The ICE Deposit Rate (“IDR”) is calculated daily and applied to cash balances held at the close of business on the previous business day in respect of three currencies, US Dollar, Euro and Pound Sterling. It is calculated as follows: the net income earned on cash deposits (positive or negative) less a charge of 15.042.5 basis points (out of which the Clearing House shall cover external investment management expenses).

The IDR is an annualized fee that is calculated daily, accrued monthly, and credited to (or charged to, if applicable) Clearing Members on a monthly basis. The IDR is updated daily in ECS and published on a Daily Interest Rate Report distributed through MFT.

Ongoing review

The Board of the Clearing House has the right to review and amend any aspect of clearing and other fees and rates of return payable to Clearing Members. All rates will be published in accordance with the Rules.

The Board of the Clearing House expects to review the rates paid on Guaranty Fund contributions and margin deposits on at least an annual basis.
