Re: Freedom of Information Act (FOIA), 5 U.S.C. § 552  
Request No. 17-03536-FOIA

Dear Ms. Eaglesham:

This letter is in response to your request, dated and received in this office on August 8, 2017, for a variety of records maintained by the SEC during the period from December 1, 2016 through August 8, 2017. Because your request included multiple subjects, a separate FOIA control number was assigned to each. This is in response to your request for all communications between individuals with an email address containing "@palantir.com" and any SEC officials (17-03536-FOIA).

By letter dated September 12, 2017, we advised you that due to the large volume of potentially responsive records, your request would have to be processed in our First-in, First-out (FIFO) track. In response, you called me that afternoon to narrow the scope of your request to include only communications with individuals in the Chairman's Office. You confirmed this telephone conversation by email on the same day.

Based on the information you provided in your letter, we conducted a thorough search of the SEC's various systems of records, but did not locate or identify any information responsive to your request.

If you still have reason to believe that the SEC maintains the type of information you seek, please provide us with additional information, which could prompt another search. Otherwise, we conclude that no responsive information exists and we consider this request to be closed.
