#### Rule 903. Series of Options Open for Trading

(a) – (h) No Change

#### *Commentary:*

**.01 - .08** No Change

**.09** Quarterly Options Series Program: The Exchange may list and trade options series that expire at the close of business on the last business day of a calendar quarter ("Quarterly Options Series"). The Exchange may list Quarterly Options Series for up to five (5) currently listed options classes that are either Stock Index Options or options on Exchange-Traded Fund Shares. In addition, the Exchange may also list Quarterly Options Series on any options classes that are selected by other securities exchanges that employ a similar program under their respective rules.

(a) – (c) No Change

(d) Additional Series. Additional Quarterly Options Series of the same class may be opened for trading on the Exchange when the Exchange deems it necessary to maintain an orderly market, to meet customer demand or when the market price of the underlying security moves substantially from the initial exercise price or prices. To the extent that any additional strike prices are listed by the Exchange, such additional strike prices shall be within thirty percent (30%) above or below the closing price of the underlying Exchange-Traded Fund Share as defined in Rule 900.2NY[(b)](24[42]) on the preceding day. The Exchange may also open additional strike prices of Quarterly Options Series in Exchange-Traded Fund Share options that are more than 30% above or below the current price of the underlying Exchange-Traded Fund Share provided that demonstrated customer interest exists for such series, as expressed by institutional, corporate or individual customers or their brokers. Specialists and registered options traders trading for their own account shall not be considered when determining customer interest under this provision. The opening of new Quarterly Options Series shall not affect the series of

options of the same class previously opened. [In addition to the initial listed series, the Exchange may list up to sixty (60) additional series per expiration month for each Quarterly Options Series in Exchange-Traded Fund Share options.]
