File No. 500-1

It appears to the Securities and Exchange Commission that there is a lack of current and accurate public information concerning the securities of each of the issuers detailed below because questions have arisen as to their operating status, if any. Each of the issuers below is quoted on OTC Link operated by OTC Markets Group, Inc. The staff of the Securities and Exchange Commission has independently endeavored to determine whether any of the issuers below are operating. Each of the issuers below either confirmed they were now private companies or no longer in operation, or failed to respond to the staff's inquiry about their operating status, did not have an operational address, or failed to provide their registered agent with an operational address. The staff of the Securities and Exchange Commission also determined that none of the issuers below has filed any information with OTC Markets Group, Inc. or the Securities and Exchange Commission for the past two years.
