¹ The CFA charter is an internationally recognized chartered financial analyst designation. The CFA charter is issued by the CFA Institute and is issued after successfully completing three exams, a minimum level of four years of qualified work experience, pledging to adhere to the CFA Institute Code of Ethics and Standards of Professional Conduct and applying to become part of a local CFA member society. Each exam is 6 hours in duration and takes between 2 to 5 years to complete. More information is available at www.cfainstitute.org
