## **Item 4 – Advisory Services**

---

### **A. Firm Information**

Highwater Wealth Management (“HWM” or the “Advisor”) is a Registered Investment Advisor with the Securities and Exchange Commission, which is organized as a Limited Liability Company (LLC) under the laws of the State of Colorado. HWM was founded in 2011 and is owned and operated by Founder, George D. Griswold. This Disclosure Brochure provides information regarding the qualifications, business practices, and the advisory services provided by HWM.

### **B. Advisory Services Offered**

HWM offers investment advisory services to individuals, high net worth individuals, and charitable organizations in Colorado and other states (each referred to as a “Client”).

#### Account Portfolio Management

HWM provides customized investment advisory solutions for its Clients. This is achieved through continuous personal Client contact and interaction while providing discretionary investment management and consulting services. HWM works with each Client to identify their investment goals and objectives as well as risk tolerance and financial situation in order to create a portfolio allocation. HWM will then construct a portfolio, consisting primarily of exchange traded funds (“ETFs”) and mutual funds to achieve the Client’s investment goals. The Advisor may also utilize individual equities and fixed income securities, including United States government bonds and municipal bonds to meet the needs of its Clients.

HWM’s investment strategy is primarily long-term focused, but the Advisor may buy, sell or re-allocate positions that have been held less than one year to meet the objectives of the Client or due to market conditions. HWM will construct, implement and monitor the portfolio to ensure it meets the goals, objectives, circumstances, and risk tolerance agreed to by the Client. Each Client will have the opportunity to place reasonable restrictions on the types of investments to be held in their respective portfolio, subject to the acceptance by the Advisor.

HWM evaluates and selects ETFs and mutual funds for inclusion in Client portfolios only after applying their internal due diligence process. HWM may recommend, on occasion, redistributing investment allocations to diversify the portfolio. HWM may recommend specific positions to increase sector or asset class weightings. The Advisor may recommend employing cash positions as a possible hedge against market movement, which may adversely affect the portfolio. HWM may recommend selling positions for reasons that include, but are not limited to, harvesting capital gains or losses, business or sector risk exposure to a specific security or class of securities, overvaluation or overweighting of the position[s] in the portfolio, change in risk tolerance of Client, generating cash to meet Client needs, or any risk deemed unacceptable for the Client’s risk tolerance.

**Prior to rendering investment advisory services, HWM will ascertain, in conjunction with the Client, the Client’s financial situation, risk tolerance, and investment objective[s].**

HWM will provide investment advisory services and portfolio management services and will not provide securities custodial or other administrative services. At no time will HWM accept or maintain custody of a Client’s funds or securities. All Client assets will be managed within their designated brokerage account or pension account, pursuant to the Client Investment Advisory Agreement.

#### Financial Planning and Consulting Services

HWM will typically provide a variety of financial planning services to individuals and families, pursuant to a written Financial Planning or Consulting Agreement. Services are offered in several areas of a Client’s financial situation, depending on their goals, objectives and financial situation.

Generally, such financial planning services will involve preparing a financial plan or rendering a financial consultation for clients based on the Client’s financial goals and objectives. This planning or consulting may encompass one or more areas of need, including, but not limited to investment planning, retirement planning, personal savings, education savings and other areas of a Client’s financial situation.

A financial plan developed for or financial consultation rendered to the Client will usually include general recommendations for a course of activity or specific actions to be taken by the Client. For example, recommendations may be made that the Client start or revise their investment programs, commence or alter

retirement savings, establish education savings and/or charitable giving programs. HWM may also refer Clients to an accountant, attorney or other specialist, as appropriate for their unique situation. For certain financial planning engagements, the Advisor will provide a written summary of Client's financial situation, observations, and recommendations. For consulting or ad-hoc engagements, the Advisor may not provide a written summary. Plans or consultations are typically completed within six months of contract date, assuming all information and documents requested are provided promptly.

Financial planning and consulting recommendations may pose a potential conflict between the interests of the Advisor and the interests of the Client. Clients are not obligated to implement any recommendations made by the Advisor or maintain an ongoing relationship with the Advisor. If the Client elects to act on any of the recommendations made by the Advisor, the Client is under no obligation to effect the transaction through the Advisor.

