Educational Background and Business Experience

Form ADV Part 2B, Item 2

Susan Virginia Stevens – CRD #2511599

Year of Birth: 1956

Formal Education after High School:

- College for Financial Planning, Master of Science, 1995
- University of Chicago, Master of Business Administration, 1989
- Northwestern University, Bachelor of Music, 1979

Business Background for the Previous Five Years:

- Stevens Wealth Management LLC, President, 1/2000 – Present
- Stevens Visionary Strategies, LLC, President 7/2009 – Present
- Financial Happiness, LLC, President 8/2008 – 12/2010
- Morningstar, Inc, Director of Financial Planning, 5/1999- 12/2007

Certifications:

CERTIFIED FINANCIAL PLANNER™ Professional

Requirements for this designation include:

- Completion of seven required courses including the following major planning topics: general principles of financial planning, insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning and estate planning.
- Pass the CFP® exam.
- A bachelor degree (or higher) in any discipline, from an accredited college or university within five years of passing the CFP® Certification Examination.
- Three years full-time, or the equivalent part-time (2,000 hours equals one year full-time). Six months of experience must have been gained within the last 12 months of reporting work experience. Experience may be gained up to 10 years before or up to five years after the exam date.
- Must complete 30 hours every two years and the required ethics course for continuing education.

Certified Public Accountant/Personal Financial Specialist (CPA/PFS)

The CPA requirements can vary by state. The Illinois requirements for this designation include:

- Successful completion of at least 150 semester hours of acceptable credit including a bachelor's degree (or higher). The semester hours must include an accounting concentration (24 semester hours undergraduate level or 15 hours graduate level) or its equivalent. No more than six semester hours of accounting may be obtained through internships or life-experience credit posted on a college transcript. Courses include financial accounting, auditing, taxation, and management accounting.
- Pass the CPA exam.
- Pass a Professional Ethics course offered by the Association of International Certified Public Accountants (AICPA). Must receive a score of 90 percent on this exam.
- Must complete 120 hours every three years in continuing education.

The PFS designation allows CPAs to demonstrate their knowledge and skill in personal financial planning:

- Must first have a CPA license.
- Join the American Institute of CPAs (AICPA) and be a member in good standing.
- Complete comprehensive personal financial planning (PFP) education which includes a minimum of 80 hours of PFP education within a five-year period.
- Attain a specified level of personal financial planning (PFP) experience which includes two years of full-time business or teaching experience (or 3,000 hours equivalent) in PFP within the five-year period.
- Pass the personal financial planning (PFP) examination.

Chartered Financial Analyst (CFA)

Requirements for this designation include:

- Complete the CFA Program which includes three levels, each consisting of a six-hour exam. Completing the Program takes most candidates between two and five years.
- Must have four years of qualified investment work experience.
- Become a member of the CFA Institute.
- Pledge to adhere to the CFA Institute Code of Ethics and Standards of Professional Conduct on an annual basis.
- Must apply for membership to a local CFA member society.

Jason Alan Guenther– CRD #4237658
