Item 4 Services, Fees and Compensation

A. INVESTMENT ADVISORY SERVICES

The client can determine to engage the Registrant to provide discretionary investment advisory services on a wrap *fee-only* basis. (*See* discussion below). If a client determines to engage the Registrant on a wrap fee basis the client will pay a single fee for bundled services (i.e. investment advisory, brokerage, custody). The services included in a wrap fee agreement will depend upon each client's particular need.

ROBINSON, TIGUE, SPONCIL & ASSOCIATES, LLC WRAP PROGRAM

The Registrant is the sponsor of the Robinson, Tigue, Sponcil & Associates, LLC Wrap Program (hereinafter the "Program"). Under the Program, the Registrant is able to offer participants discretionary investment management services, for a single specified annual Program fee, inclusive of trade execution, custody, reporting, and investment management fees. However, clients may pay fees for, but not limited to, trustee fees, mutual fund expenses, ETF expenses and mark-ups, mark-downs, or spreads paid to market makers from whom securities were obtained by the broker. Such fees are in addition to any fees paid to RTS and are between the client and the account custodian. The current annual Program fee ranges from negotiable to 2.15% of assets under management, depending upon the amount and type of the Program assets.

Under the Program, the independent investment manager shall be provided with written authority to determine which securities and the amounts of securities that are bought or sold. Any limitations on this discretionary authority shall be included in the written agreement between each client and the Registrant. Clients may change/amend these limitations, in writing, at any time. The client shall have reasonable access to one of the Registrant's investment professionals to discuss their account.

Charles Schwab & Co., Inc., ("*Schwab*") shall serve as the custodian for Program accounts.

Fee Differentials: In certain circumstances, the Registrant, in its sole discretion, may charge a different wrap fee (higher or lower) based upon certain criteria (i.e., complexity of the engagement, anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, anticipated level and scope of other services to be provided (i.e. financial planning services), negotiations with client etc.).

Fee Calculation: The fee charged is calculated as described above and is not charged on the basis of a share of capital gains upon or capital appreciation of the funds or any portion of the funds of an advisory client, pursuant to Section 205(a)(1) of the Investment Advisers Act of 1940, as amended (hereinafter the "Act").

Fee Payment: Clients will be charged in advance at the beginning of each calendar quarter based upon the value (market value or fair market value in the absence of market value, plus any credit balance or minus any debit balance), of the client's account at the end of the previous quarter. Fees are prorated for accounts opened during the quarter. An additional fee for the current quarter will be assessed if assets are deposited after the beginning of the quarter, prorated based on the number of calendar days remaining in the

quarter during which the service will be in effect. Fee adjustments will generally be made for additional deposits to the account or partial withdrawals from the account

Termination of Advisory Relationship: A client agreement may be canceled at any time, by either party, for any reason upon receipt of prior written notice. Upon termination of any account, any prepaid, unearned fees will be promptly refunded, and any earned, unpaid fees will be due and payable. The client has the right to terminate an agreement without penalty within five (5) business days after entering into the agreement.

MISCELLANEOUS

Client Responsibilities: In performing any of its services, the Registrant shall not be required to verify any information received from the client or from the client's other professionals, and is expressly authorized to rely thereon. Furthermore, unless the client indicates to the contrary in the client's Investment Policy Statement, the Registrant shall assume that there are no restrictions on its services, other than to manage the account in accordance with the client's designated investment objective. **Moreover, it remains each client's responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising the Registrant's previous recommendations and/or services.**

Please Note: Investment Performance: As a condition to participating in the Program, the participant **must** accept that past performance may not be indicative of future results, and understand that the future performance of any specific investment or investment strategy (**including** the investments and/or investment strategies purchased and/or undertaken by the Registrant) **may not:** (1) achieve their intended objective; (2) be profitable; or, (3) equal historical performance level(s) or any other performance level(s).

Please Note: Inverse/Enhanced Market Strategies. The Registrant may also utilize leveraged long and short mutual funds and/or exchange traded funds that are designed to perform in either an: (1) inverse relationship to certain market indices (at a rate of 1 or more times the inverse [opposite] result of the corresponding index) as an investment strategy and/or for the purpose of hedging against downside market risk; and (2) enhanced relationship to certain market indices (at a rate of 1 or more times the actual result of the corresponding index) as an investment strategy and/or for the purpose of increasing gains in an advancing market. There can be **no assurance** that any such strategy will prove profitable or successful. In light of these enhanced risks/rewards, a client may direct the Registrant, in writing, not to employ any or all such strategies for his/her/their/its accounts.

