Rule 6.67. Order Format and System Entry Requirements

(a) – (b) No change.

(c) *EOC Entry Requirement.* Every OTP Holder or OTP Firm that receives an order for execution on the Exchange must immediately, prior to representation in the trading crowd, record the details of the order (including any modification of the terms of the order or cancellation of the order) into the EOC, unless such order has been entered into the Exchange's other electronic order processing facilities (e.g., orders sent electronically through the Exchange's Member Firm Interface).

  (1) *EOC.* The details of each order required to be recorded upon receipt must include: (i) the option symbol, (ii) the expiration date, (iii) the exercise price, (iv) buy or sell and applicable limit or stop price or special instructions, (v) call or put, (vi) the quantity of contracts, [(vii) the name of the clearing OTP Holder or OTP Firm and (viii)]<u>and (vii)</u> such other information as may be required by the Exchange from time to time. The remaining elements prescribed in Rule 6.68(a) and any additional information with respect to the order shall be recorded <u>in the EOC</u> as the events occur and/or during trade reporting procedures which may occur after the representation and execution of the order.

(d) No change
