You bear the responsibility for verifying the accuracy of fee calculations.

5.D: FEE PAYMENTS

Investment Management Fees

Compensation to Gratke Wealth, LLC for its services will be calculated in accordance with “Schedule A” of the Investment Advisory Agreement, which may be amended from time to time by Gratke Wealth upon 30 days prior written notice to client. Gratke Wealth fees are paid quarterly in advance, with payment due within 10 days from the date of the invoice. Our fee is determined by taking the percentage rate we charge, times the market value of the account, divided by the number of days in the year and multiplied by the number of days in the quarter. The market value is the sum of the values of all assets in the account, not adjusted by any margin debit. Fees for partial quarters at the commencement or termination of our agreement will be billed or refunded on a pro-rated basis contingent on the number of days the account was open during the quarter. Quarterly fee adjustments for additional assets received into the account during a quarter or for partial withdrawals will also be provided on the above pro rata basis.

Financial Planning Fees

Fees for financial planning services are based on a rate of \$250.00 per hour, due at time of service. We will also perform certain financial planning projects on a fixed fee basis. Services performed on a fixed fee basis require a retainer equal to one-half the fixed fee. The remaining balance will be billed in equal installments on a monthly basis until the project is completed. All invoices are due within 10 days of invoice. Special arrangement may be made with clients wishing to retain financial planning services on an ongoing basis.

When an agreement is terminated, all assets may need to be transferred from the current custodian. You will be responsible for paying all fees including full quarterly custodial administrative fees, account closure fees, mutual fund fees and all trading costs due to the termination. ITEM 8 – METHODS OF ANALYSIS, INVESTMENT STRATEGIES AND RISK OF LOSS

8.A: ANALYSIS

Gratke Wealth uses multiple sources of information to obtain analysis and strategies. They include sources such as financial newspapers, research prepared by others, corporate rating services, prospectuses, company press releases and annual reports and filings with the SEC.

8.B: INVESTMENT STRATEGIES

Gratke Wealth utilizes multiple investment strategies to meet your investment objectives, primarily as defined by your Financial Planning Agreement.

These may include Long Term Trading, which is designed to capture market rates of both return and risk. Frequent trading, when done, can affect investment performance, particularly through increased brokerage and other transaction costs and taxes. This may also include Short Term Trading and options writing, which generally hold greater risk and clients should be aware that there is a chance of material risk of loss using any of those strategies.

Securities investments involve a risk of loss that you should be prepared to bear.

8.C: RISK OF LOSS

All investments include a risk of loss. In addition, as recent global and domestic economic events have indicated, performance of any investment is not guaranteed. As a result, there is a risk of loss of the assets we manage that may be out of our control. We use our best efforts and expertise to manage your assets. However, we cannot guarantee any level of performance or that you will not experience financial loss.

Gratke Wealth will use our best judgment and good faith efforts in rendering services to you. We cannot warrant or guarantee any particular level of account performance, or that the account will be profitable over time. Not every investment decision or recommendation made by us will be profitable. You assume all market risk involved in the investment of account assets under the Investment Advisory Agreement and understand that investment decisions made for this account are subject to various market, currency, economic, political and business risks. Except as may otherwise be provided by law, we will not be liable to you for (a) any loss that you may suffer by reason of any investment decision made or other action taken or omitted in good faith by Gratke Wealth with that degree of care, skill, prudence and diligence under the circumstances that a prudent person acting in a fiduciary capacity would use; (b) any loss arising from our adherence to your instructions; or (c) any act or failure to act by a custodian of your account. Nothing in this document shall relieve us from any responsibility or liability we may have under state or federal statutes.

Additionally, Gratke Wealth and its managers have never been found in violation of self-regulatory agencies rules such that they were barred, suspended, limited in advisory functions or fined.

ITEM 10 – OTHER FINANCIAL INDUSTRY ACTIVITIES AND AFFILIATIONS

10.A: BROKER DEALERS AND REGISTERED REPRESENTATIVES

Gratke Wealth is not registered as a broker-dealer and our employees are not registered representatives of any broker-dealer.

10.B: REGISTRATION AS A FUTURES COMMISSION MERCHANT, COMMODITY POOL OPERATOR, OR A COMMODITY TRADING ADVISOR

Neither Gratke Wealth nor our employees hold any of the above registrations.

