Rule 21.1.   Definitions

* * * * *

(d)   The term "Order Type" shall mean the unique processing prescribed for designated orders, subject to the restrictions set forth in paragraph (l) below with respect to orders and bulk messages submitted through bulk ports, that are eligible for entry into the System. An Order Type applied to a bulk message applies to each bid and offer within that bulk message. Unless otherwise specified in the Rules or the context indicates otherwise, the Exchange determines which of the following Order Types are available on a class or system basis.

* * * * *

(f)   The term "Time in Force" shall mean the period of time that the System will hold an order, subject to the restrictions set forth in paragraph (l) below with respect to bulk messages submitted through bulk ports, for potential execution. A Time-in-Force applied to a bulk message applies to each bid and offer within that bulk message. Unless otherwise specified in the Rules or the context indicates otherwise, the Exchange determines which of the following Times-in-Force are available on a class or system basis.

        (1)   No change.

        (2)   "Immediate Or Cancel" or "IOC" shall mean, for an order so designated, a limit order that is to be executed in whole or in part as soon as such order is received. The portion not so executed immediately on the Exchange or another options exchange is cancelled and is not posted to the BZX Options Book. IOC limit orders that are not designated as Book Only Orders and that cannot be executed in accordance with Rule 21.8 on the System when reaching the Exchange will be eligible for routing away pursuant to Rule 21.9. Users may [not] designate bulk messages as IOC.

        (3)   "DAY" shall mean, for an order so designated, a limit order to buy or sell which, if not executed expires at market close. [All bulk messages have a Time in Force of DAY, as set forth in paragraph (l) below]Users may designate bulk messages as Day.

* * * * *

(l) *Port*. The term "port" includes the following types of ports:

(1)-(2) No change.

(3) A "bulk port" is a dedicated logical port that provides Users with the ability to submit:

    (A) bulk messages, subject to the following:

        (i) a bulk message has a Time-in-Force of Day or IOC;
