The Depository Trust Company

Operational Arrangements

VI. Reorganization Instructions/Notification Procedures

B. Proxy Related Procedures

2. Security Position Reports (“SPRs”)

DTC may provide to Issuers, Trustees and third parties authorized by the Issuer, listings of Participants’ holdings of **the Issuer** Securities ~~of such Issuers, Trustees or Agents~~, on a specific date for specific Securities by CUSIP number, known as SPRs. SPRs are also known as Security Position Listings (“SPLs”) and the terms may be used interchangeably. DTC charges a fee for providing SPRs. Information on SPR service options and pricing can be obtained on DTC’s website at <http://www.dtcc.com/products/asset/services/spr.php> www.dtcc.com/spr.

An Issuer must provide authorization annually for a third party agent to obtain access to an SPR with respect to Securities of such Issuer. Any authorization given to such a third party will remain in effect until revoked by the Issuer or upon the expiration of one year from the date of the authorization. Requests for SPRs and Agent authorizations are undertaken via DTC’s Proxy Service at <http://www.dtcc.com/products/asset/services/spr.php> www.dtcc.com/spr utilizing the SPR web-based function. All registration requests require submission of appropriate documentation.

For additional information regarding SPRs, contact DTC’s Proxy Unit at (212) 855-5191 or via e-mail at spr@dtcc.com.
