FORM NRSRO INSTRUCTIONS

A. GENERAL INSTRUCTIONS.

1. Form NRSRO is the Application for Registration as a Nationally Recognized Statistical Rating Organization (“NRSRO”) under Section 15E of the Securities Exchange Act of 1934 (“Exchange Act”) and Exchange Act Rule 17g-1. Exchange Act Rule 17g-1 requires an Applicant/NRSRO to use Form NRSRO to furnish the U.S. Securities and Exchange Commission (“Commission”) with:
 - An initial application to be registered as an NRSRO;
 - An application to register for an additional class of credit ratings;
 - An application supplement;
 - An update of registration pursuant to Section 15E(b)(1) of the Exchange Act;
 - An annual certification pursuant to Section 15E(b)(2) of the Exchange Act; and
 - A withdrawal of registration pursuant to Section 15E(e) of the Exchange Act.
2. Exchange Act Rule 17g-1(c) requires that an Applicant/NRSRO promptly provide the Commission with a written notice if information submitted to the Commission in an initial application for registration or in an application to register for an additional class of credit ratings is found to be or becomes materially inaccurate before the Commission has granted or denied the application. The notice must identify the information found to be materially inaccurate. The Applicant/NRSRO must also promptly furnish the Commission with accurate and complete information as an application supplement on Form NRSRO.
3. Pursuant to Exchange Act Rule 17g-1(i), an NRSRO must make its current Form NRSRO and information and documents furnished in Exhibits 1 through 9 to Form NRSRO publicly available on its Web site, or through another comparable, readily accessible means within 10 business days after the date of the Commission Order granting an initial application for registration as an NRSRO or an application to register for an additional class of credit ratings and within 10 business days after submitting an update of registration, annual certification, or withdrawal from registration to the Commission on Form NRSRO. The certifications from qualified institutional buyers, disclosure reporting pages, and Exhibits 10 through 13 are not required to be made publicly available by the NRSRO pursuant to Rule 17g-1(i). An Applicant/NRSRO may request that the Commission keep confidential the certifications from qualified institutional buyers, the disclosure reporting pages, and the information and documents in Exhibits 10 – 13 submitted to the Commission. An Applicant/NRSRO seeking confidential treatment for these submissions should mark each page “Confidential Treatment” and comply with Commission rules governing confidential

treatment (See 17 CFR 200.80 and 17 CFR 200.83). The Commission will keep this information confidential to the extent permitted by law.

4. Section 15E(a)(2) of the Exchange Act prescribes time periods and requirements for the Commission to grant or deny an initial application for registration as an NRSRO. These time periods also apply to an application to register for an additional class of credit ratings.
5. Type or clearly print all information. Use only the current version of Form NRSRO or a reproduction of it.
6. Section 15E of the Exchange Act (15 U.S.C. 78o-7) authorizes the Commission to collect the Information on Form NRSRO from an Applicant/NRSRO. The principal purposes of Form NRSRO are to determine whether an Applicant should be granted registration as an NRSRO, whether an NRSRO should be granted registration in an additional class of credit ratings, whether an NRSRO continues to meet the criteria for registration as an NRSRO, to withdraw a registration, and to provide information about an NRSRO to users of credit ratings. Intentional misstatements or omissions may constitute federal criminal violations under 18 U.S.C. 1001.

The information collection is in accordance with the clearance requirements of Section 3507 of the Paperwork Reduction Act of 1995 (44 U.S.C. 3507). The Commission may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a valid Office of Management and Budget (OMB) control number. The time required to complete and furnish this form will vary depending on individual circumstances. The estimated average time to complete an initial application is displayed on the facing page of this Form. Send comments regarding this burden estimate or suggestions for reducing the burden to Director, Office of Information Technology, Securities and Exchange Commission, 100 F Street, NE, Washington, DC 20549.

7. Under Exchange Act Rule 17g-2(b)(10), an NRSRO must retain copies of all Form NRSROs (including Exhibits, accompanying information, and documents) submitted to the Commission. Exchange Act Rule 17g-2(c) requires that these records be retained for three years after the date the record is made.
8. ADDRESS - The mailing address for Form NRSRO is:
U. S. Securities and Exchange Commission
100 F Street, NE
Washington, DC 20549
9. A Form NRSRO will be considered furnished to the Commission on the date the Commission receives a complete and properly executed Form NRSRO that follows all applicable instructions for the Form.

