[ELECTRONIC COMPLEX ORDER EXECUTIONS ^{10,11}	Customer (excluding Professional Customer): \$0.00	
	All Others:	
	Complex Order to	\$0.05 per contract side
	Complex Order	
	Complex Order to	\$0.05 per contract side

Complex Order, same
firm representing both
sides

Complex Orders executed against individual orders
in the Consolidated Book will be subject to Standard
Execution rate per contract.]

⁵ Specialist, e-Specialist, and Market Maker (both Directed and non-Directed) fees will be aggregated and capped at \$350,000 per month plus an incremental service fee of \$.01 per contract for all Specialist, e-Specialist and Market Maker volume executed in excess of 3,500,000 contracts per month, except for the execution of an Electronic Complex Order, or the execution of a QCC order against a non-Customer, in which case the incremental service fee is \$.05, [and] or the execution of a QCC order against a Customer, in which case the incremental service fee is \$.10. Any fees or volume associated with a Strategy Trade (reversals and conversions, dividend spreads, box spreads, short stock interest spreads, merger spreads, and jelly rolls) will not be counted towards either the \$350,000 cap, or the volume threshold of 3,500,000 contracts. Royalty Fees will continue to be charged and do not count toward the \$350,000 fee cap. [Complex Order fees will count toward both the \$350,000 and the 3,500,000 thresholds but will not themselves be capped.]
