1. Full name of applicant exactly as stated in Item 1A of Part I of Form ADV: Signature Securities Group Corp.		IRS Empl. Ident. No.: 13-4120476												
Item of Form (identify)	Answer													
ID	<p>Signature Securities Group Corp. (the “Registrant”) is an investment adviser providing investment management services to individuals, pension and profit sharing plans, trusts, estates, charitable organizations, corporations and business. The Registrant offers its services on a fee basis which is based upon a percentage of assets under management. Alternatively, certain of the Registrant’s <i>Advisory Affiliates</i> may offer securities brokerage services and insurance products under a commission arrangement, which may be used to offset the Registrant’s fees (as discussed below). Prior to engaging the Registrant to provide any of the foregoing investment advisory services, the client will be required to enter into one or more written agreements with the Registrant setting forth the terms and conditions under which the Registrant shall render its services (collectively the “<i>Agreement</i>”).</p> <p>In the event the client determines to engage the Registrant to provide investment management services, the Registrant shall do so on a fee basis. If engaged, the Registrant shall charge an annual fee based upon a percentage of the market value of the assets being managed by the Registrant. As discussed in response to Item 12B (below), the Registrant’s annual fee is exclusive of, and in addition to brokerage commissions, transaction fees, and other related costs and expenses which shall be incurred by the client. However, the Registrant shall not receive any portion of these commissions, fees, and costs. The Registrant’s annual fee shall be prorated and charged quarterly, in advance, based upon the market value of the assets on the last day of the previous quarter. The annual fee shall vary (between 0.40% and 1.50%) depending upon the market value of the assets under management and the type of investment management services to be rendered as follows:</p> <table border="1"> <thead> <tr> <th><u>PORTFOLIO VALUE</u></th> <th><u>ANNUAL FEE</u></th> </tr> </thead> <tbody> <tr> <td>up to \$1,000,000</td> <td>1.50%</td> </tr> <tr> <td>next \$4,000,000</td> <td>1.00%</td> </tr> <tr> <td>next 5,000,000</td> <td>0.75%</td> </tr> <tr> <td>next \$10,000,000</td> <td>0.50%</td> </tr> <tr> <td>above \$20,000,000</td> <td>0.40%</td> </tr> </tbody> </table> <p>The Registrant is the sponsor of the <i>Managed Account Solutions Program</i> (the “<i>Program</i>”), a wrap fee program. In the event the client participates in the <i>Program</i>, the Registrant shall provide its investment management services and arrange for brokerage transactions under a single annualized fee. For participants in the <i>Program</i>, the Registrant shall charge an annual fee based upon a percentage of the market value of the assets being managed by the Registrant that includes all commissions or transaction fees which otherwise would be incurred by the client. Participants in the <i>Program</i> may pay a higher aggregate fee than if investment management and brokerage services are purchased separately. A complete description of the <i>Program’s</i> terms and conditions (including fees) are contained in the <i>Program’s</i> wrap fee brochure. As discussed below, this written disclosure statement shall be provided to each client pursuant to Rule 204-3 of the Advisers Act.</p> <p>The Registrant, in its sole discretion, may negotiate to charge a lesser management fee based upon certain criteria (i.e., anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, pre-existing client, account retention, <i>pro bono</i> activities, etc.).</p> <p>The Registrant offers advice on each type of investment described in Part II of Form ADV (Item 3). However, the Registrant intends to primarily allocate its client’s investment management assets, on a discretionary basis among <i>Independent Managers</i>, mutual funds and exchange traded funds (ETFs) in accordance with the investment objectives of the client.</p> <p>As further discussed in response to Item 12B (below), the Registrant shall generally recommend that clients utilize the brokerage and clearing services of Fidelity Investments and its affiliates (collectively referred to as “<i>Fidelity</i>”) for investment management accounts.</p>		<u>PORTFOLIO VALUE</u>	<u>ANNUAL FEE</u>	up to \$1,000,000	1.50%	next \$4,000,000	1.00%	next 5,000,000	0.75%	next \$10,000,000	0.50%	above \$20,000,000	0.40%
<u>PORTFOLIO VALUE</u>	<u>ANNUAL FEE</u>													
up to \$1,000,000	1.50%													
next \$4,000,000	1.00%													
next 5,000,000	0.75%													
next \$10,000,000	0.50%													
above \$20,000,000	0.40%													

