ORDER SCHEDULING HEARING
AND DESIGNATING PRESIDING
JUDGE

The above refers:

Dear Sir/Madam,

As refers above and in representation of GBS COM-TECH CORPORATION (CIK No. 829084), I Rev. G. Bolanle SHONEKAN within my position as the Chairman/CEO of the company hereby make the following statement:

That I had been away outside of the United States of America in pursuit of new business for the Company since December 8th 2005 and to answer the call to serve GOD in a new capacity as the Head of Celestial Church of Christ, a 25 million member church worldwide.

The new business for the company pertains to the establishment of Free-market, Capital-market, Federal Reserve banking system and Development of Basic Infrastructures for the entire continent of Africa, which my new position had been very instrumental and influential. Since the new

business had not commence but close to fruition and to avoid any speculation that may violate the US SEC Rules of Procedures, which had resulted in delays of periodical filings as I could not hold back any material facts.

My new position as a Church Leader had been a subject of assassination attempt on my life that my US Congressman from 4th District, Florida, Hon. Ander CRENSHAW had to intervene vide a letter dated January 4th 2006 and attached herein as "Appendix A".

Due to my recent absence in the country, I had not been duly served as refers to the above mentioned matter and I would like to be granted the privilege to receive the process service via my e-mail address: [REDACTED] so I may schedule date and time for a prehearing conference which will be conducted telephonically as I am not due to return to US soonest as the Company's new business opportunity regarding "Economic Reconstruction and Development of Basic Infrastructure Plan for Nigeria, Economic Community of West African States (ECOWAS) and Africa had been presented before the Nigeria National Assembly in form of a Bill to be passed into law. And more so that, an ongoing legal proceedings is in progress regarding the church leadership since 2006 with pretrial conference ending in October 2013.

I was privileged to get the information about the scheduled hearing for August 30th 2013 with the Administrative Law Judge when I was divinely directed to conduct a Google Search on GBS Com-Tech Corporation yesterday, the 26th of August 2013 that I was aware of the proceedings. Due to time constrain and distance, I am left with this option to contact the Administrative Law Judge via this missive as I had be behind in responding formally and without consulting an Attorney for consultation, not knowing my faith but relying gratefully on the commonsense judgment of Hon. Justice Cameron Elliot.

As a concern American who knows the value of our Capital Market System and contributive to exporting our great capital market driven economic system to the Continent of Africa, mainly to help boost our economy. My company's shareholders were kept at heart, while I must guide against providing information that may been seen as speculative until it is surely a done deal, that now resulted in delinquency in periodic filings.

It has been a long process and rewarding exercise for my company, the entire African Continent, United States of America and the Global Community economies as supported by the following "Appendixes B, C, D and E" attached herein, which would bring economic reform to Africa an all new trading forum for US products and goods.

I will be grateful if my request could be granted as I pledge to give my utmost cooperation to the Honorable Administrative Law Judge in this matter.

Thanks and God bless. . . 08/27/2013

Dear Mr. Browne:

It has come to my attention that an American citizen and one of my constituents Reverend G. Bolanle Shonekan suffered an incident in Imeko, Nigeria, on December 24, 2005, and I write to seek your assistance in this matter.

Based on the information provided to me, Reverend G. Bolanle Shonekan, the Pastor and Supreme Evangelist of the Celestial Church of Christ Nigeria Diocese, is presently in or near Lagos. According to the details conveyed to my office, Reverend G. Bolanle Shonekan was mobbed by thugs, who he believes were hired by the defunct board of trustees of his church. The Reverend believes that the attack was an assassination attempt. He says the issue involving the church is being resolved in the court in Nigeria. Reverend Shonekan credits the actions of the Director of State Security Service in Ogun State, who alerted the Commissioner of Police, with thwarting the attempt.

It is my understanding that Reverend Shonekan may decide to contact you, and I respectfully request that you assist him in a manner that is accorded to American citizens in Nigeria. Any assistance that you can provide to the Reverend to insure his safety would be greatly appreciated.

Thank you for your attention to this matter and for the work that you do for Americans in Nigeria.

Sincerely,
