<p>[Pillar Port Transition Fee Pricing (applicable to both order/quote entry and drop copy ports)]</p>	<p>Billing months of July 2019 through February 2021 (“Transition Period”)</p> <p>During the Transition Period, the number of ports charged per member organization will be capped at the total number of such ports that the member organization has activated as of its June 2019</p>
--	--

	<p>invoice (“Transition Cap”). The Transition Cap pricing will be available until the earlier of (1) the end of the Transition Period, or (2) the billing month during which a member organization has fully transitioned to using only ports that communicate using Pillar phase II protocols. If during the Transition Period, a member organization increases the number of ports using Pillar phase I protocols above the Transition Cap, those ports will be charged at the rates identified above. If during the Transition Period, a member organization has a total number of ports below the Transition Cap, the member organization will be charged for the actual number of ports.</p> <p>Billing months of March 2021 through September 2021 (“Decommission Period”)</p> <p>During the Decommission Period, in addition to the port fees described above, a member organization will be charged a Decommission Extension Fee of \$1000 per port per month, increasing by</p>
--	---

	\$1000 per port for each month for any ports that communicate using Pillar phase I protocols. Ports that use Pillar phase I protocols will not be available beginning October 1, 2021.]