- B. Participation in the Program may cost more or less than purchasing such services separately. Also the Program fee charged by Registrant for participation in the Program may be higher or lower than those charged by other sponsors of comparable wrap fee programs.

Depending upon the percentage wrap-fee charged by the Registrant, the amount of portfolio activity in the client's account, and the value of custodial and other services provided, the wrap fee may or may not exceed the aggregate cost of such services if they

were to be provided separately and/or if the Registrant were to negotiate transaction fees and seek best price and execution of transactions for the client's account.

- C. The Program's wrap fee does not include certain charges and administrative fees, including, but not limited to, transaction charges (excluding mark-ups and mark-downs) resulting from trades effected through or with a broker-dealer other than *Schwab*, transfer taxes, odd lot differentials, exchange fees, interest charges, American Depository Receipt agency processing fees, and any charges, taxes or other fees mandated by any federal, state or other applicable law or otherwise agreed to with regard to client accounts. Such fees and expenses are in addition to the Program's wrap fee.
- D. Registrant's representatives shall not receive any additional compensation for recommending a wrap fee program to a client.

Item 5 Account Requirements and Types of Clients

The Registrant's clients shall generally include individuals, business entities, trusts, estates, charitable organizations, and pension and profit sharing plans. The Registrant generally requires an annual asset level of \$1,000,000 for investment advisory services. However, Registrant, in its sole discretion, may charge a lesser investment management fee or require a lower minimum asset level based upon certain criteria (i.e. anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, negotiations with client, etc.).

Item 6 Portfolio Manager Selection and Evaluation

- A. The Registrant may allocate a portion of a client's Program assets among unaffiliated independent investment managers in accordance with the client's designated investment objective(s). In such situations, the *Independent Manager[s]* shall have day-to-day responsibility for the active discretionary management of the allocated Program assets. The Registrant shall continue to render investment supervisory services to the client relative to the ongoing monitoring and review of account performance, asset allocation and client investment objectives. Factors which the Registrant shall consider in recommending *Independent Manager[s]* include the client's designated investment objective(s), management style, performance, reputation, financial strength, reporting, pricing, and research.
- B. The Registrant acts as the portfolio manager for the Program. Inasmuch as the execution costs for transactions effected in the client account will be paid by the Registrant, a potential conflict of interest arises in that the Registrant may have a disincentive to trade securities in the client account. In addition, the amount of compensation received by the Registrant as a result of the client's participation in the Program may be more than what the Registrant would receive if the client paid separately for investment advice, brokerage and other services.

As the Program sponsor, the Registrant shall be responsible for the primary management of the Program, including the selection and termination of all *Independent Manager[s]*.

Once selected, *Independent Manager[s]* shall be responsible for day-to-day management and selection of securities for the account.

- C. As discussed below, the Registrant offers to its clients discretionary and non-discretionary investment advisory services, and, to the extent specifically requested by a client, financial planning and related consulting services.

ADVISORY BUSINESS SERVICES

- B. As discussed below, the Registrant offers to its clients (individuals, business entities, trusts, estates, charitable organizations, pension and profit sharing plans, etc.) investment advisory services, and, to the extent specifically requested by a client, financial planning and related consulting services.

INVESTMENT ADVISORY SERVICES

The client can determine to engage the Registrant to provide discretionary and/or non-discretionary investment advisory services on a wrap or non-wrap *fee-only* basis. (*See* discussion below). If a client determines to engage the Registrant on a wrap fee basis the client will pay a single fee for bundled services (i.e. investment advisory, brokerage, custody). The services included in a wrap fee agreement will depend upon each client's particular need. If the client determines to engage the Registrant on a non-wrap fee basis the client will select individual services on an unbundled basis, paying for each service separately (i.e. investment advisory, brokerage, custody). In addition, the Registrant may allocate (and/or recommend that the client allocate) a portion of a client's investment assets among unaffiliated independent investment managers in accordance with the client's designated investment objective(s).

NON-WRAP FEE BASIS

The client can determine to engage the Registrant to provide discretionary and/or non-discretionary investment advisory services on a *fee only* basis. The Registrant's annual investment advisory fee shall be based upon a percentage (%) of the market value and type of assets placed under the Registrant's management (between negotiable and 2.5%) to be charged monthly in arrears. The Registrant may also charge an initial consultation fee that varies between 0% and 1.25%.

