Re: Freedom of Information Act (FOIA), 5 U.S.C. § 552
Request No. **18-02440-FOIA**

Dear Ms. Hewlett:

This letter is in response to your request, dated and received in this office on July 11, 2018, for information regarding American Clinical Laboratory Association registration, 8K and 10K filings including any exempt status of registration as a non-profit organization.

On July 19, 2018 and July 24, 2018, we sent you an email requesting that you provide us with a timeframe for search purposes. On July 30, 2018, you responded back with a timeframe of the year 1971, and if no records were found you requested the year 1999.

Based on the information you provided in your letter and your response email, we conducted a thorough search of the SEC's various systems of records, but did not locate or identify any information responsive to your request.

If you still have reason to believe that the SEC maintains the type of information you seek, please provide us with additional information, which could prompt another search. Otherwise, we conclude that no responsive information exists and we consider this request to be closed.

You have the right to appeal the adequacy of our search or finding of no responsive information to the SEC's General Counsel under 5 U.S.C. § 552(a)(6), 17 CFR § 200.80(f)(1). The appeal must be received within ninety (90) calendar days of the date of this adverse decision. Your appeal must be in writing, clearly marked "Freedom of Information Act Appeal," and should identify the requested records. The appeal may include facts and authorities you consider appropriate.
