Registered representative of a broker-dealer

Individual is a registered representative with Essex National Securities, Inc., a registered broker-dealer, member FINRA and SIPC. In this capacity, the representative may recommend investment products and receive transaction commissions if products are purchased through the broker-dealer. Thus, a conflict of interest exists between the interests of registered representative and those of the advisory clients, creating an incentive for representative to recommend investment products based on the compensation received, rather than on a client's needs.

However, clients are under no obligation to act upon any recommendations of registered representative or to effect any transactions through him if they decide to follow the recommendations (unless they have granted our firm discretionary investment authority). Representative does not limit his recommendations to products or services offered by the broker-dealer and ensures that all recommendations are appropriate for a client's specific needs. Clients have the option to purchase investment products recommended through other broker-dealers not affiliated with this representative.

Insurance company or agency

Representative is an insurance broker with various insurance companies. In this capacity, your representative may recommend insurance products and receive normal insurance transaction commissions if products are purchased through insurance companies with which he is affiliated. Thus, a conflict of interest exists between the interests of your representative and those of the advisory clients, creating an incentive for him to recommend investment and insurance products based on the compensation received, rather than on a client's needs. However, clients are under no obligation to act upon any recommendations of the representative or to effect any transactions through him if they decide to follow the recommendations (unless they have granted our firm discretionary investment authority).

Your Advisor does not limit his recommendations to products or services offered by specific insurance companies and ensures that all recommendations are appropriate for a client's specific needs. Clients have the option to purchase investment and insurance products recommended through other insurance companies.
