Rule 21.12. Clearing Member Give Up

[A User must give up the name of the Clearing Member through which the transaction will be cleared. If there is a subsequent change in identity of the Clearing Member through whom a transaction will be cleared, the User must, as promptly as possible, report such change to BZX Options.]

(a) General. For each transaction in which a User participates, the User may indicate, at the time of the trade or through post-trade allocation, any Options Clearing Corporation (“OCC”) number of the Clearing Member through which the transaction will be cleared (“give up”). The Clearing Member that is given up must be a Designated Give Up or a Guarantor of the User as set forth in paragraph (b) below. Clearing Members may elect to Opt In, as defined and described in paragraph (c) below, and restrict one or more of its OCC number(s) (“Restricted OCC Number”). A User may give up a Restricted OCC Number provided the User has written authorization as described in paragraph (c)(2) below (“Authorized User”) and provided the Restricted OCC Number belongs to a Designated Give Up of the User.

(b) Designated Give Ups.

(1) Definition of Designated Give Up. For purposes of this Rule, a Designated Give Up of a User refers to a Clearing Member identified to the Exchange by that User as a Clearing Member the User requests the ability to give up and that has been processed by the Exchange as a Designated Give Up.

(2) Definition of Guarantor. For purposes of this Rule, a “Guarantor” of an executing User refers to a Clearing Member that has issued a Letter of Guarantee for the executing User under the Rules of the Exchange that are in effect at the time of the execution of the applicable trade.

(3) Identification of Designated Give Up. Every User (other than a Market-Maker) must identify, in a form and manner prescribed by the Exchange and in advance of giving up any Clearing Member that is not a Guarantor for the User, any Designated Give Ups. A User shall only give up (A) a Clearing Member that has previously been identified and processed by the Exchange as a Designated Give Up for that User, provided that the Designated Give Up has not Opted In, or provided that the User is an Authorized User of that Designated Give Up, or (B) a Guarantor for that User.

(4) *Non Market-Makers.* Any User (other than a Market-Maker) may designate, pursuant to subparagraph (b)(3) above, any Clearing Member other than its Guarantor, as a Designated Give Up.

(5) *Market-Makers.* For each transaction in which a Market-Maker participates, a Guarantor of the Market-Maker shall be the Clearing Member through which the transaction will be cleared.

(6) *Guarantors.* A Guarantor for a User will be enabled to be given up for that User without any further action by the Clearing Member or User.

(7) *Removal of Designated Give Up.* If a User (other than a Market-Maker) no longer wants the ability to give up a particular Designated Give Up, the User must notify the Exchange, in a form and manner prescribed by the Exchange.

(c) *Opt In.* Clearing Members may request the Exchange restrict one or more of their OCC clearing numbers (“Opt In”) as described in subparagraph (c)(1) below. If a Clearing Member Opts In, the Exchange will require written authorization from the Clearing Member permitting a User to give up a Clearing Member’s Restricted OCC Number. An Opt In would remain in effect until the Clearing Member terminates the Opt In as described in subparagraph (c)(3) below. If a Clearing Member does not Opt In, that Clearing Member’s OCC number would be subject to give up by any User.

(1) *Clearing Member Process to Opt In.* A Clearing Member may Opt In by sending a completed “Clearing Member Restriction Form” listing all Restricted OCC Numbers and Authorized Users. A Clearing Member may elect to restrict one or more OCC clearing numbers that are registered in its name at OCC. The Clearing Member would be required to submit the Clearing Member Restriction Form to the Exchange’s Membership Department as described on the form. Once submitted, the Exchange requires ninety days before a Restricted OCC Number is effective within the System.

(2) *User Give Up Process for Restricted OCC Numbers.* A User desiring to give up a Restricted OCC Number must become an Authorized User. The Clearing Member will be required to authorize a User as described in subparagraph (1) or (3), unless the Restricted OCC Number is already subject to a Letter of Guarantee that the User is a party to.

