| Form ADV, Part II Page 6, #12 | <p><b>Investment or Brokerage Discretion</b></p> <p>1) America First Investment Advisors, L.L.C. has authority to supervise and direct on an ongoing basis the investments of the client in accordance with the client's predetermined investment objectives and guidelines. America First Investment Advisors, L.L.C. is authorized, in its discretion and without prior consultation with the client to: (1) buy, sell, exchange, and otherwise trade any stocks, bonds, or other securities or assets and (2) place orders and negotiate commissions (if any) for the execution of all transactions in securities with or through such brokers, dealers, underwriters, or issuers as America First Investment Advisors, L.L.C. may in its sole discretion select. Any limitations to such authority will be communicated by the client to America First Investment Advisors, L.L.C. in writing.</p> <p>AFIA may select brokers to effect the portfolio transactions of the client on the basis of its estimate of their ability to obtain, for reasonable and competitive commissions, the best execution of particular and related portfolio transactions. For this purpose, "best execution" means prompt and reliable execution at the most favorable price obtainable. Such brokers may be selected on the basis of all relevant factors including the execution capabilities required by the transaction or transactions; the importance of speed, efficiency or confidentiality; and the willingness of the broker to provide useful or desirable research and/or special execution services. AFIA shall have discretion, in the interest of the client, to direct the execution of its portfolio transactions to brokers who provide brokerage and/or research services (as such services are defined in Section 28(e) of the Securities Exchange Act of 1934) for the account and/or other accounts; provided however the applicant's current policy is not to utilize such soft dollar arrangements.</p> <p>2) AFIA has established a relationship for the custody of clients' assets with Schwab Institutional for those clients opting for such services whereby America First Investment Advisors, L.L.C. has established a master account with sub-accounts for clients. With this arrangement block trades can be made in the master account with journal entries then being made to the appropriate client sub-accounts. In the event that a client directs America First Investment Advisors, L.L.C. to use a particular broker or dealer, America First Investment Advisors, L.L.C. may not be authorized under those circumstances to negotiate commissions and may not be able to obtain volume discounts or best execution. In addition, under these circumstances a disparity in commission charges may exist between the commissions charged to clients who direct America First Investment Advisors, L.L.C. to use a particular broker or dealer and other clients who do not direct America First Investment Advisors, L.L.C. to use a particular broker or dealer.</p> <p>America First Investment Advisors, L.L.C. may recommend that clients establish brokerage accounts with the Schwab Institutional division of Charles Schwab &amp; Co., Inc. (Schwab), a registered broker-dealer, member SIPC, to maintain custody of clients' assets and to effect trades for their accounts. America First Investment Advisors, L.L.C. is independently owned and operated and not affiliated with Schwab. Schwab provides America First Investment Advisors, L.L.C. with access to its institutional trading and custody services, which are typically not available to Schwab retail investors. These services generally are available to independent investment advisors on an unsolicited basis, at no charge to them so long as a total of at least \$10 million of the advisor's clients' assets is maintained in accounts at Schwab Institutional and is not otherwise contingent upon Advisor committing to Schwab any specific amount of business (assets in custody or trading). | Form ADV, Part II Page 6,<br>#13B | <p><b>Compensation for Client Referrals</b></p> <p>1.) Applicant has established a policy with regard to the compensation of solicitors for new business in accordance with rule 206(4)-3 under the Advisors Act of 1940. Persons introducing new client accounts may receive compensation.</p> <p>2.) America First Investment Advisors, L.L.C. may receive client referrals from TD Ameritrade, Inc. ("TD Ameritrade") through its participation in TD Ameritrade AdvisorDirect (the "referral program"). In addition to meeting the minimum eligibility criteria for participation in AdvisorDirect, America First Investment Advisors, L.L.C. may have been selected to participate in AdvisorDirect based on the amount and profitability to TD Ameritrade of the assets in, and trades placed for, client accounts maintained with TD Ameritrade. TD Ameritrade is a discount broker-dealer independent of and unaffiliated with America First Investment Advisors, L.L.C. and there is no employee or agency relationship between them. TD Ameritrade has established the referral program as a means of referring its brokerage customers and other investors seeking fee-based personal investment management services or financial planning services to independent investment advisors. TD Ameritrade does not supervise America First Investment Advisors, L.L.C. and has no responsibility for America First Investment Advisors, L.L.C.'s management of client portfolios or America First Investment Advisors, L.L.C.'s other advice or services. America First Investment Advisors, L.L.C. pays TD Ameritrade an on-going fee for each successful client referral. This fee is usually a percentage (not to exceed 15%) of the advisory fee that the client pays to America First Investment Advisors, L.L.C. ("Solicitation Fee"). America First Investment Advisors, L.L.C. will also pay TD Ameritrade the Solicitation Fee on any advisory fees received by America First Investment Advisors, L.L.C. from any of a referred client's family members, including a spouse, child or any other family member who resides with the referred client and hired America First Investment Advisors, L.L.C. on the recommendation of such referred client. America First Investment Advisors, L.L.C. will not charge clients referred through AdvisorDirect any fees or costs higher than its standard fee schedule offered to its clients or otherwise pass Solicitation Fees paid to TD Ameritrade to its clients. For information regarding additional or other fees paid directly or indirectly to TD Ameritrade, please refer to the TD Ameritrade AdvisorDirect Disclosure and Acknowledgement Form.</p> <p>America First Investment Advisors, L.L.C.'s participation in AdvisorDirect raises potential conflicts of interest. TD Ameritrade will most likely refer clients through AdvisorDirect to investment advisors that encourage their clients to custody their assets at TD Ameritrade and whose client accounts are profitable to TD Ameritrade. Consequently, in order to obtain client referrals from TD Ameritrade, America First Investment Advisors, L.L.C. may have an incentive to recommend to clients that the assets under management by America First Investment Advisors, L.L.C. be held in custody with TD Ameritrade and to place transactions for client accounts with TD Ameritrade. In addition, America First Investment Advisors, L.L.C. has agreed not to solicit clients referred to it through AdvisorDirect to transfer their accounts from TD Ameritrade or to establish brokerage or custody accounts at other custodians, except when its fiduciary duties require doing so. America First Investment Advisors, L.L.C.'s participation in AdvisorDirect does not diminish its duty to seek best execution of trades for client accounts.</p> |

(also known as AFIA) does additional investment advisory business as FirstFolio. FirstFolio uses FOLIOfn Investments Inc. as one of its custody platforms. In addition to supporting standard market, limit, stop and stop/limit orders, the proprietary trading platform also allows for internal matching of orders seeking possible price improvement through two daily trading windows. In a window trade, customers submit orders throughout the day that are held and filled after the trading window starts. After the window trading session starts, orders from buyers and sellers are matched. If there is a successful match between orders(full or partial), they are filled internally at the midpoint between the price to buy and sell, otherwise known as the bid/ask price spread. Where orders cannot be matched, they will either be sent to market makers for execution, or, for odd lots or fractional shares, FOLIOfn may execute unmatched orders using our own inventory of securities. The orders sent to market makers and the orders matched internally are then reviewed and priced to ensure that all buyers in a security receive the same execution price and all sellers in a security receive the same execution price. Currently, the daily window trading sessions are at 11am and 2pm EST.</p> <p>FOLIOfn Investments is wholly owned by FOLIOfn Inc. FOLIOfn Investments is a member of NASD and SIPC.</p> |