E. INSTRUCTIONS FOR AN UPDATE OF REGISTRATION

After registration is granted, Section 15E(b)(1) of the Exchange Act requires that an NRSRO must promptly amend its application for registration if information or documents provided in the previously furnished Form NRSRO become materially inaccurate. This requirement does not apply to Item 7 and Exhibit 1, which only are required to be updated annually with the annual certification. It also does not apply to Exhibits 10 – 13 and the certifications from qualified institutional buyers, which are not required to be updated on Form NRSRO after registration. An NRSRO amending its application for registration must furnish the Commission with an update of its registration on Form NRSRO. To complete an update of registration:

G. INSTRUCTIONS FOR A WITHDRAWAL FROM REGISTRATION

Section 15E(e)(1) of the Exchange Act provides that an NRSRO may voluntarily withdraw its registration with the Commission. To withdraw from registration, an NRSRO must furnish the Commission with a notice of withdrawal from registration on Form NRSRO. The withdrawal from registration will become effective 45 calendar days after the withdrawal from registration is furnished to the Commission upon such terms and

conditions as the Commission may establish as necessary in the public interest or for the protection of investors. To complete a withdrawal from registration:

- Check the “WITHDRAWAL FROM REGISTRATION” box at the top of Form NRSRO.

H. INSTRUCTIONS FOR SPECIFIC LINE ITEMS

Item 1A. Provide the name of the person (e.g., XYZ Corporation) that is furnishing the Form NRSRO to the Commission. This means the name of the person that is applying for registration as an NRSRO or is registered as an NRSRO and not the name of the individual that is executing the Form.

Item 1E. The individual listed as the contact person must be authorized to receive all communications and papers from the Commission and must be responsible for their dissemination within the Applicant/NRSRO.

Certification. The certification must be executed by the Chief Executive Officer or the President of the person that is furnishing the Form NRSRO to the Commission or an individual with similar responsibilities.

Item 3. Identify credit rating affiliates that issue credit ratings on behalf of the person furnishing the Form NRSRO to the Commission in one or more of the classes of credit ratings identified in Item 6 or Item 7. A “credit rating affiliate” is a separate legal entity or a separately identifiable department or division thereof that determines credit ratings that are credit ratings of the person furnishing the Form NRSRO to the Commission. The information in Items 4 – 8 and all the Exhibits must incorporate information about the credit ratings, methodologies, procedures, policies, financial condition, results of operations, personnel, and organizational structure of each credit rating affiliate identified in Item 3, as applicable. Any credit rating determined by a credit rating affiliate identified in Item 3 will be treated as a credit rating issued by the person furnishing the Form NRSRO to the Commission for purposes of Section 15E of the Exchange Act and the Commission’s rules thereunder. The terms “Applicant” and “NRSRO” as used on Form NRSRO and the Instructions for the Form mean the person furnishing the Form NRSRO to the Commission and any credit rating affiliate identified in Item 3.

Item 4. Section 15E(j) of the Exchange Act requires an NRSRO to designate a compliance officer responsible for administering the policies and procedures of the NRSRO established pursuant to Sections 15E(g) and (h) of the Exchange Act (respectively, to prevent the misuse of material nonpublic information and address and manage conflicts of interest) and for ensuring compliance with applicable securities laws, rules, and regulations.

Item 5. Section 15E(a)(3) of the Exchange Act and Exchange Act Rule 17g-1(i) require an NRSRO to make Form NRSRO and Exhibits 1 – 9 to Form NRSRO furnished to the Commission publicly available on the NRSRO's Web site, or through another comparable, readily accessible means within 10 business days after the date of the Commission order granting an initial application for registration as an NRSRO or an application to register for an additional class of credit ratings and within 10 business days after furnishing the Commission with an amendment, annual certification, or withdrawal of registration on Form NRSRO. The certifications from qualified institutional investors, Disclosure Reporting Pages, and Exhibits 10 through 13 are not required to be made publicly available on the NRSRO's Web site, or through another comparable, readily accessible means. Describe how the current Form NRSRO and Exhibits 1 – 9 will be made publicly available. If they will be posted on a Web site, for example, give the Internet address and link to the Form and Exhibits.