(3) *Amendments to Authorized Users or Restricted OCC Numbers.* A Clearing Member may amend its Authorized Users or Restricted OCC Numbers by submitting a new Clearing Member Restriction Form to the Exchange’s Membership Department indicating the amendment as described on the form. Once a Restricted OCC Number is effective within the System pursuant to paragraph (1) above, the Exchange may permit the Clearing Member to authorize, or remove authorization for, a User to Give Up the Restricted OCC Number intra-day only in unusual circumstances, and on the next business day in all regular circumstances. The Exchange will promptly notify Users if they are no longer authorized to give up a Clearing Member’s Restricted OCC Number.

If a Clearing Member removes a Restricted OCC Number, any User may give up that OCC clearing number once the removal has become effective on or before the next business day, provided that the User has identified the Clearing Member as a Designated Give Up.

(d) *System.* The Exchange's trading systems shall only accept orders that identify an effective Designated Give Up or a Guarantor. For any Restricted OCC Number, the Exchange's trading systems will only accept orders for that number from an Authorized User that has also designated that Clearing Member as a Designated Give Up.

(e) *Notice.* The Exchange shall notify a Clearing Member, in writing and as soon as practicable, of each User that has identified the Clearing Member as a Designated Give Up pursuant to subparagraph (b)(3) above. The Exchange shall notify a User, in writing and as soon as practicable, of each Clearing Member that has identified the User as an Authorized User pursuant to subparagraph (c) above.

(f) *Other Give Up Changes.*

(1) *Give Up Changes Made by Executing User.* If the executing User has the ability through an Exchange system to do so, the User may change the give up on the trade to another Designated Give Up, provided it's an Authorized User for any Restricted OCC Number, or to its Guarantor. The ability of an executing User to make any give up change will end at the trade input cutoff time established by the Clearing Corporation (or fifteen minutes thereafter if the Exchange receives and is able to process a request to extend its time of final trade submission to the Clearing Corporation) ("Trade Date Cutoff Time").

(2) *Give Up Changes Made by Designated Give Up to Affiliates and Back Office Agents.* If a Designated Give Up has the ability through an Exchange system to do so, the Designated Give Up may change the give up on a trade to (A) another Clearing Member affiliated with the Designated Give Up or (B) a Clearing Member that is a back office agent for the Designated Give Up. The ability to make such a change will end at the Trade Date Cutoff Time.

(3) *Give Up Changes Made by Designated Give Ups or Guarantors and Clearing Members on T+1.* If a Designated Give Up (or Guarantor) and a Clearing Member have the ability through an Exchange system to do so, the Designated Give Up (or Guarantor) and Clearing Member may each enter trade records into the Exchange's systems on the next trading day ("T+1") that would effect a transfer of a trade in non-expired option series from that Designated Give Up (or Guarantor) to that Clearing Member. The ability to make such a change will end at 12:00 p.m. Eastern Time on T+1 ("T+1 Cutoff Time"). The Designated Give Up (or Guarantor) will notify the Exchange and all the parties to the trade, in writing, of any such change.

(g) *Responsibility.* For purposes of the Rules of the Exchange, a Clearing Member will be financially responsible for all trades for which it is the give up at the Applicable Cutoff Time. Nothing in this Rule will preclude a different party from being responsible for the trade outside of

the Rules of the Exchange pursuant to the Rules of the Options Clearing Corporation, any agreement between the applicable parties, other applicable rules and regulations, arbitration, court proceedings or otherwise. For purposes of this Rule, the “Applicable Cutoff Time” shall refer to the Cutoff Time for non-expiring option series and to the Trade Date Cutoff Time for expiring option series.

(h) Misuse. An intentional misuse of this Rule is impermissible, and may be treated as a violation of Rule 3.1.

Interpretations and Policies

.01 Nothing herein will be deemed to preclude the clearance of Exchange transactions by a non-User pursuant to the By-Laws of the Options Clearing Corporation so long as a Clearing Member who is a User is also designated as having responsibility under these Rules for the clearance of such transactions.