### C. Client Account Management

Prior to engaging HWM to provide investment advisory services, each Client is required to enter into an Investment Advisory Agreement with the Advisor that defines the terms, conditions, authority and responsibilities of the Advisor and the Client. These services may include:

- Establishing an Investment Policy Statement – HWM, in connection with the Client, may develop a statement that summarizes the Client's investment goals and objectives along with the broad strategy[ies] to be employed to meet the objectives. An Investment Policy Statement generally includes specific information on the Client's stated goals, time horizon for achieving the goals, investment strategies, Client risk tolerance and any restrictions imposed by the Client.
- Asset Allocation – HWM will develop a strategic asset allocation that is targeted to meet the investment objectives, time horizon, financial situation and tolerance for risk for each Client.
- Portfolio Construction – HWM will develop a portfolio for the Client that is intended to meet the stated goals and objectives of the Client.
- Investment Management and Supervision – HWM will provide investment management and ongoing oversight of the Client's portfolio and overall account.

### D. Wrap Fee Programs

HWM does not manage or place Client assets into a wrap fee program. Investment management services are provided directly by HWM.

### E. Assets Under Management

As of December 31, 2011, HWM manages the following assets:

Assets Under Management	Assets
Discretionary Assets	\$22,000,000
Non-discretionary Assets	\$0
<b>Total</b>	<b>\$22,000,000</b>

. Clients may request more current information at any time by contacting the Advisor.

## **Item 5 – Fees and Compensation**

---

The following paragraphs detail the fee structure and compensation methodology for investment management. Each Client shall sign an Investment Advisory Agreement that details the responsibilities of HWM and the Client.

### **A. Fees for Advisory Services**

#### **Account Portfolio Management**

Investment Advisory Fees are paid quarterly in advance pursuant to the terms of the Investment Advisory Agreement. Investment Advisory Fees are based on the market value of assets under management at the end of each calendar quarter. Investment Advisory Fees range from 1.00% to 0.50% based on the following schedule:

Assets Under Management	Annual Rate
\$0 to \$500,000	1.25%
\$500,000 to \$2,500,000	1.00%
\$2,500,000 to \$5,000,000	0.85%
\$5,000,000 to \$10,000,000	0.75%
\$10,000,000 to \$20,000,000	0.50%
Over \$20,000,000	Negotiable

Investment Advisory Fees in the first quarter of service are prorated to the inception date of the account to the end of the first quarter. Fees may be negotiable at the discretion of the Advisor. The Client's fees will take into consideration the aggregate assets under management with Advisor. All securities held in accounts managed by HWM will be independently valued by the designated Custodian. HWM will not have the authority or responsibility to value portfolio securities.

#### **Financial Planning and Consulting Services**

HWM offers financial planning or consulting services on an hourly basis for \$250 per hour, which may be negotiable depending on the nature and complexity of each Client's circumstances. An estimate for total hours will be determined prior to establishing the advisory relationship.

The Advisor's fee is exclusive of, and in addition to brokerage commissions, transaction fees, and other related costs and expenses, which may be incurred by the Client. However, the Advisor shall not receive any portion of these commissions, fees, and costs. The hourly fees are determined after considering many factors, such as the level and scope of the services.

### **B. Fee Billing**

#### **Account Portfolio Management**

Investment Advisory Fees will be automatically deducted from the Client Account by the Custodian. The Advisor shall send an invoice to the Custodian indicating the amount of the fees to be deducted from the Client Account at the respective quarter end date. The amount due is calculated by applying the quarterly rate (annual rate divided by 4) to the total assets under management with HWM at the end of each quarter. Clients will be provided with a statement, at least quarterly, from the Custodian reflecting deduction of the Investment Advisory Fee. In addition, the Advisor will provide the Client a report itemizing the fee, including the calculation period covered by the fee, the account value and the methodology used to calculate the fee. It is the responsibility of the Client to verify the accuracy of these fees as listed on the custodian's brokerage statement as the Custodian does not assume this responsibility. Clients provide written authorization permitting HWM to be paid directly from their accounts held by the Custodian as part of the Investment Advisory Agreement and separate account forms provided by the Custodian.

#### **Financial Planning and Consulting Services**

As noted above, financial planning and consulting fee are invoiced by the Advisor and are due upon receipt.

### **C. Other Fees and Expenses**

Clients may incur certain fees or charges imposed by third-parties, other than HWM, in connection with investment made on behalf of the Client's account[s]. The Client is responsible for all custodial and securities

execution fees charged by the custodian and executing broker-dealer. The Investment Advisory Fee charged by HWM is separate and distinct from these custodian and execution fees.

