F-27 Options Exchange Official Rulings

Options Exchange Officials are empowered to render rulings on the trading floor to resolve trading disputes occurring on and respecting activities on the trading floor. All rulings rendered by Options Exchange Officials are effective immediately and must be complied with promptly. Failure to promptly comply with a ruling concerning a trading dispute may result in referral to the Business Conduct Committee. Failure to promptly comply with other rulings issued pursuant to Order and Decorum Regulations or Floor Procedure Advices and not concerning a trading

dispute may result in an additional violation. Options Exchange Officials need not render decisions in any instance where the request for a ruling was not made within a reasonable period of time. An Options Exchange Official should not render a decision or authorize a citation where such Options Exchange Official was involved in or affected by the dispute, as well as in any situation where the Options Exchange Official is not able to objectively and fairly render a decision.

Options Exchange Officials shall endeavor to be prompt in rendering decisions. However, in any instance where an Options Exchange Official has determined that the benefits of further discovery as to the facts and circumstances of any matter under review outweigh the monetary risks of a delayed ruling, the Options Exchange Official may determine to delay rendering the ruling until such time as that further discovery is completed. In issuing decisions for the resolution of trading disputes, Options Exchange Officials shall institute the course of action deemed by the ruling Options Exchange Official to be more fair to all parties under the circumstances at the time. An Options Exchange Official may direct the execution of an order on the floor, or adjust the transaction terms or participants to an executed order on the floor. However, an Options Exchange Official may nullify a transaction if they determine the transaction to have been in violation of Rule [Rules] 1014 (Obligations and Restrictions Applicable to Specialists and Registered Options Traders)[, Rule 1017 (Openings In Options),] or Rule 1033 (Bids And Offers- Premium) [or Rule 1080 (Phlx XL and Phlx XL II)].

Exchange staff may determine that an Options Exchange Official is ineligible to participate in a particular ruling where it appears that such Options Exchange Official has a conflict of interest. For purposes of this Rule, and without limitation, a conflict of interest exists where an Options Exchange Official: (a) is directly or indirectly affiliated with a party seeking an Options Exchange Official ruling; (b) is a participant or is directly or indirectly affiliated with a participant in a transaction that is the subject of an Options Exchange Official ruling; (c) is a debtor or creditor of a party seeking an Options Exchange Official ruling; or (d) is an immediate family member of a party seeking an Options Exchange Official ruling. Exchange staff may consider other circumstances, on a case-by-case basis, in determining the eligibility or ineligibility of a particular Options Exchange Official to participate in a particular ruling due to a conflict of interest.

All Options Exchange Official rulings concerning the adjustment and nullification of transactions are reviewable by the Market Operations Review Committee.
