Item 3 Disciplinary Information

This item discusses any disciplinary problems connected with me.

There have been no disciplinary problems involving me.

Item 4 Other Business Activities

This item lists other businesses in which I am involved.

I am employed as a registered representative with LPL Financial Corporation ("LPL"). In such capacity I may spend up to 35% of my time offering brokerage and insurance products and receive normal and customary commissions as a result of these securities and insurance purchases. I may spend up to 65% of my time on investment advisory activities. This presents a conflict of interest to the extent that I recommend that you invest in a security in which I receive the resulting commission. Any such situations that may be reasonably expected to be conflicts of interest will be fully disclosed to you.

Item 5 Additional Compensation

This item discusses any compensation in addition to investment advisory fees that I may receive in connection with giving investment advice to you.

I may own or transact securities trades which may coincide with a recommendation to you. Generally speaking, any publicly traded securities positions held by me would be considered inconsequential when compared to the number of shares outstanding. Regardless of the circumstances, in every situation, your needs are considered first and the securities recommended are widely held and publicly traded. Any situations that may be reasonably expected to be conflicts of interest will be fully disclosed to you.

Item 6 Supervision

This item gives you information about the company's supervision of my investment advisory activities.