The Registrant may only implement its investment management recommendations after the client has arranged for and furnished the Registrant with all information and authorization regarding accounts with appropriate financial institutions. Financial institutions shall include, but are not limited to, *Fidelity*, any other broker-dealer recommended by the Registrant, broker-dealer directed by the client, trust companies, banks etc. (collectively referred to herein as the “*Financial Institution(s)*”).

Clients may incur certain charges imposed by the *Financial Institution(s)* and other third parties such as fees charged by *Independent Managers* (as defined below), custodial fees, charges imposed directly by a mutual fund or exchange traded fund in the account, which shall be disclosed in the fund’s prospectus (e.g., fund management fees and other fund expenses), deferred sales charges, odd-lot differentials, transfer taxes, wire transfer and electronic fund fees, and other fees and taxes on brokerage accounts and securities transactions. Additionally, for assets outside of any wrap fee programs, clients may incur brokerage commissions and transaction fees. Such charges, fees and commissions are exclusive of and in addition to the Registrant’s fee.

The Registrant’s *Agreement* and/or the separate agreement with the *Financial Institution(s)* may authorize the Registrant through the *Financial Institution(s)* to debit the client’s account for the amount of the Registrant’s fee and to directly remit that management fee to the Registrant in accordance with applicable custody rules. The *Financial Institution(s)* recommended by the Registrant have agreed to send a statement to the client, at least quarterly, indicating all amounts disbursed from the account including the amount of management fees paid directly to the Registrant.

The Registrant also may render non-discretionary investment management services to clients relative to: (1) variable life/annuity products that they may own, and/or (2) their individual employer-sponsored retirement plans. In so doing, the Registrant either directs or recommends the allocation of client assets among the various mutual fund subdivisions that comprise the variable life/annuity product or the retirement plan. The client assets shall be maintained at either the specific insurance company that issued the variable life/annuity product which is owned by the client, or at the custodian designated by the sponsor of the client’s retirement plan.

The client may make additions to and withdrawals from the account at any time, subject to the Registrant’s right to terminate an account. If assets are deposited into an account after the inception of a quarter that exceed \$100,000, the fee payable with respect to such assets will be prorated based on the number of days remaining in the quarter. Clients may withdraw account assets on notice to the Registrant, subject to the usual and customary securities settlement procedures. For partial withdrawals in excess of \$100,000 within a billing period, the Registrant shall credit its unearned fee towards the next quarter’s fee. However, the Registrant designs its portfolios as long-term investments and assets withdrawals may impair the achievement of a client’s investment objectives.

For the initial quarter of investment management services, the first quarter’s fees shall be calculated on a *pro rata* basis. The *Agreement* between the Registrant and the client will continue in effect until terminated by either party pursuant to the terms of the *Agreement*. The Registrant’s annual fee shall be prorated through the date of termination and any remaining balance shall be charged or refunded to the client, as appropriate, in a timely manner.

Additions may be in cash or securities provided that the Registrant reserves the right to liquidate any transferred securities, or decline to accept particular securities into a client’s account. The Registrant may consult with its clients about the options and ramifications of transferring securities. However, clients are advised that when transferred securities are liquidated, they are subject to transaction fees, fees assessed at the mutual fund level (i.e. contingent deferred sales charge) and/or tax ramifications.

The Registrant’s clients are advised to promptly notify the Registrant if there are ever any changes in their financial situation or investment objectives or if they wish to impose any reasonable restrictions upon the Registrant’s management services.

Neither the Registrant nor the client may assign the *Agreement* without the consent of the other party. Transactions that do not result in a change of actual control or management of the Registrant shall not be considered an assignment.

