NYSE MKT LLC Company Guide

Part 1. Original Listing Requirements (§§ 101-146)

Sec. 146. Products and Services Available to Issuers

The Exchange offers all listed companies certain complimentary products through the Exchange's Market Access Center, as described on the Exchange's website. The Exchange also provides Eligible New Listings with complimentary Web-hosting products and services (with a commercial value of approximately \$16,000 annually), web-casting services (with a commercial value of approximately \$6,500 annually), whistleblower hotline services (with a commercial value of approximately \$4,000 annually), news distribution products and services (with a commercial value of approximately \$20,000 annually) and corporate governance tools (with a commercial value of approximately \$15,000 annually) for a period of 24 calendar months.

The period of complimentary products and services provided to Eligible New Listings begins on the date of listing on the Exchange. Notwithstanding the foregoing, however, if an Eligible New Listing begins to use a particular product or service provided for under this Section 146 within 30 days of its initial listing date, the complimentary period will begin on the date of first use.

Eligible New Listings may elect to receive some or all of the products and services for which they are eligible under this Section 146 and are under no obligation to accept any product or service for which they are eligible. For the purposes of this Section 146, the term "Eligible New Listing" means (i) any U.S. company that lists common stock on the Exchange for the first time and any non-U.S. company that lists an equity security on the Exchange under Section 101 or 110 of the Company Guide for the first time, regardless of whether such U.S. or non-U.S. company conducts an offering, (ii) any U.S. or non-U.S. company that transfers its listing of common stock or equity securities, respectively, to the Exchange from another national securities exchange and (iii) any U.S. or non-U.S. company emerging from a bankruptcy, spinoff (where a company lists new shares in the absence of a public offering), and carve-out (where a company carves out a business line or division, which then conducts a separate initial public offering). For purposes of Section 146, an "equity security" means common stock or common share equivalents such as ordinary shares, New York shares, global shares, American Depository Receipts, or Global Depository Receipts.