Registrant's annual investment advisory fee shall include investment advisory services, and, to the **extent specifically requested** by the client, financial planning and consulting services. In the event that the client requires extraordinary planning and/or consultation services (to be determined in the sole discretion of the Registrant), the Registrant may determine to charge for such additional services, the dollar amount of which shall be set forth in a separate written notice to the client.

ROBINSON, TIGUE, SPONCIL & ASSOCIATES, LLC WRAP PROGRAM

The Registrant provides investment management services on a wrap fee basis in accordance with the Registrant's investment management wrap fee program (the "Program"). The services offered under, and the corresponding terms and conditions pertaining to, the Program are discussed in the Wrap Fee Program Brochure a copy of

which is presented to all prospective Program participants. Under the Program, the Registrant is able to offer participants discretionary investment management services, for a single specified annual Program fee, inclusive of trade execution, custody, reporting, account maintenance, investment management fees, and fees charged by independent managers. However, clients may pay fees for, but not limited to, trustee fees, mutual fund expenses, ETF expenses and mark-ups, mark-downs, or spreads paid to market makers from whom securities were obtained by the broker. Such fees are in addition to any fees paid to Registrant and are between the client and the account custodian. The current annual Program fee ranges from negotiable to 2.15%, depending upon the amount and type of the Program assets.

The terms and conditions for client participation in the Program are set forth in detail in the Wrap Fee Program Brochure, which is presented to all prospective Program participants in accordance with the disclosure requirements of Part 2A Appendix 1 of Form ADV. The Wrap Fee Program Brochure is incorporated into this Brochure by reference. All prospective Program participants should read both the Registrant's Brochure and the Wrap Fee Program Brochure, and ask any corresponding questions that they may have, prior to participation in the Program. Charles Schwab & Co., Inc. ("Schwab") shall serve as the custodian for Program accounts.

Please Note: As indicated in the Wrap Fee Program Brochure, participation in the Program may cost more or less than purchasing such services separately. As also indicated in the Wrap Fee Program Brochure, the Program fee charged by Registrant for participation in the Program may be higher or lower than those charged by other sponsors of comparable wrap fee programs.

FINANCIAL PLANNING AND CONSULTING SERVICES

To the extent requested by a client, the Registrant *may* determine to provide financial planning and/or consulting services (including investment and non-investment related matters, including estate planning, insurance planning, etc.) on a stand-alone fee basis. Registrant's planning and consulting fees are negotiable, but generally range from \$2,000 to \$10,000 on a fixed fee basis depending upon the level and scope of the service(s) required and the professional(s) rendering the service(s). Prior to engaging the Registrant to provide planning or consulting services, clients are generally required to enter into a *Financial Planning and Consulting Agreement* with Registrant setting forth the terms and conditions of the engagement (including termination), describing the scope of the services to be provided, and the portion of the fee that is due from the client prior to Registrant commencing services. If requested by the client, Registrant may recommend the services of other professionals for implementation purposes, including the Registrant's representatives in their individual capacities as licensed insurance agents. (*See* disclosure at Item 10 C.8). The client is under no obligation to engage the services of any such recommended professional. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any recommendation from the Registrant. **Please Note:** If the client engages any such recommended professional, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional. **Please Also Note:** It remains the client's responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising Registrant's previous recommendations and/or services.

MISCELLANEOUS

Independent Managers. The Registrant may allocate (and/or recommend that the client allocate) a portion of a client's investment assets among unaffiliated independent investment managers in accordance with the client's designated investment objective(s). In such situations, the *Independent Manager[s]* shall have day-to-day responsibility for the active discretionary management of the allocated assets. The Registrant shall continue to render investment supervisory services to the client relative to the ongoing monitoring and review of account performance, asset allocation and client investment objectives. Factors which the Registrant shall consider in recommending *Independent Manager[s]* include the client's designated investment objective(s), management style, performance, reputation, financial strength, reporting, pricing, and research.

Non-Investment Consulting/Implementation Services. If requested by the client, the Registrant may provide consulting services regarding non-investment related matters, such as estate planning, tax planning, insurance, etc. Neither the Registrant, nor any of its representatives, serves as an attorney or accountant, and no portion of the Registrant's services should be construed as same. To the extent requested by a client, the Registrant may recommend the services of other professionals for certain non-investment implementation purposes (i.e. insurance, etc.), including representatives of the Registrant in their separate licensed capacities as discussed below. The client is under no obligation to engage the services of any such recommended professional. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any recommendation from the Registrant. **Please Note:** If the client engages any such recommended professional, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional. **Please Also Note:** It remains the client's responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising Registrant's previous recommendations and/or services.