A copy of the Registrant’s privacy policy notice and a written disclosure statement that meets the requirements of Rule 204-3 of the Investment Advisers Act of 1940, as amended (“*Advisers Act*”), shall be provided to each client prior to or contemporaneously with the execution of the *Agreement*. Any client who has not received a copy of the Registrant’s written disclosure statement at least forty-

	<p>eight (48) hours prior to executing the <i>Agreement</i> shall have five (5) business days subsequent to executing the agreement to terminate the Registrant's services without penalty.</p> <p>The Registrant may vote proxies on behalf of its clients. When the Registrant accepts such responsibility, it will only cast proxy votes in a manner consistent with the best interest of its clients. Absent special circumstances, which are fully- described in the Registrant's Proxy Voting Policies and Procedures, all proxies will be voted consistent with guidelines established and described in the Registrant's Proxy Voting Policies and Procedures, as they may be amended from time-to-time. At any time, clients may contact the Registrant to request information about how Registrant voted proxies for that client's securities or to get a copy of the Registrant's Proxy Voting Policies and Procedures. A brief summary of the Registrant's Proxy Voting Policies and Procedures is as follows:</p> <ul style="list-style-type: none"> • The Registrant has formed a Proxy Voting Committee that will be responsible for monitoring corporate actions, making voting decisions in the best interest of clients, and ensuring that proxies are submitted in a timely manner. • The Proxy Voting Committee will generally vote proxies according to the Registrant's then current Proxy Voting Guidelines. The Proxy Voting Guidelines include many specific examples of voting decisions for the types of proposals that are most frequently presented, including: composition of the board of directors; approval of independent auditors; management and director compensation; anti-takeover mechanisms and related issues; changes to capital structure; corporate and social policy issues; and issues involving mutual funds. • Although the Proxy Voting Guidelines are to be followed as a general policy, certain issues will be considered on a case-by-case basis based on the relevant facts and circumstances. Since corporate governance issues are diverse and continually evolving, the Registrant shall devote an appropriate amount of time and resources to monitor these changes. • In situations where there may be a conflict of interest in the voting of proxies due to business or personal relationships that the Registrant maintains with persons having an interest in the outcome of certain votes, the Registrant will take appropriate steps to ensure that its proxy voting decisions are made in the best interest of its clients and are not the product of such conflict.
3L	The Registrant may also provide advice about exchange traded funds (ETFs) and any type of investment held in a client's portfolio at the beginning of the advisory relationship.
3L and 4C(7)	As further discussed in the response to Item 1D (above), the Registrant may recommend that clients authorize the active discretionary management of a portion of their assets by and/or among certain <i>Independent Manager(s)</i> , based upon the stated investment objectives of the client. The Registrant shall continue to render services to the client relative to the discretionary selection of <i>Independent Manager(s)</i> as well as the monitoring and review of account performance and client investment objectives.
4A(5) and 4B(8)	As further discussed in the response to Item 1D (above), the Registrant may recommend that clients authorize the active discretionary management of a portion of their assets by and/or among certain <i>Independent Manager(s)</i> , based upon the stated investment objectives of the client. When selecting an <i>Independent Manager</i> for a client, the Registrant shall review information about the <i>Independent Manager(s)</i> such as its disclosure statement and/or material supplied by the <i>Independent Manager(s)</i> or independent third parties for a description of the <i>Independent Manager's</i> investment strategies, past performance and risk results to the extent available.
5	All individuals that render investment advisory services on behalf of the Registrant must have earned a college degree and/or have substantive investment-related experience. In addition, all such individuals shall have attained all required investment-related licenses and/or designations.

