ORDER ADMITTING DX 43 AND DX 44

A hearing was held in this matter on September 19-23, 2016. It appears that DX 43 and DX 44, which were addressed during testimony – mainly by Kelly Whelan – were not included on the parties' joint exhibit list nor filed with the Office of the Secretary. *See, e.g.*, Tr. 471-78. My reading of the transcript is that I admitted these exhibits. *See* Tr. 49. While DX 44 appears elsewhere in the record, DX 43 does not appear to be a duplicate. *See* DX 138 at 101-110.<sup>1</sup> I ORDER DX 43 and DX 44 ADMITTED. The Division of Enforcement need not submit copies of these exhibits to the Secretary. I have copies of these exhibits and they are attached to the official Secretary's copy of this order.