10.C: REGISTRATION RELATIONSHIPS MATERIAL TO THIS ADVISORY BUSINESS AND POSSIBLE CONFLICTS OF INTERESTS

The principal business of Gratke Wealth is that of a registered investment advisor and provider of financial planning services. Some of our members may be insurance agents. Employees who are insurance agents may also be paid based on these services they provide. In cases where we receive additional payment, there may be a conflict of interest. At all times, you are free to choose an outside agency to avoid the possibility of there being a conflict of interest.

Gratke Wealth may execute transactions with broker-dealers that pay a portion of 12b-1 fees to our principals. This interest conflicts with your interest of obtaining the lowest commission rate available. Therefore, we must determine in good faith, based on the “best execution” policy stated below that such commissions are reasonable in relation to the value of the services provided by such executing broker-dealers.

Gratke Wealth will disclose any material conflict of interest relating to Gratke Wealth, our representatives, or any of our employees which could reasonably be expected to impair the rendering of unbiased and objective advice.

10.D: SELECTION OF OTHER ADVISORS OR MANAGERS AND HOW THIS ADVISOR IS COMPENSATED FOR THOSE SELECTIONS

Gratke Wealth does not select other advisors.

ITEM 11 – CODE OF ETHICS

11.A: CODE OF ETHICS DESCRIPTION

Gratke Wealth has adopted a Code of Ethics that governs a number of potential conflicts of interest we have when providing our advisory services to you. This Code of Ethics is designed to ensure we meet our fiduciary obligation to you and to stress the importance of a culture of compliance within our firm.

An additional benefit of our Code of Ethics is to detect and prevent violations of securities laws, including our obligations we owe to you.

Gratke Wealth's Code of Ethics is comprehensive, is distributed to each employee at the time of hire, and annually thereafter (if there are changes). We also supplement the Code of Ethics with annual training and on-going monitoring of employee activity. A complete copy of our Code of Ethics will be supplied to you, free of charge, if you request it.

Gratke Wealth's Code of Ethics includes the following:

- Requirements related to the confidentiality of your personal, business and financial information
- Prohibitions on insider trading (if we are in possession of material, non-public information)
- Reporting of gifts and business entertainment
- Pre-clearance of employee and firm transactions
- Reporting (on an on-going and quarterly basis) all personal securities transactions (what we call "reportable securities" as mandated by regulation)
- On an annual basis, we require all employees to re-certify to our Code of Ethics, identify members of their household and any account to which they have a beneficial ownership (they "own" the account or have "authority" over the account), securities held in certificate form and all securities they own at that time.

11.B, C & D: PARTICIPATION OR INTEREST IN CLIENT TRANSACTIONS

Gratke Wealth, or its employees, may buy and sell some of the same securities for our own accounts that we buy and sell for our clients. We will always buy or sell from our clients' accounts before we buy or sell from our accounts. In some cases Gratke Wealth, or its employees, may buy or sell securities for our own accounts and not for clients' accounts, as it may not meet the objectives or plans for the client.

Gratke Wealth will always maintain full disclosure with our clients so that you can make informed decisions. We will always evaluate our activity from the view of our clients to ensure that any and all required disclosures are made. For example, we will disclose anything that would cause you to be unfairly influenced to make any decision regarding actions or inactions in your account.

For California Residents: Gratke Wealth adheres to the California Code of Regulations, Title 10 Section 260.238 (k), (1), (2) and (o) which prohibits investment advisers from:

(k) Failing to disclose to a client in writing before entering into or renewing an advisory agreement with that client any material conflict of interest relating to the adviser, its representatives or any requires that of its employees, which could be reasonably expected to impair the rendering of unbiased and objective advice including:

(1) Compensation arrangements connected with advisory services to clients which are in addition to compensation from such clients for such services; and

(2) Charging a client an advisory fee for rendering advice without disclosing that a commission for executing securities transactions pursuant to such advice will be received by the adviser, its representatives or its employees, or that such advisory fee is being reduced by the amount of the commission earned by the adviser, its representatives or employees for the sale of securities to the client.