Please Note: Inverse/Enhanced Market Strategies. The Registrant may utilize leveraged long and short mutual funds and/or exchange traded funds that are designed to perform in either an: (1) inverse relationship to certain market indices (at a rate of 1 or more times the inverse [opposite] result of the corresponding index) as an investment strategy and/or for the purpose of hedging against downside market risk; and (2) enhanced relationship to certain market indices (at a rate of 1 or more times the actual result of the corresponding index) as an investment strategy and/or for the purpose of increasing gains in an advancing market. There can be **no assurance** that any such strategy will prove profitable or successful. In light of these enhanced risks/rewards, a client may direct the Registrant, in writing, not to employ any or all such strategies for his/her/their/its accounts.

Please Note: Non-Discretionary Service Limitations. Clients that determine to engage the Registrant on a non-discretionary investment advisory basis **must be willing to accept** that the Registrant cannot effect any account transactions without obtaining prior verbal consent to any such transaction(s) from the client. Thus, in the event of a market correction during which the client is unavailable, the Registrant will be unable to effect any account transactions (as it would for its discretionary clients) without first obtaining the client's verbal consent.

Client Obligations. In performing its services, Registrant shall not be required to verify any information received from the client or from the client's other professionals, and is expressly authorized to rely thereon. Moreover, each client is advised that it remains his/her/its responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising Registrant's previous recommendations and/or services.

Disclosure Statement. A copy of the Registrant's written Brochure as set forth on Part 2A of Form ADV shall be provided to each client prior to, or contemporaneously with, the execution of the *Investment Advisory Agreement*. Any client who has not received a copy of Registrant's written Brochure at least 48 hours prior to executing the *Investment Advisory Agreement* shall have five business days subsequent to executing the agreement to terminate the Registrant's services without penalty.

- C. The Registrant shall provide investment advisory services specific to needs of each client. Prior to providing investment advisory services, an investment adviser representative will discuss with each client, their particular investment objective(s). The Registrant shall allocate each client's investment assets consistent with their designated investment objective(s). Clients may, at anytime, impose restrictions, in writing, on the Registrant's services.
- D. There is no significant difference between how the Registrant manages wrap fee accounts and non-wrap fee accounts. However, as stated above, if a client determines to engage the Registrant on a wrap fee basis the client will pay a single fee for bundled services (i.e. investment advisory, brokerage, custody) (*See* Item 4.B). The services included in a wrap fee agreement will depend upon each client's particular need. If the client determines to engage the Registrant on a non-wrap fee basis the client will select individual services on an unbundled basis, paying for each service separately (i.e. investment advisory, brokerage, custody). **Please note:** When managing a client's account on a wrap fee basis, the Registrant shall receive as payment for its investment advisory services, the balance of the wrap fee after all other costs incorporated into the wrap fee have been deducted.

Item Performance-Based Fees and Side-by-Side Management

Neither the Registrant nor any supervised person of the Registrant accepts performance-based fees.

Methods of Analysis, Investment Strategies and Risk of Loss

- A. The Registrant shall utilize the following methods of security analysis:
- **Fundamental** - (analysis performed on historical and present data, with the goal of making financial forecasts)
 - **Technical** – (analysis performed on historical and present data, focusing on price and trade volume, to forecast the direction of prices)
 - **Cyclical** – (analysis performed on historical relationships between price and market trends, to forecast the direction of prices)

The Registrant shall utilize the following investment strategies when implementing investment advice given to clients:

- Long Term Purchases (securities held at least a year)
- Short Term Purchases (securities sold within a year)
- Short Sales (contracted sale of borrowed securities with an obligation to make the lender whole)
- Margin Transactions (use of borrowed assets to purchase financial instruments)
- Options (contract for the purchase or sale of a security at a predetermined price during a specific period of time)

Please Note: Investment Risk. Different types of investments involve varying degrees of risk, and it should not be assumed that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by the Registrant) will be profitable or equal any specific performance level(s).

Voting Client Securities

- A. The Registrant does not vote client proxies. Unless voted by independent managers, clients maintain exclusive responsibility for: (1) directing the manner in which proxies solicited by issuers of securities beneficially owned by the client shall be voted, and (2) making all elections relative to any mergers, acquisitions, tender offers, bankruptcy proceedings or other type events pertaining to the client's investment assets.
- B. Clients will receive their proxies or other solicitations directly from their custodian. Clients may contact the Registrant to discuss any questions they may have with a particular solicitation.