In addition, all fees paid to HWM for investment advisory services are separate and distinct from the expenses charged by mutual funds and exchange-traded funds to their shareholders, if applicable. These fees and expenses are described in each fund's prospectus. These fees and expenses will generally be used to pay management fees for the funds, other fund expenses, account administration (e.g., custody, brokerage and account reporting), and a possible distribution fee. A Client could invest in these products directly, without the services of HWM, but would not receive the services provided by HWM which are designed, among other things, to assist the Client in determining which products or services are most appropriate to each Client's financial condition and objectives. Accordingly, the Client should review both the fees charged by the fund[s] and the fees charged by HWM to fully understand the total fees to be paid.

#### **D. Advance Payment of Fees and Termination**

##### Account Portfolio Management

HWM is compensated for its services in advance the quarter in which investment advisory services are rendered. Clients may request to terminate their Investment Advisory Agreement with HWM, in whole or in part, by providing advance written notice. The Client shall be responsible for Investment Advisory Fees up to and including the effective date of termination. Upon termination, the Advisor will refund any unearned, prepaid Investment Advisory Fees from the effective date of termination to the end of the quarter. The Client's Investment Advisory Agreement with the Advisor is non-transferable without Client's written approval.

##### Financial Planning and Consulting Services

In the event that a Client should wish to cancel the financial planning agreement under which any plan is being created, the Client shall be billed for actual hours logged on the planning project times the agreed upon hourly rate. Any surplus in the Advisor's possession as the result of collecting a deposit at the time of signing the financial planning agreement will be returned to the Client.

Either party may terminate a planning or consulting agreement at anytime by providing written notice to the other party within five (5) days of signing the Advisor's financial planning or consulting agreement. The Client will incur charges for bona fide advisory services rendered to the point of termination and such fees will be due and payable by the Client. Refunds will be given on a pro-rata basis.

#### **E. Compensation for Sales of Securities**

HWM does not buy or sell securities and does not receive any compensation for securities transactions in any Client account, other than the Investment Advisory Fees noted above.

### **Item 6 – Performance-Based Fees**

---

HWM does not charge performance-based fees for its investment advisory services. The fees charged by HWM are as described in Item 5 – Fees and Compensation above and are not based upon the capital appreciation of the funds or securities held by any Client.

HWM does not manage any proprietary investment funds or limited partnerships (for example, a mutual fund or a hedge fund) and has no financial incentive to recommend any particular investment options to its Clients.

### **Item 7 – Types of Clients**

---

HWM provides investment advisory services to the following types of Clients:

- Individuals, Personal Trusts and Estates – private investors, investing their personal assets
- 501(c)(3) Non-Profit Organizations – mission-based, non-profit organizations

The relative percentage each type of Client is available on HWM's Form ADV Part 1. These percentages will change over time. HWM generally does not impose a minimum account size for establishing a relationship.

## Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss

---

### A. Methods of Analysis

HWM primarily employs fundamental analysis methods in developing investment strategies for its Clients. Research and analysis from HWM is derived from numerous sources, including financial media companies, third-party research materials, Internet sources, and review of company activities, including annual reports, prospectuses, press releases and research prepared by others.

As noted above, HWM generally employs a long-term investment strategy for its Clients, as consistent with their financial goals. HWM will typically hold all or a portion of a security for more than a year, but may hold for shorter periods for the purpose of rebalancing a portfolio or meeting the cash needs of Clients. At times, HWM may also buy and sell positions that are more short-term in nature, depending on the goals of the Client and/or the fundamentals of the security, sector or asset class.

### B. Risk of Loss

Investing in securities involves certain investment risks. Securities may fluctuate in value or lose value. Clients should be prepared to bear the potential risk of loss. HWM will assist Clients in determining an appropriate strategy based on their tolerance for risk and other factors noted above. However, there is no guarantee that a Client will meet their investment goals.

Each Client engagement will entail a review of the Client's investment goals, financial situation, time horizon, tolerance for risk and other factors to develop an appropriate strategy for managing a Client's account. Client participation in this process, including full and accurate disclosure of requested information, is essential for the analysis of a Client's account. The Advisor shall rely on the financial and other information provided by the Client or their designees without the duty or obligation to validate the accuracy and completeness of the provided information. It is the responsibility of the Client to inform the Advisor of any changes in financial condition, goals or other factors that may affect this analysis.

HWM primarily employs investment strategies that do not involve any significant or unusual risk other than domestic equity and international market risks. The risks associated with a particular strategy are provided to each Client in advance of investing Client accounts. The Advisor will work with each Client to determine their tolerance for risk as part of the portfolio construction process.

HWM may use margin in Client accounts for to manage the timing of purchases and sales, as appropriate. HWM may employ options strategies to hedge or gain additional exposure to a particular asset class or sector. HWM 's investment strategy encompasses active trading in concentrated portfolios.

