1. Full name of applicant exactly as stated in Item 1A of Part I of Form ADV: SIMPLIFI, LLC		IRS Empl. Ident. No.: 20-1340639
Item of Form (identify)	Answer	
Item 1D	<p>SimpliFi, LLC ("SimpliFi") provides the following advisory services solely via its internet website and affiliated websites.</p> <p>COMPREHENSIVE FINANCIAL PLANNING: SimpliFi provides advice in the form of a financial plan called a Goal Blueprint. Clients using the service will receive a written financial plan via the internet, providing the client with a detailed financial plan designed to achieve his or her stated financial goals and objectives. SimpliFi gathers required information for the financial plan from answers the client must provide on the website in an online "interview" with a Virtual Financial Advisor using data input forms. The client completes each required information page, and the pages are compiled using a software program that builds a complete financial background for that particular client. Information gathered includes a client's current financial status and future LifeGoals. Each page requires that all necessary fields be completed before being submitted, thereby preventing incomplete information about the client's current situation or future LifeGoals. Not every field in a form may be a required field. When the information has been collected, SimpliFi uses its proprietary computerized financial modeling program to analyze the information supplied by the client. The program will also allow the client to tailor their situation by adjusting the various inputs to the planning model. When the client is satisfied with the plan's likelihood of success measurement, the SimpliFi Personal Planning Service will provide the client with a report covering any or all of the following areas:</p> <p>GOALS: Future financial goals, include estate and charitable goals.</p> <p>CASH FLOW & BUDGETING: An analysis of a client's assets, liabilities and net worth, income and spending analyses and planning for current and future years.</p> <p>DEBT MANAGEMENT: An analysis of a client's short and long-term debt, and recommendations for paying off consumer debt using either an accelerated payment approach (referred to as a "debt snowball" method) or a loan consolidation approach to fund a lump-sum payoff of all debts.</p> <p>RETIREMENT: Analysis of current situation and recommendations on immediate and future strategies and investment plans to help the client achieve his or her retirement goals.</p> <p>EDUCATION PLANNING: Analysis of current situation and advice on future course of action and investment allocation.</p> <p>INVESTMENTS: Recommended four class asset allocation based on current situation, LifeGoals, and required annual savings rates.</p> <p>Should a client choose to implement the asset-class recommendations or advice contained in the plan, SimpliFi may provide that client with access to certain third-party providers via website link or contact information. In doing so, SimpliFi may receive compensation from these providers either through payment for lead generation or advertising, however, the client's use of these providers is entirely at their discretion. Financial advice is not limited to any specific product or service offered by a broker-dealer or insurance company.</p>