Item 6. Complete Item 6 only if furnishing an initial application for registration, an application to be registered in an additional class of credit ratings, or an application supplement.

Item 6A. Pursuant to Section 15E(a)(1)(B)(vii) of the Exchange Act, an Applicant applying for registration as an NRSRO must disclose in the application the classes of credit ratings for which the Applicant/NRSRO is applying to be registered. Indicate these classes by checking the appropriate box or boxes. For each class of credit ratings, provide in the appropriate box the approximate number of credit ratings the Applicant/NRSRO presently has outstanding as of the date of the application. Pursuant to the definition of "nationally recognized statistical rating organization" in Section 3(a)(62) of the Exchange Act, an Applicant/NRSRO must have been in business as a "credit rating agency" for at least the 3 consecutive years immediately preceding the date of its application for registration as an NRSRO. For each class of credit ratings, also provide in the appropriate box the approximate date the Applicant/NRSRO began issuing and making readily accessible credit ratings in the class on a continuous basis through the present as a "credit rating agency," as that term is defined in Section 3(a)(61) of the Exchange Act. If there was a period when the Applicant/NRSRO stopped issuing credit ratings in a particular class or stopped operating as a credit rating agency, provide the approximate date the Applicant/NRSRO resumed issuing and making readily accessible credit ratings in that class as a credit rating agency. Refer to the definition of "credit rating agency" in the instructions below (also at 15 U.S.C. 78c(a)(61)) to determine when the Applicant/NRSRO began operating as a "credit rating agency."

Item 6B. To meet the definition of "credit rating agency" pursuant to Section 3(a)(61)(A) of the Exchange Act, the Applicant must, among other things, issue "credit ratings on the Internet or through another readily accessible means, for free or for a reasonable fee." Briefly describe how the Applicant/NRSRO makes the credit ratings in the classes indicated in Item 6A readily accessible for free or for a reasonable fee. If a person must pay a fee to obtain

a credit rating made readily accessible by the Applicant/NRSRO, provide a fee schedule or describe the price(s) charged.

Item 6C. If the Applicant/NRSRO is required to furnish qualified institutional buyer certifications, under Section 15E(a)(1)(C) of the Exchange Act, submit a minimum of 10 certifications from qualified institutional buyers, none of which is affiliated with the Applicant/NRSRO. Each certification may address more than one class of credit ratings. To be registered as an NRSRO for a class of credit ratings identified in Item 6A under “Applying for Registration,” the Applicant/NRSRO must submit at least two certifications that address the class of credit ratings. If this is an application of an NRSRO to be registered in one or more additional classes of credit ratings, furnish at least two certifications that address each additional class of credit ratings.

The required certifications must be signed by a person duly authorized by the certifying entity, must be notarized, must be marked “Certification from Qualified Institutional Buyer,” and must be in substantially the following form:

“I, [Executing official], am authorized by [Certifying entity] to execute this certification on behalf of [Certifying entity]. I certify that all actions by stockholders, directors, general partners, and other bodies necessary to authorize me to execute this certification have been taken and that [Certifying entity]:

- (i) Meets the definition of a ‘qualified institutional buyer’ as set forth in section 3(a)(64) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(64)) pursuant to the following subsection(s) of 17 CFR 230.144A(a)(1) [insert applicable citations];
- (ii) Has seriously considered the credit ratings of [the Applicant/NRSRO] in the course of making some of its investment decisions for at least the three years immediately preceding the date of this certification, in the following classes of credit ratings: [Insert applicable classes of credit ratings]; and
- (iii) Has not received compensation either directly or indirectly from [the Applicant/NRSRO] for executing this certification.

