Item 3- Disciplinary History

Registered investment advisers are required to disclose all material facts regarding any legal or disciplinary events that would be material to your evaluation of each supervised person providing investment advice. No information is applicable to this Item.

Item 4- Other Business Activities

The Supervised Person, in addition to providing investment advisory and/or financial planning services, is also registered as a broker/dealer agent of Sterne, Agee Financial Services, Inc. offering various securities products to clients. For advisory clients participating in the Managed Account Program, the Supervised Person may be entitled to a portion of commissions as a broker/dealer agent, if the client is responsible for the commission charges.

For non-advisory assets, the Supervised Person, as a broker/dealer agent, does receive commissions from the sale of various securities products. In the case of mutual funds, the Supervised Person may also receive trails, in the form of 12b-1 fees, for existing mutual fund positions. Since the Supervised Person receives commission for the sale of securities products, there is an incentive for the Supervised Person to recommend products based on compensation received rather than the client's needs. The firm has adopted policies and practices designed to review transactions for suitability and their overall appropriateness to the client.

As President of TK Consultants, LLC, the Supervised Person is engaged in creating plans for people or businesses who want to have areas of their home or business organized. The Supervised Person also provides notary services as needed.

Item 5- Additional Compensation

The Supervised Person does not receive economic benefits in the form of awards, bonuses and prizes for any person or entity for providing advisory services and investment advice to a client of Synergy Investment Group, LLC.

Item 6 - Supervision

Joseph Hayes, Chief Compliance Officer, and any designee he may appoint are daily reviewing transactions in client accounts. A sample of accounts is monitored by the Chief Compliance Officer. In such a review, the Chief Compliance Officer is evaluating transaction history relative to the client's profile and the underlying agent's compliance with firm policies and fiduciary standards. Additional account reviews may be triggered by a specific client request; a customer complaint; or, as needed, based on activity levels within an account. A sample of financial plans will be reviewed as needed by the Chief Compliance Officer. Joseph Hayes can be contacted at (704) 333-7637.

Item 7- Requirements for State-Registered Advisers

Registered investment advisers are required to disclose all material facts regarding any reportable events that would be material to your evaluation of each supervised person providing investment advice. There is no information to report under this Item.
