**Section 118. Nasdaq Market Center Order Execution and Routing**

- (a) The following charges shall apply to the use of the order execution and routing services of the Nasdaq Market Center by members for all securities priced at \$1 or more that it trades. For purposes of determining a member's shares of liquidity routed, TFTY, MOPB, MOPP, SAVE, SOLV, CART, QDRK, QCST and directed orders are not counted. As used in this section, the term "Consolidated Volume" shall mean the total consolidated volume reported to all consolidated transaction reporting plans by all exchanges and trade reporting facilities during a month in equity securities, excluding executed orders with a size of less than one round lot. For purposes of calculating Consolidated Volume and the extent of a member's trading activity the date of the annual reconstitution of the Russell Investments Indexes shall be excluded from both total Consolidated Volume and the member's trading activity. For the purposes of calculating the extent of a member's trading activity during the month on Nasdaq and determining the charges and credits applicable to such member's activity, all M-ELO Orders that a member executes on Nasdaq during the month will count as liquidity-adding activity on Nasdaq.