**Past performance is not a guarantee of future returns. Investing in securities and other investments involve a risk of loss that each Client should understand and be willing to bear. Clients are reminded to discuss these risks with the Advisor. ## **Item 11 – Code of Ethics, Participation in Client Transactions and Personal Trading**

---

### **A. Code of Ethics**

HWM has implemented a Code of Ethics that defines our fiduciary commitment to each Client. This Code of Ethics applies to all persons associated with HWM. The Code of Ethics was developed to provide general ethical guidelines and specific instructions regarding our duties to you, our Client. HWM and its personnel owe a duty of loyalty, fairness and good faith towards each Client. It is the obligation of HWM associates to adhere not only to the specific provisions of the Code, but also to the general principles that guide the Code. The Code of Ethics covers a range of topics that may include; general ethical principles, reporting personal securities trading, exceptions to reporting securities trading, reportable securities, initial public offerings and private placements, reporting ethical violations, distribution of the Code of Ethics, review and enforcement processes, amendments to Form ADV and supervisory procedures. To request a copy of our Code of Ethics, please contact us at (303) 996-3011 or via email at [support@highwaterwealth.com](mailto:support@highwaterwealth.com).

### **B. Personal Trading and Conflicts of Interest**

HWM allows our employees to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients. Owning the same securities we recommend (purchase or sell) to you presents a potential conflict of interest that, as fiduciaries, we must disclose to you and mitigate through policies and procedures. As noted above, we have adopted, consistent with Section 204A of the Investment Advisers Act of 1940, a Code of Ethics, which addresses insider trading (material non-public information controls) and personal securities reporting procedures. We have also adopted written policies and procedures to detect the misuse of material, non-public information. We may have an interest or position in certain securities, which may also be recommended to you.

**At no time, will HWM or any associated person of HWM, transact in any security to the detriment of any Client.**

## **Item 12 – Brokerage Practices**

---

### **A. Recommendation of Custodian[s]**

HWM does not have discretionary authority to select the broker-dealer/custodian for custodial and execution services or the administrator for defined contribution accounts. The Client will select the broker-dealer or custodian (herein the "custodian") to safeguard Client assets and authorize HWM to direct trades to this custodian as agreed in the Investment Advisory Agreement. Further, HWM does not have the discretionary authority to negotiate commissions on behalf of our Clients on a trade-by-trade basis.

Where HWM does not exercise discretion over the selection of the custodian, it may recommend the custodian[s] to Clients for execution and/or custodial services. Clients are not obligated to use the recommended custodian and will not incur any extra fee or cost associated with using a broker not recommended by HWM. HWM typically recommends to Clients that they established their brokerage account[s] at Fidelity Institutional Wealth Services ("Fidelity"). Fidelity is independent and unaffiliated SEC-registered broker-dealer and FINRA member. Fidelity offers independent investment Advisors services, which include custody of securities, trade execution, clearance and settlement of transactions. HWM may receive some benefits from the Fidelity through its participation in the program. HWM considers a number of factors in selecting and/or recommending brokers and custodians for its Clients' accounts, including, but not limited to, execution capability, experience and financial stability, reputation and the quality of services provided. HWM is not affiliated with, or related to, any Fidelity.

Following are additional details regarding the brokerage practices of the Advisor:

**1. Soft Dollars** - Soft dollars are revenue programs offered by broker-dealers whereby an advisor enters into an agreement to place security trades with the broker in exchange for research and other services. **HWM does not participate in soft dollar programs sponsored or offered by any broker-dealer.**

**2. Brokerage Referrals** - HWM does not receive any compensation from any third party in connection with the recommendation for establishing a brokerage account.

**3. Directed Brokerage** - All Clients are serviced on a “directed brokerage basis”, where HWM will place trades within the established account[s] at the custodian designated by the Client. Further, all Client accounts are traded within their respective brokerage account[s]. The Advisor will not engage in any principal transactions (i.e., trade of any security from or to the Advisor’s own account) or cross transactions with other Client accounts (i.e., purchase of a security into one Client account from another Client’s account[s]). In selecting the custodian, HWM will not be obligated to select competitive bids on securities transactions and does not have an obligation to seek the lowest available transaction costs. These costs are determined by the designated custodian.

