7018. Nasdaq Market Center Order Execution and Routing

(a) The following charges shall apply to the use of the order execution and routing services of the Nasdaq Market Center by members for all securities priced at \$1 or more

that it trades. For purposes of determining a member's shares of liquidity routed, TFTY, MOPB, MOPP, SAVE, SOLV, CART, QDRK, QCST and directed orders are not counted. As used in this rule, the term "Consolidated Volume" shall mean the total consolidated volume reported to all consolidated transaction reporting plans by all exchanges and trade reporting facilities during a month, excluding executed orders with a size of less than one round lot. For purposes of calculating Consolidated Volume and the extent of a member's trading activity, expressed as a percentage of or ratio to Consolidated Volume, the date of the annual reconstitution of the Russell Investments Indexes shall be excluded from both total Consolidated Volume and the member's trading activity.

* A "Designated Retail Order" is agency or riskless principal order that originates from a natural person and is submitted to Nasdaq by a member that designates it pursuant to this rule, provided that no change is made to the terms of the order with respect to price or side of market and the order does not originate from a trading algorithm or any other computerized methodology. Members must submit a signed written attestation, in a form prescribed by Nasdaq, that they have implemented policies and procedures that are reasonably designed to ensure that every order designated by the member as a "Designated Retail Order" complies with these requirements. Orders may be designated on an order-by-order basis, or by designating all orders on a particular order entry port as Designated Retail Orders.