Item 7 Client Information Provided to Portfolio Managers

The Registrant refer clients to an independent manager that will manage the client's assets referred to it. The Registrant shall provide investment advisory services specific to needs of each client. Prior to providing investment advisory services, an investment adviser representative will discuss with each client, their particular investment objective(s). The Registrant shall allocate each client's investment assets consistent with their designated investment objective(s). Clients may, at anytime, impose restrictions, in writing, on the Registrant's services.

As indicated above, each client is advised that it remains his/her/its responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising Registrant's previous recommendations and/or services.

To the extent the Program utilizes *Independent Manager[s]*, the Registrant shall provide the *Independent Manager[s]* with each client's particular investment objective(s). Any changes in the client's financial situation or investment objectives reported by the client to the Registrant shall be communicated to the *Independent Manager[s]* within a reasonable period of time.

Item 8 Client Contact With Portfolio Managers

The client shall have, without restriction, reasonable access to the Program's portfolio manager.

Item 9 Additional Information

- A. The Registrant has not been the subject of any disciplinary actions requiring disclosure.

Other Financial Industry Activities and Affiliations

Neither the Registrant, nor its representatives, are registered or have an application pending to register, as a broker-dealer or a registered representative of a broker-dealer.

Neither the Registrant, nor its representatives, are registered or have an application pending to register, as a futures commission merchant, commodity pool operator, a commodity trading advisor, or a representative of the foregoing.

Certified Public Accountant and Accounting Firm. Certain representatives of the Registrant are also certified public accountants ("CPA"). To the extent that a client specifically requests accounting advice and/or tax preparation services, the Registrant may recommend the services of a CPA, including Registrant's representatives in their individual capacity as a CPA. Any such accounting advice and/or tax preparation services shall rendered independent of the Registrant pursuant to a separate agreement between the client and CPA. The Registrant shall not receive any of the fees charged by CPA, referral or otherwise.

Conflict of Interest: The recommendation by Registrant's representatives that a client engage the services of a representative of the Registrant, in his individual capacity as a CPA, presents a *material conflict of interest*. No client is under any obligation to engage such representative in his individual capacity as a CPA. **The Registrant's Chief Compliance Officer, Lisa M. Sponcil, remains available to address any questions that a client or prospective may have regarding the above conflicts of interest.**

Licensed Insurance Agents. Certain of Registrant's representatives, in their individual capacities, are licensed insurance agents, and may recommend the purchase of certain insurance-related products on a commission basis. As referenced in Item 4 B above, clients can engage certain of Registrant's representatives to effect insurance transactions on a commission basis.

- **Conflict of Interest:** The recommendation by Registrant's representatives that a client purchase a securities or insurance commission product presents a *material conflict of interest*, as the receipt of commissions may provide an incentive to recommend investment products based on commissions received, rather than on a particular client's need. No client is under any obligation to purchase any commission products from Registrant's representatives. Clients are reminded that they may purchase investment products recommended by Registrant through

other, non-affiliated broker dealers or insurance agents. **The Registrant's Chief Compliance Officer, Lisa M. Sponcil, remains available to address any questions that a client or prospective may have regarding the above conflict of interest.**

Licensed Attorneys. Certain representatives of the Registrant are licensed attorneys. To the extent that said owners provide legal services to any clients, including clients of the Registrant, all such services shall be performed by those representatives in their individual professional capacity, independent of the Registrant, for which services Registrant shall not receive any portion of the fees charged by such representative, referral or otherwise. It is expected that such representative, solely incidental to their respective practices as attorneys, shall recommend the Registrant's services to certain of its clients. No client of Registrant is under any obligation to use the services of such representative.

The Registrant's Chief Compliance Officer, Lisa M. Sponcil, remains available to address any questions that a client or prospective client may have regarding the above conflict of interest.

- B. The Registrant does not recommend or select other investment advisors for which it receives a fee.

Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

- A. The Registrant maintains an investment policy relative to personal securities transactions. This investment policy is part of Registrant's overall Code of Ethics, which serves to establish a standard of business conduct for all of Registrant's Associated Persons that is based upon fundamental principles of openness, integrity, honesty and trust, a copy of which is available upon request.

In accordance with Section 204A of the Investment Advisers Act of 1940, the Registrant also maintains and enforces written policies reasonably designed to prevent the misuse of material non-public information by the Registrant or any person associated with the Registrant.

