Good Morning: This is Arthur Viola - Principal. responding to order To Show Cause.

I do NOT consent to revoking.

I did not respond in the requested time because of serious life threatening health issues.

Those issues are resolved now, I have every intention of moving forward.

I am actively looking at startup as well as acquisition/restructuring deals that I have already spoken on with private equity and asset based lenders. Working capital to bring Daniels Corporate Advisory current in reporting has already been discussed.

I am requesting additional time to bring everything forward because of extenuating circumstances- my health issues. Now, that I am fine, I am receiving interest from parties in moving forward with me. We are accessing deals.

PS: I can't file electronically. I will be forwarding by email and Federal Express.

Please accept today's detailed email and soon to send Fed-Ex as my response to the August 6, 2025 deadline.

Arthur D.Viola