Print Name and Title

You are not required to make a Certification from a Qualified Institutional Buyer submitted with this Form NRSRO publicly available on your Web site, or through another comparable, readily accessible means pursuant to Exchange Act Rule 17g-1(i). You may request that the Commission keep these certifications confidential by marking each page “Confidential Treatment” and complying with Commission rules governing confidential treatment (See 17 CFR 200.80 and 17 CFR 200.83). The Commission will keep the certifications confidential upon request to the extent permitted by law.

Item 7. An Applicant furnishing Form NRSRO to apply for registration as an NRSRO should not complete Item 7. An NRSRO furnishing Form NRSRO for any other reason must complete Item 7. The information in Item 7 must be updated on an annual basis with the furnishing of the annual certification.

Item 7A. Indicate the classes of credit ratings for which the NRSRO is currently registered by checking the appropriate box or boxes. For each class of credit ratings, provide in the appropriate box the approximate number of credit ratings the NRSRO had outstanding as of the end of the most recently ended calendar year. For each class of credit ratings, also provide in the appropriate box the approximate date the NRSRO began issuing and making readily accessible credit ratings in the class on a continuous basis through the present as a “credit rating agency,” as that term is defined in Section 3(a)(61) of the Exchange Act. If there was a period when the NRSRO stopped issuing credit ratings in a particular class or stopped operating as a credit rating agency, provide the approximate date the NRSRO resumed issuing and making readily accessible credit ratings in that class as a credit rating agency. Refer to the definition of “credit rating agency” in the instructions below (also at 15 U.S.C. 78c(a)(61)) to determine when the NRSRO began operating as a “credit rating agency.”

Item 7B. Briefly describe how the NRSRO makes the credit ratings in the classes indicated in Item 7A readily accessible for free or for a reasonable fee. If a person must pay a fee to obtain a credit rating made readily accessible by the NRSRO, provide a fee schedule or describe the price(s) charged.

Item 8. Answer each question by checking the appropriate box. Refer to the definition of “person within an Applicant/NRSRO” set forth below to determine the persons to which the questions apply. Information that relates to an affirmative answer must be provided on a Disclosure Reporting Page (NRSRO) and furnished with Form NRSRO. Submit a separate Disclosure Reporting Page (NRSRO) for each person that: (a) has committed or omitted any act, or has been subject to an order or finding, enumerated in subparagraphs (A), (D), (E), (G), or (H) of section 15(b)(4) of the Securities Exchange Act of 1934, has been convicted of any offense specified in section 15(b)(4)(B) of the Securities Exchange Act of 1934, or has been enjoined from any action, conduct, or practice specified in section 15(b)(4)(C) of the Securities Exchange Act of 1934; (b) has been convicted of any crime that is punishable by imprisonment for 1 or more years, and that is not described in section 15(b)(4) of the Securities Exchange Act of 1934, or has been convicted of a substantially equivalent crime by a foreign court of competent jurisdiction; or (c) is subject to any order of the Commission barring or suspending the right of the person to be associated with an NRSRO. The Disclosure Reporting Page (NRSRO) is attached to these instructions. Note: the definition of “person within an Applicant/NRSRO” is narrower than the definition of “person associated with a nationally recognized statistical rating organization” in Section 3(a)(63) of the Exchange Act.

You are not required to make any disclosure reporting pages submitted with this Form NRSRO publicly available on your Web site, or through another comparable, readily accessible means pursuant to Exchange Act Rule 17g-1(i). You may request that the Commission keep any disclosure reporting pages confidential by marking each page “Confidential Treatment” and complying with Commission rules governing confidential treatment. The Commission will keep the disclosure reporting pages confidential upon request to the extent permitted by law.

