement disseminated on March 11, 2021.⁴

³ See Securities Exchange Act Release No. 91241 (March 2, 2021), 86 FR 13427 (March 8, 2021) (SR-Nasdaq-2021-010).

⁴ Data Technical News #2021-7 (March 11, 2021), available at <http://www.nasdaqtrader.com/TraderNews.aspx?id=dtm2021-7>.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The purpose of this proposal is to inform the SEC and market participants of the new implementation date for the enhancements to the EOD summary message on NLS Plus. This functionality was previously proposed in a rule filing that was submitted to the SEC, and this proposal does not change the substance of that filing. Nasdaq is delaying the implementation date to allow for additional weekend testing prior to implementation.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As explained above, the purpose of this proposal is to inform the SEC and market participants of the new implementation date for the enhancements to the EOD summary message on NLS Plus, and the Exchange does not expect the date change to place any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

A proposed rule change filed under Rule 19b-4(f)(6)⁹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁰ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay. Waiver of the operative delay would allow the Exchange to immediately extend the implementation date for the changes to the NLS Plus EOD summary message from April 12, 2021 to May 17, 2021 and allow market participants to engage in additional weekend testing prior to implementation. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest.

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

⁹ 17 CFR 240.19b-4(f)(6).

¹⁰ 17 CFR 240.19b-4(f)(6)(iii).

Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments
