<b>File No. 500-1</b>	:	

---

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Valmie Resources, Inc. (CIK No. 0001545447) because of questions regarding the accuracy and adequacy of publicly available information, in its registration statements, as amended, and periodic and annual reports filed with the Commission, about the company since at least March 17, 2015, regarding (i) the identity of individuals who control entities offering shares of Valmie Resources, Inc. in registered secondary offerings; and (ii) possible undisclosed current controlling persons. Valmie Resources, Inc. is a Nevada corporation whose current principal place of business is in Houston, TX. Its stock is quoted on OTC Link LLC, operated by OTC Markets Group, Inc., under the ticker symbol VMRI.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

THEREFORE, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT, on May 5, 2017 through 11:59 p.m. EDT on May 18, 2017.

By the Commission.