7A, 7B, 7C, 8A, 9B, and 13A	<p>The Registrant is also an SEC registered broker-dealer and member of FINRA and SIPC. In addition, the Principals and certain <i>Advisory Affiliates</i> of the Registrant are also registered representatives of the Registrant, and in such capacity, may effect securities brokerage transactions on a commission basis including transactions for the Registrant’s investment advisory clients. As further discussed in response to Item 1D (above), those <i>Advisory Affiliates</i> may receive additional compensation in the form of 12b-1 fees on mutual funds held in a client’s account. A conflict of interest exists to the extent that the Registrant recommends the purchase of securities where the Registrant’s <i>Advisory Affiliates</i> receive commissions or other additional compensation. The Registrant’s <i>Advisory Affiliates</i></p>

	currently devote approximately 95 percent (95%) of their time to the broker-dealer business.
7A and 7B	The Registrant is a duly licensed insurance agency. Additionally, certain of the Registrant's <i>Advisory Affiliates</i> , in their individual capacities, are licensed insurance agents and in such capacity, may recommend, on a fully-disclosed basis, the purchase of certain insurance products. A conflict of interest exists to the extent that the Registrant or its <i>Advisory Affiliates</i> recommend the purchase of insurance products where the Registrant or its <i>Advisory Affiliates</i> receive insurance commissions or other additional compensation.
8C(6)	Registrant is a wholly owned subsidiary of Signature Bank, a New York State chartered bank. Registrant may recommend Signature Bank to its clients to fulfill their banking needs. However clients are advised that such a referral is an inherent conflict of interest due to the common ownership among the companies.
9C	In very limited circumstances, the Registrant may engage in agency cross transactions pursuant to which the Registrant may effect transactions between a client's account and the accounts of other individuals and/or entities which may include clients of the Registrant (i.e. arranging for the client's securities trades by "crossing" these trades with securities transactions of other advisory and non-advisory clients). The Registrant will only engage in agency cross transactions when it believes that such transactions are beneficial to the client. The Registrant will provide written confirmation to the client of each agency cross transaction, as well as an annual summary of all such transactions. The client may revoke the Registrant's agency cross transaction authority at any time upon written notice to the Registrant.
9E	<p>The Registrant and persons associated with the Registrant ("Associated Persons") are permitted to buy or sell securities that it also recommends to clients consistent with the Registrant's policies and procedures.</p> <p>The Registrant has adopted a code of ethics that sets forth the standards of conduct expected of its associated persons and requires compliance with applicable securities laws ("<i>Code of Ethics</i>"). In accordance with Section 204A of the Advisers Act, its <i>Code of Ethics</i> contains written policies reasonably designed to prevent the unlawful use of material non-public information by the Registrant or any of its associated persons. The <i>Code of Ethics</i> also requires that certain of the Registrant's personnel (called "<i>Access Persons</i>") report their personal securities holdings and transactions and obtain pre-approval of certain investments such as initial public offerings and limited offerings. A copy of the Registrant's Code of Ethics is available to client and prospective clients upon request.</p> <p>Unless specifically permitted in the Registrant's <i>Code of Ethics</i>, none of the Registrant's <i>Access Persons</i> may effect for themselves or for their immediate family (i.e., spouse, minor children, and adults living in the same household as the <i>Access Person</i>) any transactions in a security which is being actively purchased or sold, or is being considered for purchase or sale, on behalf of any of the Registrant's clients.</p> <p>When the Registrant is purchasing or considering for purchase any security on behalf of a client, no <i>Access Person</i> may effect a transaction in that security prior to the completion of the purchase or until a decision has been made not to purchase such security. Similarly, when the Registrant is selling or considering the sale of any security on behalf of a client, no <i>Access Person</i> may effect a transaction in that security prior to the completion of the sale or until a decision has been made not to sell such security. These requirements are not applicable to: (i) direct obligations of the Government of the United States; (ii) money market instruments, bankers' acceptances, bank certificates of deposit, commercial paper, repurchase agreements and other high quality short-term debt instruments, including repurchase agreements; (iii) shares issued by mutual funds or money market funds; and (iv) shares issued by unit investment trusts that are invested exclusively in one or more mutual funds.</p>
10	The Registrant does not impose a minimum portfolio size or minimum annual fee. Certain <i>Independent Manager(s)</i> may, however, impose more restrictive account requirements and varying billing practices than the Registrant. In such instances, the Registrant may alter its corresponding account requirements and/or billing practices to accommodate those of the <i>Independent Manager(s)</i> or wrap fee program sponsor.
11A	For those clients to whom the Registrant provides investment management services, the Registrant monitors those portfolios as part of an ongoing process while regular account reviews are conducted on at least a quarterly basis. Such reviews are conducted by the Registrant's Investment Group