(o) Making any untrue statement of a material fact or omitting a statement of material fact necessary in order to make the statements made, in light of the circumstances under which they are made, not misleading in the solicitation of advisory clients.

ITEM 12 – BROKERAGE PRACTICES

12.A: SELECTING BROKERAGE FIRMS

As part of our services, Gratke Wealth will recommend a broker-dealer. We have selected our broker-dealers based on price, reliability, speed of processing, tools and "best execution" in addition to other considerations. And while you are not required to effect transactions

through any broker-dealer recommended by us, we feel we have made our selections based on a totality of benefits they offer.

Gratke Wealth may purchase software, tools, training programs or seminar services from our broker-dealer. Additionally, broker-dealers may provide services, tools or other non-financial benefits to us as a benefit for using the broker-dealer's services. However, we endeavor at all times to put the interests of our clients first. You should be aware, however, that the receipt of the types of benefits discussed above can create a potential conflict of interest by influencing our choice of a broker-dealer.

To avoid creating a possible conflict of interest in recommending broker-dealers, we have established the following restrictions in order to ensure its fiduciary responsibilities:

1. Gratke Wealth adheres to our Code of Ethics as outlined in Item 11 above.
2. If Gratke Wealth receives separate compensation for transactions, we will fully disclose them.
3. Gratke Wealth emphasizes the unrestricted right of you to select and choose your own broker or dealer.
4. Gratke Wealth will always act in accordance with all applicable federal and state regulations governing registered investment advisory practices.
5. A director, officer, associated person, or employee of Gratke Wealth, LLC shall not buy or sell securities for her/his personal portfolio where her/his decision is substantially derived, in whole or in part, by reason of her/his employment unless the information is also available to the investing public or reasonable inquiry. No person of Gratke Wealth, LLC shall prefer her/his or her own interest to that of the advisory client.
6. Gratke Wealth, LLC maintains a list of all securities holdings for itself and anyone associated with its advisory practice with access to advisory recommendations. These holdings are reviewed on a regular basis by an appropriate officer of Gratke Wealth, LLC.
7. If Gratke Wealth, LLC receives separate compensation for effecting transactions on the client's behalf such compensation arrangements will be fully disclosed to client.
8. Gratke Wealth, LLC emphasizes the unrestricted right of the client to select and choose their own broker or dealer.
9. Gratke Wealth, LLC requires that all individuals must act in accordance with all applicable federal and state regulations governing registered investment advisory practices.
10. Any individual not in observance of the above may be subject to termination.

ITEM 13 – REVIEW OF ACCOUNTS

13.A: PERIODIC REVIEWS

Accounts are reviewed by David Gratke or qualified staff members. All reviews are either conducted or supervised by David Gratke. The frequency of reviews is determined based on your investment objectives, but no less than annually.

Financial planning clients receive their financial plans and recommendations at the time the service is completed. Depending on the type of financial planning service requested, we may meet on a regular basis with you to discuss any potential changes to your financial plan.

13.B: REVIEW TRIGGERS

The frequencies of reviews are determined based on the client's investment objectives. More frequent reviews may also be triggered by a change in client's investment objectives; tax considerations; large deposits or withdrawals; large sales or purchases; loss of confidence in corporate management; or, changes in economic climate.

13.C: REGULAR REPORTS

All investment advisory clients receive quarterly reports on representative investments recommended specifically by Gratke Wealth. Investment advisory clients also receive standard account statements from the custodian of their accounts on a monthly basis. We encourage you to compare reports for accuracy.

Financial planning clients do not normally receive investment reports.

ITEM 14 – CLIENT REFERRALS AND OTHER COMPENSATION

14.A: ECONOMIC BENEFITS PROVIDED BY THIRD PARTIES FOR ADVICE RENDERED TO CLIENTS

Gratke Wealth may execute transactions with broker-dealers that pay a portion of 12b-1 fees to our principals. This interest conflicts with your interest of obtaining the lowest commission rate available. Therefore, we must determine in good faith, based on the “best execution” policy stated below that such commissions are reasonable in relation to the value of the services provided by such executing broker-dealers.

Gratke Wealth will disclose any material conflict of interest relating to Gratke Wealth, our representatives, or any of our employees which could reasonably be expected to impair the rendering of unbiased and objective advice.