Item 9. Exhibits. Section 15E(a)(1)(B) of the Exchange Act requires a credit rating agency’s application for registration as an NRSRO to contain certain specific information and documents and, pursuant to Section 15E(a)(1)(B)(x), any other information and documents concerning the applicant and any person associated with the applicant that the Commission requires as necessary or appropriate in the public interest or for the protection of investors. If any information or document required to be included with any Exhibit is maintained in a language other than English, provide a copy of the original document and a version of the document translated into English. Attach a certification by an authorized person that the translated version is a true, accurate, and complete English translation of the information or document. Attach the Exhibits to Form NRSRO in numerical order. Bind each Exhibit separately, and mark each Exhibit or bound volume of the Exhibit with the appropriate Exhibit number. The information provided in the Exhibits must be sufficiently detailed to allow for verification. The information and documents provided in Exhibits 1 through 9 must be made publicly available on the NRSRO’s Web site, or through another comparable, readily accessible means pursuant to Exchange Act Rule 17g-1(i). The information and documents required to be provided in Exhibits 10 through 13 are not required to be made publicly available on the NRSRO’s Web site, or through another comparable, readily accessible means pursuant to Exchange Act Rule 17g-1(i). An NRSRO may request that the Commission keep these Exhibits confidential by marking each page of them “Confidential Treatment” and complying with Commission rules governing confidential treatment (See 17 CFR 200.80 and 17 CFR 200.83). The Commission will keep the information and documents in these Exhibits confidential upon request to the extent permitted by law.

Exhibit 1. Provide in this Exhibit performance measurement statistics of the credit ratings of the Applicant/NRSRO, including performance measurement statistics of the credit ratings separately for each class of credit rating for which the Applicant/NRSRO is seeking registration or is registered (as indicated in Item 6 and/or 7 of Form NRSRO). For the purposes of this Exhibit, an Applicant/NRSRO registered in the class of credit ratings described in Section 3(a)(62)(B)(iv) of the Act (15 U.S.C. 78c(a)(62)(B)(iv)) must include credit ratings of any security or money market instrument issued by an asset pool or as part of any asset-backed or mortgage-backed securities transaction for purposes of reporting the performance measurement statistics for this class. In addition, the class of government securities should be separated into

three additional classes: sovereigns, United States public finance, and international public finance. The performance measurement statistics must at a minimum show the performance of credit ratings in each class over 1 year, 3 year, and 10 year periods (as applicable) through the most recent calendar year-end, including, as applicable: historical ratings transition and default rates within each of the credit rating categories, notches, grades, or rankings used by the Applicant/NRSRO as an indicator of the assessment of the creditworthiness of an obligor, security, or money market instrument in each class of credit rating. The default statistics must include defaults relative to the initial rating. As part of this Exhibit, define the credit rating categories, notches, grades, and rankings used by the Applicant/NRSRO and explain the performance measurement statistics, including the inputs, time horizons, and metrics used to determine the statistics. If the Applicant/NRSRO is required to make and keep publicly available on its corporate Internet Web site in an XBRL (eXtensible Business Reporting Language) format a sample of ratings action information pursuant to the requirements of 17 CFR 240.17g-2(d), provide in this Exhibit the Web site address where this information is, or will be, made publicly available.

Exhibit 2. Provide in this Exhibit a general description of the procedures and methodologies used by the Applicant/NRSRO to determine credit ratings, including unsolicited credit ratings within the classes of credit ratings for which the Applicant/NRSRO is seeking registration or is registered. The description must be sufficiently detailed to provide users of credit ratings with an understanding of the processes employed by the Applicant/NRSRO in determining credit ratings, including, as applicable, descriptions of: policies for determining whether to initiate a credit rating; a description of the public and non-public sources of information used in determining credit ratings, including information and analysis provided by third-party vendors; whether and, if so, how information about verification performed on assets underlying or referenced by a security or money market instrument issued by an asset pool or as part of any asset-backed or mortgage-backed securities transaction is relied on in determining credit ratings; the quantitative and qualitative models and metrics used to determine credit ratings, including whether and, if so, how assessments of the quality of originators of assets underlying or referenced by a security or money market instrument issued by an asset pool or as part of any asset-backed or mortgage-backed securities transaction factor into the determination of credit ratings; the methodologies by which credit ratings of other credit rating agencies are treated to determine credit ratings for securities or money market instruments issued by an asset pool or as part of any asset-backed or mortgaged-backed securities transaction; the procedures for interacting with the management of a rated obligor or issuer of rated securities or money market instruments; the structure and voting process of committees that review or approve credit ratings; procedures for informing

rated obligors or issuers of rated securities or money market instruments about credit rating decisions and for appeals of final or pending credit rating decisions; procedures for monitoring, reviewing, and updating credit ratings, including how frequently credit ratings are reviewed, whether different models or criteria are used for ratings surveillance than for determining initial ratings, whether changes made to models and criteria for determining initial ratings are applied retroactively to existing ratings, and whether changes made to models and criteria for performing ratings surveillance are incorporated into the models and criteria for determining initial ratings; and procedures to withdraw, or suspend the maintenance of, a credit rating. An Applicant/NRSRO may provide in Exhibit 2 the location on its Web site where additional information about the procedures and methodologies is located.