#### **B. Aggregating and Allocating Trades**

The primary objective in placing orders for the purchase and sale of securities for Client accounts is to obtain the most favorable net results taking into account such factors as 1) price, 2) size of order, 3) difficulty of execution, 4) confidentiality and 5) skill required of the broker. HWM will execute its transactions through an unaffiliated broker-dealer selected by the Client. HWM may aggregate orders in a block trade or trades when securities are purchased or sold through the same broker-dealer for multiple (discretionary) accounts. If a block trade cannot be executed in full at the same price or time, the securities actually purchased or sold by the close of each business day must be allocated in a manner that is consistent with the initial pre-allocation or other written statement. This must be done in a way that does not consistently advantage or disadvantage particular Client accounts.

### **Item 13 – Review of Accounts**

---

#### **A. Frequency of Reviews**

Accounts are monitored on a regular and continuous basis by Mr. Griswold, Founder of the Advisor. Formal reviews are generally conducted at least quarterly or more or less frequently depending on the needs of the Client.

#### **B. Causes for Reviews**

In addition to the investment monitoring noted in Item 13.A., each Client account shall be reviewed at least annually. Reviews may be conducted more or less frequently at the Client’s request. Accounts may be reviewed as a result of major changes in economic conditions, known changes in the Client’s financial situation, and/or large deposits or withdrawals in the Client’s account. The Client is encouraged to notify HWM if changes occur in his/her personal financial situation that might adversely affect his/her investment plan. Additional reviews may be triggered by material market, economic or political events.

#### **C. Review Reports**

The Client will receive brokerage statements no less than quarterly from the trustee or custodian. These brokerage statements are sent directly from the custodian to the Client. The Client may also establish electronic access to the custodian’s website so that the Client may view these reports and their account activity. Client brokerage statements will include all positions, transactions and fees relating to the Client’s account[s]. The Advisor may also provide Clients with periodic reports regarding their holdings, allocations, and performance.

### **Item 14 - Client Referrals and Other Compensation**

---

#### **A. Compensation Received by HWM**

HWM is a fee-only advisor, who, in all circumstances, is compensated solely by the Client. HWM does not receive commissions or other compensation from product sponsors, broker dealers or any un-related third party. HWM may refer Clients to various third-parties to provide certain financial services necessary to meet the goals of its Clients. Likewise, HWM may receive referrals of new Clients from a third-party.

### Participation in Institutional Advisor Platform

HWM has established an institutional relationship with Fidelity to assist the Advisor in managing Client account[s]. Access to the Fidelity Institutional platform is provided at no charge to the Advisor. The Advisor receives access to software and related support without cost because the Advisor renders investment management services to Clients that maintain assets at Fidelity. The software and related systems support may benefit the Advisor, but not its Clients directly. In fulfilling its duties to its Clients, the Advisor endeavors at all times to put the interests of its Clients first. Clients should be aware, however, that the receipt of economic benefits from a custodian creates a potential conflict of interest since these benefits may influence the Advisor's recommendation of this custodian over one that does not furnish similar software, systems support, or services.

Additionally, the Advisor may receive the following benefits from Fidelity: receipt of duplicate Client confirmations and bundled duplicate statements; access to a trading desk that exclusively services its institutional participants; access to block trading which provides the ability to aggregate securities transactions and then allocate the appropriate shares to Client accounts; and access to an electronic communication network for Client order entry and account information.

### **B. Client Referrals from Solicitors**

HWM does not engage paid solicitors for Client referrals.

## **Item 15 – Custody**

---

HWM does not accept or maintain custody of any Client accounts. All Clients must place their assets in a qualified custodian. Clients are required to select their own custodian to retain their funds and securities and direct HWM to utilize that custodian for the Client's security transactions. For more information about custodians and brokerage practices, see Item 12 - Brokerage Practices.

## **Item 16 – Investment Discretion**

---

HWM generally has discretion over the selection and amount of securities to be bought or sold in Client accounts without obtaining prior consent or approval from the Client. However, these purchases or sales may be subject to specified investment objectives, guidelines, or limitations previously set forth by the Client and agreed to by HWM. Discretionary authority will only be authorized upon full disclosure to the Client. The granting of such authority will be evidenced by the Client's execution of an Investment Advisory Agreement containing all applicable limitations to such authority. All discretionary trades made by HWM will be in accordance with each Client's investment objectives and goals.

## **Item 17 – Voting Client Securities**

---

HWM does not accept proxy-voting responsibility for any Client.

## **Item 18 – Financial Information**

---

Neither HWM, nor its management has any adverse financial situations that would reasonably impair the ability of HWM to meet all obligations to its Clients. Neither HWM, nor any of its advisory persons, has been subject to a bankruptcy or financial compromise. HWM is not required to deliver a balance sheet along with this Brochure as the firm does not collect advance fees for services to be performed six months or more in advance.
