Designations

Certified Public Accountant (CPA), MA Board of Accountancy, 1993

CPA Requirements: While each state is different, a CPA must possess a BS in accounting from an accredited University or College with minimum course requirements in various accounting and tax disciplines. States vary between requiring a 120 hours of credits and 150 hours (4 year vs. 5 year degrees). In addition, each CPA must pass a multi part, multi day examination considered one of the more difficult standard exams in the country with a low first time pass rate. The last requirement is an experience requirement gained while working for a CPA firm performing CPA functions including a minimum number of hours in the attest function in order to gain a full license. This experience required various from 1 to 3 years.