- B. Neither the Registrant nor any related person of Registrant recommends, buys, or sells for client accounts, securities in which the Registrant or any related person of Registrant has a material financial interest.
- C. The Registrant and/or representatives of the Registrant *may* buy or sell securities that are also recommended to clients. This practice may create a situation where the Registrant and/or representatives of the firm are in a position to materially benefit from the sale or purchase of those securities. Therefore, this situation creates a potential conflict of interest. Practices such as "scalping" (i.e., a practice whereby the owner of shares of a security recommends that security for investment and then immediately sells it at a profit upon the rise in the market price which follows the recommendation) could take place if the Registrant did not have adequate policies in place to detect such activities. In addition, this requirement can help detect insider trading, "front-running" (i.e., personal trades executed prior to those of the Registrant's clients) and other potentially abusive practices.

The Registrant has a personal securities transaction policy in place to monitor the personal securities transactions and securities holdings of each of the Registrant's "Access Persons". The Registrant's securities truncation policy requires that Access Person of the Registrant must provide the Chief Compliance Officer or his/her designee with a written report of the their current securities holdings within ten (10) days after becoming an Access Person. Additionally, each Access Person must provide the Chief Compliance Officer or his/her designee with a written report of the Access Person's current securities holdings at least once each twelve (12) month period thereafter on a date the Registrant selects; provided, however that at any time that the *Registrant* has only one Access Person, he or she shall not be required to submit any securities report described above.

- D. The Registrant and/or representatives of the Registrant *may* buy or sell securities, at or around the same time as those securities are recommended to clients. This practice creates a situation where the Registrant and/or representatives of the firm are in a position to materially benefit from the sale or purchase of those securities. Therefore, this situation creates a potential conflict of interest. As indicated above in Item 11 C, the Registrant has a personal securities transaction policy in place to monitor the personal securities transaction and securities holdings of each of Registrant's Access Persons.

Review of Accounts

- A. For those clients to whom Registrant provides investment supervisory services, account reviews are conducted on an ongoing basis by the Registrant's Principals and Chief Compliance Officer. All investment supervisory clients are advised that it remains their responsibility to advise the Registrant of any changes in their investment objectives and/or financial situation. All clients (in person or via telephone) are encouraged to review financial planning issues (to the extent applicable), investment objectives and account performance with the Registrant on an annual basis.
- B. The Registrant *may* conduct account reviews on an other than periodic basis upon the occurrence of a triggering event, such as a change in client investment objectives and/or financial situation, market corrections and client request.
- C. Clients are provided, at least quarterly, with written transaction confirmation notices and regular written summary account statements directly from the broker-dealer/custodian and/or program sponsor for the client accounts. The Registrant may also provide a written periodic report summarizing account activity and performance.

Client Referrals and Other Compensation

- A. As referenced in Item 12.A.1 in the Form ADV Part 2A Brochure, the Registrant may receive an indirect economic benefit from *Schwab* and/or

Fidelity. The Registrant, without cost (and/or at a discount), may receive support services and/or products from *Schwab* and/or *Fidelity*.

Registrant's clients do not pay more for investment transactions effected and/or assets maintained at *Schwab* and/or *Fidelity* as result of this arrangement. There is no corresponding commitment made by the Registrant to *Schwab* and/or *Fidelity* or any other any entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as result of the above arrangement.

The Registrant's Chief Compliance Officer, Lisa M. Sponcil, remains available to address any questions that a client or prospective client may have regarding the above arrangement and any corresponding perceived conflict of interest any such arrangement may create.

- B. If a client is introduced to the Registrant by either an unaffiliated or an affiliated solicitor, Registrant *may* pay that solicitor a referral fee in accordance with the requirements of Rule 206(4)-3 of the Investment Advisers Act of 1940, and any corresponding state securities law requirements. Any such referral fee shall be paid solely from the Registrant's investment management fee, and shall not result in any additional charge to the client. If the client is introduced to the Registrant by an unaffiliated solicitor, the solicitor, at the time of the solicitation, shall disclose the nature of his/her/its solicitor relationship, and shall provide each prospective client with a copy of the Registrant's written Brochure with a copy of the written disclosure statement from the solicitor to the client disclosing the terms of the solicitation arrangement between the Registrant and the solicitor, including the compensation to be received by the solicitor from the Registrant.

Financial Information

- A. The Registrant does not solicit fees of more than \$1,200, per client, six months or more in advance.
- B. The Registrant is unaware of any financial condition that is reasonably likely to impair its ability to meet its contractual commitments relating to its discretionary authority over certain client accounts.
- C. The Registrant has not been the subject of a bankruptcy petition at any time during the last ten (10) years.
