- Specialists and Market Makers are subject to a "Monthly Market Maker Cap" of \$550,000 for: (i) electronic and floor Option Transaction Charges; (ii) QCC Transaction Fees (as defined in Exchange Rule 1080(o) and Floor QCC Orders, as defined in 1064(e)); and (iii) fees related to an order or quote that is contra to a PIXL Order or specifically responding to a PIXL auction. The trading activity of separate Specialist and Market Maker member organizations will be aggregated in calculating the Monthly Market Maker Cap if there is Common Ownership between the member organizations. All dividend, merger, short stock interest, reversal and conversion and jelly roll strategy executions (as defined in this Section II) will be excluded from the Monthly Market Maker Cap. In addition, Specialists or Market Makers that (i) are on the contra-side of an electronically-delivered and executed Customer order; and (ii) have reached the Monthly Market Maker Cap will be assessed a \$0.17 per contract fee.

- Firms are subject to a maximum fee of \$75,000 ("Monthly Firm Fee Cap"). Firm Floor Option Transaction Charges and QCC Transaction Fees, as defined in this section above, in the aggregate, for one billing month will not exceed the Monthly Firm Fee Cap per member organization when such members are trading in their own proprietary account. All dividend, merger, and short stock interest strategy executions (as defined in this Section II) will be excluded from the Monthly Firm Fee Cap. Reversal and conversion strategy and jelly roll executions (as defined in this Section II) will be included in the Monthly Firm Fee Cap. QCC Transaction Fees are included in the calculation of the Monthly Firm Fee Cap. Member organizations must notify the Exchange in writing of all accounts in which the member is not trading in its own proprietary account. The Exchange will not make adjustments to billing invoices where transactions are commingled in accounts which are not subject to the Monthly Firm Fee Cap.

[• Specialists and Market Makers that are contra to a Customer Penny Pilot Options Exchange Traded-Fund Floor Options transaction will be assessed a fee of \$0.25 per contract in addition to the Options Transaction Charge and the contra Customer order to the transaction will receive a rebate of \$0.25 per contract.]

- The Firm Floor Options Transaction Charges will be waived for members executing facilitation orders pursuant to Exchange Rule 1064 when such members are trading in their own proprietary account (including Cabinet Options Transaction Charges). The Firm Floor Options Transaction Charges will be waived for the buy side of a transaction if the same member or its affiliates under Common Ownership represents both sides of a Firm transaction when such members are trading in their own proprietary account.

- Proprietary orders of affiliates of member organizations (non-member organizations) that qualify for the Monthly Firm Fee Cap ("Qualifying Member Organization") effected for purposes of hedging the proprietary over-the-counter trading of the Qualifying Member Organization or its affiliates will be included in calculating the Monthly Firm Fee Cap. Member organizations must notify the Exchange in writing of the account(s) designated for purposes of hedging the proprietary over-the-counter trading of the Qualifying Member Organization or its affiliates. The Exchange would require member organizations to segregate other orders from that of its affiliates for those orders to be eligible for the Monthly Firm Fee Cap. The Exchange will not make adjustments to billing invoices where transactions are commingled in accounts which are not subject to the Monthly Firm Fee Cap.
