from the publication of notice of filing of this proposed rule change is July 21, 2012. The Commission is extending the 45-day time period.

The Commission finds that it is appropriate to designate a longer period within which to take action on this proposed rule change. In particular, extension of time will ensure the Commission has sufficient time to consider the Exchange's proposal in light of, among other things, the comments received on the proposal. The extension of time also will allow the Commission sufficient time to consider any responses to the comments.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁶ designates September 4, 2012, as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, this proposed rule change.