	Director and/or Associate Group Directors. All investment advisory clients are encouraged to discuss their needs, goals, and objectives with the Registrant and to keep the Registrant informed of any changes thereto. The Registrant shall contact ongoing investment advisory clients at least annually to review its previous services and/or recommendations and to discuss the impact resulting from any changes in the client's financial situation and/or investment objectives.
11B	Unless otherwise agreed upon, clients are provided with transaction confirmation notices and regular summary account statements directly from the broker-dealer or custodian for the client accounts.
12A, 12B and 13A	<p>Please see the previous responses set forth on this Schedule F to Items 1D and 9B.</p> <p>Except as provided for in any applicable wrap fee program, the brokerage commissions and/or transaction fees charged by <i>Fidelity</i> or any other designated broker-dealer are exclusive of and in addition to the Registrant's fee.</p> <p>Factors which the Registrant considers in recommending <i>Fidelity</i> or any other broker-dealer, to clients include their respective financial strength, reputation, execution, pricing, research, and service. <i>Fidelity</i> enables the Registrant to obtain many mutual funds without transaction charges and other securities at nominal transaction charges. The commissions and/or transaction fees charged by <i>Fidelity</i> may be higher or lower than those charged by other broker-dealers.</p> <p>The commissions paid by the Registrant's clients shall comply with the Registrant's duty to obtain "best execution." However, a client may pay a commission that is higher than another qualified broker-dealer might charge to effect the same transaction where the Registrant determines, in good faith, that the commission is reasonable in relation to the value of the brokerage and research services received. In seeking best execution, the determinative factor is not the lowest possible cost, but whether the transaction represents the best qualitative execution, taking into consideration the full range of a broker-dealer's services, including among others, the value of research provided, execution capability, commission rates, and responsiveness. Consistent with the foregoing, while the Registrant will seek competitive rates, it may not necessarily obtain the lowest possible commission rates for client transactions.</p> <p>If the client requests the Registrant to arrange for the execution of securities brokerage transactions for the client's account, the Registrant shall direct such transactions through broker-dealers that the Registrant reasonably believes will provide best execution. The Registrant shall periodically and systematically review its policies and procedures regarding recommending broker-dealers to its client in light of its duty to obtain best execution.</p> <p>The client may direct the Registrant in writing to use a particular broker-dealer to execute some or all transactions for the client. In that case, the client will negotiate terms and arrangements for the account with that broker-dealer, and the Registrant will not seek better execution services or prices from other broker-dealers or be able to "batch" client transactions for execution through other broker-dealers with orders for other accounts managed by the Registrant (as described below). As a result, the client may pay higher commissions or other transaction costs or greater spreads, or receive less favorable net prices, on transactions for the account than would otherwise be the case. Subject to its duty of best execution, the Registrant may decline a client's request to direct brokerage if, in the Registrant's sole discretion, such directed brokerage arrangements would result in additional operational difficulties.</p> <p>Transactions for each client generally will be effected independently, unless the Registrant decides to purchase or sell the same securities for several clients at approximately the same time. The Registrant may (but is not obligated to) combine or "batch" such orders to obtain best execution, to negotiate more favorable commission rates, or to allocate equitably among the Registrant's clients differences in prices and commissions or other transaction costs that might have been obtained had such orders been placed independently. Under this procedure, transactions will generally be averaged as to price and allocated among the Registrant's clients pro rata to the purchase and sale orders placed for each client on any given day. To the extent that the Registrant determines to aggregate client orders for the purchase or sale of securities, including securities in which the Registrant's <i>Advisory Affiliate(s)</i> may invest, the Registrant shall generally do so in accordance with applicable rules promulgated under the Advisers Act and no-action guidance provided by the staff of the U.S. Securities and Exchange Commission. The Registrant shall not receive any additional compensation or remuneration as a result of the aggregation. In the event that the Registrant determines that a prorated allocation is not</p>

