Mr. Tolmacs is a registered representative of Triad Advisors, Inc. ("Triad"), a registered full service general securities broker-dealer with the Securities and Exchange Commission ("SEC"), a registered investment adviser, a member of the Financial Industry Regulatory Authority, Inc. ("FINRA") and various other regulatory bodies. Mr. Tolmacs, as registered representatives of Triad, will sell securities products while acting in this capacity, and will be compensated on the normal and customary commission schedule. A conflict of interest may arise as these commissionable securities sales may create an incentive to recommend products based on the compensation Mr. Tolmacs may earn and may not necessarily be in the best interests of the client. This conflict is mitigated as Clients may work with any insurance company of their choosing, one of which may be Harbinger Financial Group, Inc. The client has no obligation to do business with the Mr. Tolmacs. This activity takes 10% of Mr. Tolmacs time.

## ITEM 3. DISCIPLINARY INFORMATION

If there are legal or disciplinary events material to your evaluation of Mazie Tamyó, we are required to disclose all material facts regarding those events.

Ms. Tamyó does not have any disciplinary events to disclose.

**Note:** Our firm may, under certain circumstances, rebut the presumption that a disciplinary event is material. If an event is immaterial, we are not required to disclose it. When we review a legal or disciplinary event involving Mazie Tamyó to determine whether it is appropriate to rebut the presumption of materiality, we consider all of the following factors: (1) the proximity of Mazie Tamyó to the advisory function; (2) the nature of the infraction that led to the disciplinary event; (3) the severity of the disciplinary sanction; and (4) the time elapsed since the date of the disciplinary event. If we conclude that the materiality presumption has been overcome, we prepare and maintain a file memorandum of our determination in our records. We follow SEC rule 204-2(a)(14)(iii) and similar state rules.

#### ITEM 4. OTHER BUSINESS ACTIVITIES

A. If Mazie Tamyo is actively engaged in any investment-related business or occupation, including if Mazie Tamyo is registered, or has an application pending to register, as a broker-dealer, registered representative of a broker-dealer, futures commission merchant ("FCM"), commodity pool operator ("CPO"), commodity trading advisor ("CTA"), or an associated person of an FCM, CPO, or CTA, we are required to disclose this fact and describe the business relationship, if any, between the advisory business and the other business.

1. If a relationship between the advisory business and Mazie Tamyo's other financial industry activities creates a material conflict of interest with you, the SEC requires us to describe the nature of the conflict and generally how we address it.

Ms. Tamyo is a licensed insurance agent. As such, she may have an incentive to sell and recommend insurance products to Harbinger Asset Management LLC clients. When such recommendations or sales are made, a conflict of interest exists as Ms. Tamyo may earn insurance commissions for the sale of those products, which may create an incentive to recommend such products. Clients are under no obligation to purchase insurance products from Ms. Tamyo.

2. If Mazie Tamyo receives commissions, bonuses or other compensation based on the sale of securities or other investment products, including as a broker-dealer or registered representative, and including distribution or service ("trail") fees from the sale of mutual funds, we have to disclose this fact. If this compensation is not cash, we are required to explain what type of compensation Mazie Tamyo receives. We must explain that this practice gives Mazie Tamyo an incentive to recommend investment products based on the compensation received, rather than on your needs.

We have nothing to disclose in this regard.

B. If Mazie Tamyo is actively engaged in any business or occupation for compensation not discussed in response to Item 4.A, above, and the other business activity or activities provide a substantial source of Mazie Tamyo's income or involve a substantial amount of Mazie Tamyo's time, we are required to disclose this fact and must describe the nature of that business. If the other business activities represent less than 10 percent of Mazie Tamyo's time and income, we may presume that they are not substantial.

Ms. Tamyo is concurrently employed at LMT Financial as their Chief Operating Officer. LMT Financial is an investment banking boutique servicing the following business areas: Investment Banking, Funds Acquisition, Business Expansion, New Venture or Startup, and Mergers and Acquisition. This presents a conflict of interest to clients as Ms. Tamyo dedicates a significant amount of time on this activity. This conflict is mitigated as clients are under full discretion to choose an alternate investment adviser representative to manage their assets.

## ITEM 5. ADDITIONAL COMPENSATION

If someone who is not a client provides an economic benefit to Mazie Tamyo for providing advisory services, we are required to generally describe the arrangement. For purposes of this Item, economic benefits include sales awards and other prizes, but do not include Mazie Tamyo's regular salary. Any bonus that is based, at least in part, on the number or amount of sales, client referrals, or new accounts should be considered an economic benefit, but other regular bonuses should not.

Ms. Tamyo does not receive additional compensation for advisory services.

## ITEM 6. SUPERVISION

We are required to explain how we supervise Mazie Tamyo, including how we monitor the advice Mazie Tamyo provides to you. Our firm has to provide the name, title and telephone number of the person responsible for supervising Mazie Tamyo's advisory activities on behalf of our firm.