Exhibit 3. Provide in this Exhibit a copy of the written policies and procedures established, maintained, and enforced by the Applicant/NRSRO to prevent the misuse of material, nonpublic information pursuant to Section 15E(g) of the Exchange Act and 17 CFR 240.17g-4. Do not include any information that is proprietary or that would diminish the effectiveness of a specific policy or procedure if made publicly available.

Exhibit 4. Provide in this Exhibit information about the organizational structure of the Applicant/NRSRO, including, as applicable, an organizational chart that identifies, as applicable, the ultimate and sub-holding companies, subsidiaries, and material affiliates of the Applicant/NRSRO; an organizational chart showing the divisions, departments, and business units of the Applicant/NRSRO; and an organizational chart showing the managerial structure of the Applicant/NRSRO, including the designated compliance officer identified in Item 4.

Exhibit 5. Provide in this Exhibit a copy of the written code of ethics the Applicant/NRSRO has in effect or a statement of the reasons why the Applicant/NRSRO does not have a written code of ethics in effect.

Exhibit 6. Identify in this Exhibit the types of conflicts of interest relating to the issuance of credit ratings by the Applicant/NRSRO that are material to the Applicant/NRSRO. First, identify the conflicts described in the list below that apply to the Applicant/NRSRO. The Applicant/NRSRO may use the descriptions below to identify an applicable conflict of interest and is not required to provide any further details. Second, briefly describe any other type of conflict of interest relating to the issuance of credit ratings by the Applicant/NRSRO that is not covered in the descriptions below that is material to the Applicant/NRSRO (for example, one the Applicant/NRSRO has established specific policies and procedures to address):

- The Applicant/NRSRO is paid by issuers or underwriters to determine credit ratings with respect to securities or money market instruments they issue or underwrite.

- The Applicant/NRSRO is paid by obligors to determine credit ratings of the obligors.
- The Applicant/NRSRO is paid for services in addition to determining credit ratings by issuers, underwriters, or obligors that have paid the Applicant/NRSRO to determine a credit rating.
- The Applicant/NRSRO is paid by persons for subscriptions to receive or access the credit ratings of the Applicant/NRSRO and/or for other services offered by the Applicant/NRSRO where such persons may use the credit ratings of the Applicant/NRSRO to comply with, and obtain benefits or relief under, statutes and regulations using the term “nationally recognized statistical rating organization.”
- The Applicant/NRSRO is paid by persons for subscriptions to receive or access the credit ratings of the Applicant/NRSRO and/or for other services offered by the Applicant/NRSRO where such persons also may own investments or have entered into transactions that could be favorably or adversely impacted by a credit rating issued by the Applicant/NRSRO.
- The Applicant/NRSRO allows persons within the Applicant/NRSRO to:
 - Directly own securities or money market instruments of, or have other direct ownership interests in, obligors or issuers subject to a credit rating determined by the Applicant/NRSRO.
 - Have business relationships that are more than arms length ordinary course business relationships with obligors or issuers subject to a credit rating determined by the Applicant/NRSRO.
- A person associated with the Applicant/NRSRO is a broker or dealer engaged in the business of underwriting securities or money market instruments (identify the person).
- The Applicant/NRSRO has any other material conflict of interest that arises from the issuances of credit ratings (briefly describe).

Exhibit 7. Provide in this Exhibit a copy of the written policies and procedures established, maintained, and enforced by the Applicant/NRSRO to address and manage conflicts of interest pursuant to Section 15E(h) of the Exchange Act. Do not include any information that is proprietary or that would diminish the effectiveness of a specific policy or procedure if made publicly available.
