received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(1) Purpose – Currently, Rule 2113 provides that the Exchange will not execute a short sale order below the price at which the last sale was effected on the Exchange. The purpose of this filing is to amend ISE Rule 2113 (Long and Short Sales) to conform its language to Rule 10a-1(a)(1)(i) promulgated under the Act, whereby the Exchange will not execute a short sale order below the price at which the last sale was reported pursuant to an effective transaction reporting plan, as defined in Rule 242.600 under the Act.

(2) Basis – The basis under the Act for this proposed rule change is found in Section 6(b)(5). Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(5) requirements that the rules of an exchange be designed to promote just and equitable principles of trade, serve to remove impediments to and perfect the mechanism for a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

Within 35 days of the date of publication of this notice in the Federal Register or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (a) by order approve such proposed rule change; or