	<p>appropriate under the particular circumstances, the allocation will be made based upon other relevant factors, which may include: (i) when only a small percentage of the order is executed, shares may be allocated to the account with the smallest order or the smallest position or to an account that is out of line with respect to security or sector weightings relative to other portfolios, with similar mandates; (ii) allocations may be given to one account when one account has limitations in its investment guidelines which prohibit it from purchasing other securities which are expected to produce similar investment results and can be purchased by other accounts; (iii) if an account reaches an investment guideline limit and cannot participate in an allocation, shares may be reallocated to other accounts (this may be due to unforeseen changes in an account's assets after an order is placed); (iv) with respect to sale allocations, allocations may be given to accounts low in cash; (v) in cases when a pro rata allocation of a potential execution would result in a <i>de minimis</i> allocation in one or more accounts, the Registrant may exclude the account(s) from the allocation; the transactions may be executed on a pro rata basis among the remaining accounts; or (vi) in cases where a small proportion of an order is executed in all accounts, shares may be allocated to one or more accounts on a random basis.</p> <p>Consistent with obtaining best execution, brokerage transactions may be directed to certain broker-dealers in return for investment research products and/or services which assist the Registrant in its investment decision-making process. Such research generally will be used to service all of the Registrant's clients, but brokerage commissions paid by one client may be used to pay for research that is not used in managing that client's portfolio. The receipt of investment research products and/or services as well as the allocation of the benefit of such investment research products and/or services poses a conflict of interest.</p> <p>The Registrant may receive from <i>Fidelity</i>, without cost to the Registrant, computer software and related systems support, which allow the Registrant to better monitor client accounts maintained at <i>Fidelity</i>. The Registrant may receive the software and related support without cost because the Registrant renders investment management services to clients that maintain assets at <i>Fidelity</i>. The software and related systems support may benefit the Registrant, but not its clients directly. In fulfilling its duties to its clients, the Registrant endeavors at all times to put the interests of its clients first. Clients should be aware, however, that the Registrant's receipt of economic benefits from a broker-dealer creates a conflict of interest since these benefits may influence the Registrant's choice of broker-dealer over another broker-dealer that does not furnish similar software, systems support, or services.</p> <p>Additionally, the Registrant may receive the following benefits from <i>Fidelity</i> through the Fidelity Registered Investment Advisor Group: receipt of duplicate client confirmations and bundled duplicate statements; access to a trading desk that exclusively services its Registered Investment Advisor Group participants; access to block trading which provides the ability to aggregate securities transactions and then allocate the appropriate shares to client accounts; and access to an electronic communication network for client order entry and account information.</p>
13B	<p>If a client is introduced to the Registrant by either an unaffiliated or an affiliated solicitor, the Registrant may pay that solicitor a referral fee in accordance with the requirements of Rule 206(4)-3 of the Advisers Act and any corresponding state securities law requirements. Any such referral fee shall be paid solely from the Registrant's investment management fee, and shall not result in any additional charge to the client. If the client is introduced to the Registrant by an unaffiliated solicitor, the solicitor shall provide the client with a copy of the Registrant's written disclosure statement which meets the requirements of Rule 204-3 of the Advisers Act and a copy of the solicitor's disclosure statement containing the terms and conditions of the solicitation arrangement including compensation. Any affiliated solicitor of the Registrant shall disclose the nature of his/her relationship to prospective clients at the time of the solicitation and will provide all prospective clients with a copy of the Registrant's written disclosure statement at the time of the solicitation.</p>