14.B: COMPENSATION TO NON-ADVISORY PERSONNEL FOR CLIENT REFERRALS

Gratke Wealth does not directly or indirectly compensate any person for client referrals.

ITEM 15 – CUSTODY

Gratke Wealth clients' accounts are held by a qualified custodian and Gratke Wealth shall have no liability to the client for any loss or other harm to any property in the account, including any harm to any property in the account resulting from the insolvency of the custodian or any acts of the agents or employees of the custodian and whether or not the full amount or such loss is covered by the Securities Investor Protection Corporation ("SIPC") or any other insurance which may be carried by the custodian. The client understands that SIPC provides only limited protection for the loss of property held by a broker-dealer. Custodial statements will include fees charged by Gratke Wealth. We strongly urge you to review the investment advisory fees contained in the custodial statement for accuracy.

ITEM 16 – INVESTMENT DISCRETION

Gratke Wealth is authorized to aggregate purchases and sales and other transactions made for your account with purchases and sales and other transactions in the same or similar securities or instruments for other clients of ours. When we aggregate transactions, the actual prices applicable to the aggregated transactions will be averaged, and the account will be deemed to have purchased or sold its proportionate share of the securities or instruments involved at the average price obtained. Stock exchange regulations may in certain instances prevent the executing broker-dealer from delivering to the account a confirmation slip with respect to its participation in the aggregated transaction and, in such event, we will advise you in writing of any purchase or disposition of instruments for the account with respect to any such aggregated transaction. We will direct that confirmations of any transactions effected for the account will be sent, in conformity with applicable law, to you.

Gratke Wealth has non-discretionary authority over our clients' accounts. Non-discretionary authority requires us to obtain your prior approval of each specific transaction prior to executing investment recommendations.

ITEM 17 – VOTING CLIENT SECURITIES

The clients of Gratke Wealth retain the authority to proxy vote and will continue to do so until we otherwise may agree in writing. You should ensure that proxy ballots are mailed directly to you by selecting this option on your custodial application forms. You are welcome to delegate said proxy voting authority to a third-party representative (non-advisory personnel) by filing the appropriate custodial form.

ITEM 18 – FINANCIAL INFORMATION

18.A: BALANCE SHEET

Gratke Wealth does not solicit prepayment of more than \$500 in fees per client six (6) months in advance and is not required to submit a balance sheet.

David Gratke is located at 1500 NW Bethany Boulevard, Suite 200, Beaverton, Oregon 97006 and can be reached by calling (888) 970-8987.

19.B: OTHER BUSINESSES IN WHICH THIS ADVISORY FIRM OR ITS PERSONNEL ARE ENGAGED AND TIME SPENT ON THOSE

The principal business of Gratke Wealth is that of a registered investment advisor and provider of financial planning services. David Gratke is also an insurance agent. Employees who are insurance agents are paid fees and/or commissions for their services. In cases where we receive fees and/or commissions, there may be a conflict of interest. At all times, you are free to choose outside agents to avoid the possibility of there being a conflict of interest.

19.C: HOW PERFORMANCE BASED FEES ARE CALCULATED AND DEGREE OF RISK TO CLIENTS

As stated above, Gratke Wealth does not accept performance-based fees or other fees based on a share of capital gains on or capital appreciation of the assets of a client.

19.D: MATERIAL DISCIPLINARY DISCLOSURES FOR MANAGEMENT PERSONS OF THIS FIRM

Other than disclosures made in Item 9 above, neither Gratke Wealth nor our employees have been involved in an arbitration claim or been found liable in a civil, self-regulatory organization, or administrative proceeding.

19.E: MATERIAL RELATIONSHIPS MANAGEMENT PERSONS HAVE WITH ISSUERS OF SECURITIES

Gratke Wealth may execute transactions with broker-dealers that pay a portion of 12b-1 fees to our principals. This interest conflicts with your interest of obtaining the lowest commission rate available. Therefore, we must determine in good faith, based on the “best execution” policy stated below that such commissions are reasonable in relation to the value of the services provided by such executing broker-dealers.

Gratke Wealth will disclose any material conflict of interest relating to Gratke Wealth, our representatives, or any of our employees which could reasonably be expected to impair the rendering of unbiased and objective advice.
