ORDER FOLLOWING
PREHEARING CONFERENCE
AND TO SHOW CAUSE AS TO
RESPONDENTS CHINA
ALUMINUM FOIL, INC., AND
ENGCHOW EDUCATION
CORPORATION

On June 24, 2014, the Securities and Exchange Commission issued an Order Instituting Proceedings (OIP) pursuant to Section 12(j) of the Securities Exchange Act of 1934, alleging that Respondents have securities registered with the Commission and are delinquent in their periodic filings.

A telephonic prehearing conference (PHC) was held July 29, 2014. The PHC was attended by Neil Welch, Jr. for the Division of Enforcement and Eugene Licker as counsel for Respondent China Integrated Energy, Inc. No other Respondent appeared. At the PHC, Mr. Licker confirmed that he had received service on behalf of China Integrated on July 7, 2014. I ordered the following briefing schedule with respect to China Integrated:

August 29, 2014:	Motions for summary disposition are due
October 3, 2014:	Oppositions are due
October 14, 2014:	Replies due

Mr. Licker asserted that China Integrated expected to become current with its filings by October 31, 2014. Because service was effected on China Integrated on July 7, 2014, the deadline for issuance of the initial decision is November 4, 2014. Mr. Licker has pledged to keep this Office updated on the status of China Integrated's efforts to become current with its filings.

On July 21, 2014, the Division filed the Declaration of David S. Frye Concerning Service of Process, which represents that Respondent Engchow Education Corporation was served with the OIP by July 14, 2014, in accordance with Commission Rule of Practice 141(a)(2)(ii), 17 C.F.R. § 201.141(a)(2)(ii). I find that Engchow was served by July 14, 2014, and its Answer was due by July 24, 2014. OIP at 3; 17 C.F.R. §§ 201.160(b), 220(b).

On July 23, 2014, the Division filed a Declaration of Service by Stanley McGrue, asserting that Respondent China Aluminum Foil, Inc., was served by hand on July 8, 2014, in accordance with Commission Rule of Practice 141(a)(2)(ii), 17 C.F.R. § 201.141(a)(2)(ii). I find that China Aluminum was served by July 8, 2014, and its Answer was due by July 18, 2014. OIP at 3; 17 C.F.R. §§ 201.160(b), 201.220(b). As of today, neither Engchow nor China Aluminum has filed an Answer.

It is ORDERED that on or before August 8, 2014, Respondents Engchow and China Aluminum shall SHOW CAUSE why the registrations of their securities should not be revoked by default due to their failure to file Answers, attend the PHC, or otherwise defend this proceeding. See 17 C.F.R. §§ 201.155(a)(1)-(2), .220(f), .221(f). If either Engchow or China Aluminum fails to respond to this Order, it will be deemed in default, the proceeding will be determined against it, and the registration of its securities will be revoked. OIP at 3; 17 C.F.R. § 201.155(a)(2).
